NOW, THEREFORE, pursuant to the Plan and the Confirmation Order, in consideration of the mutual agreements of the Parties contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged and affirmed, the Parties hereby agree as follows:

ARTICLE I ESTABLISHMENT OF THE SUBROGATION TRUST

1.1 Establishment and Purpose of the Subrogation Trust.

(a) Establishment of Subrogation Trust. Pursuant to Sections 4.25(b) and 6.4 of the Plan, on the Effective Date, in full satisfaction of the Subrogation Claims, the Debtors shall irrevocably transfer, assign and deliver the Aggregate Subrogation Recovery to either (i) one or more accounts established by the Trustee with the consent of the Trust Advisory Board at Bank of America Corporation, JPMorgan Chase & Co. and/or Citibank, N.A., or (ii) such other account(s) as agreed to by a majority of members of the Steering Committee of the Ad Hoc Subrogation Group, in each case for the purpose of receiving, holding, and distributing the Aggregate Subrogation Recovery for the benefit of all Subrogation Trust Beneficiaries. The Aggregate Subrogation Recovery shall be transferred in any and all cases free and clear of all liens, encumbrances, Claims and Interests (legal, beneficial, or otherwise, as Claims and Interests are defined in the Plan) for the sole benefit of the Subrogation Trust Beneficiaries. For the avoidance of doubt, upon the transfer of the Aggregate Subrogation Recovery, the Subrogation Trust shall succeed to all of the Debtors' rights, title, and interest in the Aggregate Subrogation Recovery, and the Debtors shall have no further right or interest in or with respect to the Aggregate Subrogation Recovery.

(b) Purpose of Subrogation Trust. The primary purposes of the Subrogation Trust are, in an expeditious and orderly manner, (i) to make timely Distributions (as defined in Section 6.1) in accordance with the Allocation Agreement and this Agreement to holders of Paid

Claims and (ii) to object to and/or resolve Non-Party Claims (as defined in Section 1.2(a)) and make Distributions thereon.⁴

(c) Relationship. This Agreement is intended to create a trust and a trust relationship and is to be governed and construed in all respects as a trust. The Subrogation Trust is not intended to be, and shall not be deemed to be, or be treated as, a general partnership, limited partnership, joint venture, corporation, joint stock company, or association, nor shall the Trustee, the Trust Advisory Board (or any Member or Alternate Representative), or the Subrogation Trust Beneficiaries for any purpose be, or be deemed to be or treated in any way whatsoever to be, liable or responsible hereunder as partners or joint venturers. The relationship of the Subrogation Trust Beneficiaries, on the one hand, to the Trustee and the Trust Advisory Board, on the other hand, shall be solely that of a beneficiary of a trust and shall not be deemed a principal and agency relationship, and the parties' rights shall be limited to those conferred upon them by the Plan, Confirmation Order, Allocation Agreement and this Agreement.

(d) Financial and Status Reports. The fiscal year of the Subrogation Trust shall be the calendar year. During the term of the Subrogation Trust, within forty-five (45) days after the close of each calendar quarter and ninety (90) days after the end of each calendar year, and as soon as practicable upon termination of the Subrogation Trust, the Trustee shall upload to a password-protected data room (the "Data Room"), with credentials made available to the Subrogation Trust Beneficiaries, a written report (each, a "Financial and Status Report") which shall include: (i) (x) for each calendar quarter, financial statements of the Subrogation Trust for such calendar quarter prepared in accordance with U.S. generally accepted accounting principles, and (y) for the end of a calendar year, financial statements for such calendar year prepared in accordance with U.S. generally accepted accounting principles, (ii) a summary description of any action taken by the Subrogation Trust that, in the judgment of the Trustee, materially affects the Subrogation Trust and of which notice has not previously been given to the Subrogation Trust Beneficiaries, (iii) details of aggregate funds distributed by the Trustee and the Aggregate Subrogation Recovery, if any, remaining, (iv) details of income earned on the Aggregate Subrogation Recovery, (v) details of the amount of any reserves, (vi) details of the Holdback Amount, (vii) the then in effect Implied Recovery Percentage and Adjustment Percentage (as defined in and calculated in accordance with Section 3(b) of the Allocation Agreement) and information necessary to show the Trustee's calculation of the Implied Recovery Percentage and Adjustment Percentage and (viii) a description of the progress of making Distributions to the Subrogation Trust Beneficiaries and any other material information relating to the Aggregate

⁴ As used herein, the terms "Paid Claims," and "Assignor Insurer" shall have the same meanings as they do in the Allocation Agreement.

Paid Claims means payments and legally recoverable expenses made to or on behalf of insureds in connection with the Wildfires and the insuring agreement between a Claimholder or Assignor Insurer and its insured, but not including payments of any personal injury or death claims, non-recoverable expenses (including deductibles voluntarily refunded), damages unrelated to the Wildfires and/or arising from the insurer's negligence or bad faith. For the avoidance of doubt, Paid Claims shall also include payments and recoverable expenses made by a Claimholder to or for the benefit of insureds in connection with Wildfires required by California law as a result of an insurer's insolvency.

Assignor Insurer means an insurer from whom the holder of Subrogation Claims directly or indirectly acquired Subrogation Claims.

Subrogation Recovery and the administration of the Subrogation Trust, including Subrogation Trust Costs and Expenses incurred during such period and cumulative for the duration of the Subrogation Trust. To the extent practicable, the Trustee will promptly provide additional information related to the Subrogation Trust as requested from time to time by any Subrogation Trust Beneficiary, provided, that such information shall be uploaded to the Data Room. Each Financial and Status Report shall be delivered to the Trust Advisory Board upon being uploaded to the Data Room. The Trustee shall provide access to the Data Room to any third party that executes a customary confidentiality agreement, unless the Trustee demonstrates that there is a good reason to not do so to the satisfaction of a majority of Members of the Trust Advisory Board.

(e) Service without Bond. The Trustee and Members (and any Alternate Representative) shall serve without bond and shall have no obligation to file any accountings with any state or federal court.

1.2 Funding of the Subrogation Trust Costs and Expenses.

(a) Funding. On the Effective Date, \$10,000,000.00 of the Aggregate Subrogation Recovery (the “Initial Trust Cost and Expense Funding”) shall be reserved by the Trustee to administer the Subrogation Trust and deposited in a segregated account established and maintained by the Trustee (the “Expense Reserve”) at a bank selected by the Trustee with the consent of the Trust Advisory Board. To the extent the professional fees and expenses incurred by the ad hoc group of subrogation claim holders (“Ad Hoc Subrogation Group”) are not fully reimbursed by the Debtors on the Effective Date pursuant to the Plan, any unpaid amounts owed shall be paid by the Trustee from the Expense Reserve to the applicable Ad Hoc Subrogation Group professionals within ten (10) days upon written request. To the extent that any Subrogation Trust Beneficiary incurred or paid professional fees or expenses or indemnification obligations pursuant to sections 4, 5, and paragraph 6(c) of the related terms of business of that certain engagement letter between Ankura Consulting Group, LLC and certain Subrogation Trust Beneficiaries dated April 9, 2020, any such amounts shall be reimbursed by the Trustee from the Expense Reserve within ten (10) days of the applicable Subrogation Trust Beneficiary’s written request to the Trustee; provided, the Expense Reserve shall also be reduced by any amount otherwise paid to Ankura Consulting Group, LLC pursuant to such engagement letter. To the extent that Trustee is owed professional fees and expenses in connection with its engagement prior to the Effective Date, such amounts will be reimbursed from the Expense Reserve following a written request from the Trustee and approval of the Trust Advisory Board. To the extent the reasonable fees, costs and expenses of administering the Subrogation Trust and the Aggregate Subrogation Recovery and the professional fees of the Ad Hoc Subrogation Group paid from the Expense Reserve at any time exceed the Initial Trust Cost and Expense Funding, the Trustee may, in consultation with the Trust Advisory Board, replenish the Expense Reserve in an amount not to exceed \$2,000,000.00 in the aggregate from the funds in the Holdback Amount to pay such amounts as are reasonably expected to cover the reasonable fees, costs and expenses of administering the Subrogation Trust and Aggregate Subrogation Recovery, including any costs and expenses relating to objecting to and/or resolving any disputed Subrogation Claims not held by a party to the Allocation Agreement (“Non-Party Claims” and, individually a “Non-Party Claim”), notwithstanding that such replenishment may diminish the

Aggregate Subrogation Recovery. To the extent more than an additional \$2,000,000.00, in the aggregate, is required beyond the original \$10,000,000.00 in funding to cover the reasonable fees, costs and expenses of administering the Subrogation Trust and Aggregate Subrogation Recovery until the termination of the Subrogation Trust, the Trustee shall only replenish the Expense Reserve by more than \$2,000,000.00 with the unanimous consent of the Trust Advisory Board.

(b) Retention of Professionals. The Trustee and Trust Advisory Board may, without further order of the Bankruptcy Court, employ professionals to assist them in fulfilling their respective obligations under the Plan and this Agreement. Professional service agreements entered into by the Trustee pursuant to this Section 1.2(b) shall be approved by the Trust Advisory Board, shall include reasonable and customary fee and expense provisions, and shall not be duplicative of other professional service engagements. Compensation of the Trustee reimbursable under this Agreement shall be governed by separate agreement by and between the Trustee and the Trust Advisory Board pursuant to Section 2.2 hereof and shall include reasonable and customary fee and expense provisions. Professional expenses of the Trust Advisory Board reimbursable under this Agreement shall be limited to fees and expenses paid to a single law firm representing the entire Trust Advisory Board (rather than some or all of its Members), shall include reasonable and customary fee and expense provisions, and shall not be duplicative of other professional service engagements. Any law firm retained by the Trustee shall not also represent the Trust Advisory Board or any Subrogation Trust Beneficiary in connection with any matter relating to the Subrogation Trust or the Debtors, and any law firm retained by the Trust Advisory Board shall not also represent the Trustee or any of the Subrogation Trust Beneficiaries in connection with any matter relating to the Subrogation Trust or the Debtors. For the avoidance of doubt, fees and expenses of professionals retained pursuant to this Section 1.2(b) shall be paid out of the Expense Reserve. At the direction and discretion of the Trust Advisory Board, the Trustee may hire an accounting firm to prepare financial statements and tax filings, as may be required to be made by the Subrogation Trust.

ARTICLE II THE TRUSTEE

2.1 Appointment of Trustee. The Trustee is hereby appointed trustee of the Subrogation Trust as of the Effective Date and agrees to accept and hold the Aggregate Subrogation Recovery, plus any accrued interest and earnings thereon, in trust for the Subrogation Trust Beneficiaries. Other than as provided in Section 2.8(a) hereof, the Trustee may not be a Member of the Trust Advisory Board.

2.2 Trustee's Compensation and Reimbursement. The Trustee shall be compensated for its services and reimbursed for its expenses in accordance with, and pursuant to the terms of, a separate agreement to be negotiated and executed by the Trustee and the Trust Advisory Board, which agreement shall not be subject to any third-party notice or approval, provided, that, the Trustee shall not earn a management fee for the Trustee's management of the assets of the Subrogation Trust. Compensation and reimbursement under this Section 2.2 will be paid from the Expense Reserve.

2.3 Power and Responsibilities. The Trustee, in consultation with the Trust Advisory Board, shall have all powers necessary to implement this Agreement and the provisions of the Plan relating to the Subrogation Trust, in accordance with the Plan, Confirmation Order, Allocation Agreement, this Agreement, and applicable law, including the power to execute any agreement or other document consistent with the terms thereof. The Trustee shall, in a manner consistent with the terms of this Agreement: (i) administer and make Distributions to Subrogation Trust Beneficiaries from the Aggregate Subrogation Recovery in accordance with this Agreement and the Allocation Agreement, (ii) dispute and/or resolve any Subrogation Claims held by parties to the Allocation Agreement in accordance with the terms of Articles IV and V hereof and the Allocation Agreement, and (iii) object to and/or resolve Non-Party Claims in accordance with the Objection Procedures set forth on **Exhibit B** hereto (the “Non-Party Objection Procedures”); provided that, if, after following the Non-Party Objection Procedures, the Trustee cannot resolve a disputed Non-Party Claim, the Trustee may resolve such disputed Non-Party Claim with the consent of the Trust Advisory Board. The Trustee is expressly prohibited from engaging in the conduct of, or to further, any trade or business, including employing any persons or entities other than as provided herein. In consultation with the Trust Advisory Board, the Trustee shall acquire insurance covering the actions of the Trustee and Trust Advisory Board.

2.4 Tenure. The powers and responsibilities of the Trustee shall continue in full force and effect until the Subrogation Trust is terminated in accordance with Section 9.1 hereof. The Trustee will serve until the earlier of (a) the termination of the Subrogation Trust or (b) the Trustee’s earlier death, resignation or removal.

2.5 Resignation. The Trustee may resign by giving not less than ninety (90) days’ prior written notice to the Trust Advisory Board, and to the extent permitted by law, without judicial approval. Such resignation shall become effective on the later to occur of (i) the day specified in such notice and (ii) the appointment of a successor by the Trust Advisory Board, as provided in Section 2.8(a) hereof, and the acceptance by such successor of such appointment. Notwithstanding the foregoing, upon the Termination Date, the Trustee shall be deemed to have resigned. The Trustee shall be deemed to have resigned upon the incapacity of the Trustee, which determination shall be made by, and in the sole discretion of, the Trust Advisory Board.

2.6 Removal. The Trustee may be removed by the unanimous written consent of the Members with or without Cause (as defined in Section 3.8 hereof) immediately upon notice to the Trustee thereof.

2.7 Effect of Resignation or Removal. The death, dissolution, bankruptcy, resignation, incompetency, incapacity, or removal of the Trustee, as applicable, shall not operate to terminate the Subrogation Trust created by this Agreement or to revoke any existing agency created pursuant to this Agreement or invalidate any action theretofore taken by the Trustee or any prior Trustee. In the event of the resignation or removal of the Trustee, such Trustee will promptly (i) execute and deliver such documents, instruments, and other writings as may be reasonably requested by Trust Advisory Board or the successor Trustee (as appointed pursuant to Section 2.8 hereof) to effect the termination of such Trustee’s capacity under this Agreement, (ii) deliver to the Trust Advisory Board and/or the successor Trustee (as appointed pursuant to

Section 2.8 hereof) all documents, instruments, records, and other writings related to the Subrogation Trust as may be in the possession of such Trustee (provided, however, that such Trustee may retain one copy of such documents for archival purposes or as required by law), and (iii) otherwise assist and cooperate in effecting the assumption of its obligations and functions by such successor Trustee.

2.8 Appointment of Successor Trustee.

(a) Appointment Procedure. In the event of the death (in the case of a Trustee that is a natural person), dissolution (in the case of a Trustee that is not a natural person), incompetency, or removal of the Trustee, the Member of the Trust Advisory Board selected in accordance with Section 5(b)(iii) of the Allocation Agreement shall immediately become the interim Trustee, solely for legal purposes, and whose powers as interim Trustee shall be limited solely to maintaining the legal existence of the Subrogation Trust and who shall stay all actions of the Subrogation Trust, including those in Article IV, V, and VI pending appointment of a successor Trustee. The interim Trustee shall continue to be a Member of the Trust Advisory Board. As soon as practicable thereafter, the Trust Advisory Board by a unanimous vote shall designate a successor Trustee, who, for the avoidance of doubt, may not be a Member of the Trust Advisory Board. In the case of resignation of the Trustee (i) the Trust Advisory Board by a unanimous vote shall appoint a successor Trustee as soon as practicable thereafter, and (ii) if a successor Trustee is not appointed or does not accept its appointment within ninety (90) days following delivery of the notice of resignation, the Member of the Trust Advisory Board selected in accordance with Section 5(b)(iii) of the Allocation Agreement shall immediately become the interim Trustee and serve consistent with the limitations set forth in the preceding sentences of this section pending appointment of a successor Trustee.

(b) Acknowledgment of Successor Trustee. Every successor Trustee appointed hereunder shall execute, acknowledge, and deliver to the Trust Advisory Board an instrument accepting the appointment under this Agreement and agreeing to be bound as Trustee hereto. Thereupon the successor Trustee, without any further act, deed or conveyance, shall become vested with all rights, powers, trusts, and duties of the retiring Trustee. No successor Trustee shall be personally liable for any act or omission of a predecessor Trustee.

2.9 Confidentiality. Notwithstanding anything to the contrary, including any agreement to which the Trustee is a party, the Trustee shall hold strictly confidential and not use for personal gain or for any purpose other than carrying out the duties of the Trustee any non-public information of or pertaining to any Subrogation Trust Beneficiary or their insureds to which any of the Aggregate Subrogation Recovery relates or of which the Trustee has become aware in the Trustee's capacity as Trustee, including, but not limited to, the contents of the Allocation Agreement, except as otherwise required by law, provided, that the Trustee may share non-public information with Subrogation Trust Beneficiaries in accordance with the terms of this Agreement. This section shall survive termination of this Agreement and/or the Trustee's removal or resignation.

2.10 Investment of Cash. The Trustee shall have the right and power to invest all or a portion of the Aggregate Subrogation Recovery or any income earned by the Subrogation Trust

only in Cash and U.S. Federal Government securities with a term of one year or less, as defined in section 2(a)(16) of the Investment Company Act; provided, however, that (i) the scope of any such permissible investments shall be further limited to include only those investments that a “qualified settlement fund,” within the meaning of Treasury Regulations section 1.468B-1 *et seq.*, may be permitted to invest in, pursuant to the Treasury Regulations, or any modification in Internal Revenue Service (“IRS”) guidelines, whether set forth in IRS rulings, other IRS pronouncements or otherwise, and (ii) the Trustee, with the consent of the Trust Advisory Board, may expend the assets of the Subrogation Trust (a) as reasonably necessary to meet contingent liabilities and maintain the value of the assets of the Subrogation Trust, (b) to pay reasonable administrative expenses (including any taxes imposed on the Subrogation Trust), and (c) to satisfy other liabilities incurred or assumed by the Subrogation Trust (or to which the assets are otherwise subject) in accordance with the Plan, Confirmation Order, Allocation Agreement, or this Agreement. For the avoidance of doubt, all income earned with respect to the Aggregate Subrogation Recovery shall be added to the assets in the Subrogation Trust, held as part thereof, and distributed in accordance with the Allocation Agreement including, without limitation, Section 3(b) and footnote 4 thereof. In consultation with the Trust Advisory Board, the Trustee shall administer the undistributed portion of the Aggregate Subrogation Recovery in a commercially reasonable manner, including procurement of a customary and reasonable fidelity bond to insure such undistributed funds (subject to cost considerations).

2.11 Limitations on Power and Authority of the Trustee. Notwithstanding anything in this Agreement to the contrary, the Trustee will not have the authority to do any of the following:

- (a) take any action in contravention of the Plan, Confirmation Order, Allocation Agreement, this Agreement, or applicable order of the Bankruptcy Court;
- (b) take any action that would make it impossible to carry on the activities of the Subrogation Trust;
- (c) possess property of the Subrogation Trust or assign the Subrogation Trust’s rights in specific property for any purpose other than as provided herein;
- (d) cause or permit the Subrogation Trust to engage in any trade or business or employ any persons or entities other than as provided herein;
- (e) receive transfers of any listed stocks or securities or any readily marketable assets or any operating assets of a going business, other than Non-cash Recovery provided for under the Plan, or as is otherwise necessary or required under the Plan, the Confirmation Order, or this Agreement; provided, however, that in no event shall the Trustee receive any such investment that would jeopardize treatment of the Subrogation Trust as a “qualified settlement fund” for federal income tax purposes under Treasury Regulation section 1.468B-1 *et seq.*, or any successor provision thereof (or corresponding or similar provisions of state, local, or foreign law);
- (f) exercise investment power beyond what is provided in Section 2.10 hereof;

(g) receive or retain any operating assets of an operating business, a partnership interest in a partnership that holds operating assets or 50% or more of the stock of a corporation with operating assets, except as is necessary or required under the Plan, the Confirmation Order, or this Agreement; provided, however, that in no event shall the Trustee receive or retain any such asset or interest that would jeopardize treatment of the Subrogation Trust as a “qualified settlement fund” for federal income tax purposes under Treasury Regulation section 1.468B-1 *et seq.*, or any successor provision thereof (or corresponding or similar provisions of state, local, or foreign law);

(h) take any other action or engage in any investments or activities that would jeopardize treatment of the Subrogation Trust as a “qualified settlement fund” for federal income tax purposes under Treasury Regulation section 1.468B-1 *et seq.*, or any successor provision thereof (or corresponding or similar provisions of state, local, or foreign law); or

(i) assign or delegate any of the Trustee’s rights or obligations to any third party except as expressly provided herein.

ARTICLE III SUBROGATION TRUST ADVISORY BOARD

3.1 Appointment of Trust Advisory Board. The Trust Advisory Board shall consist of three (3) members initially appointed in accordance with the Allocation Agreement. The initial Members of the Trust Advisory Board are [____], [____], and [____]. Each Member, to the extent that it is an institution may, from time to time, designate an employee or other designee as its representative (each an “Alternate Representative”) to attend meetings and participate in activities of the Trust Advisory Board. Such designation may be revoked at any time by the designating Member. The Alternate Representative shall not be entitled to compensation except as provided in Section 3.2 hereof. In the event an Alternate Representative ceases to be employed by a Member (or ceases to act as its legal counsel), the Member shall designate a replacement Alternate Representative.

3.2 Trust Advisory Board Compensation and Reimbursement. Starting on the Effective Date, the Members of the Trust Advisory Board appointed in accordance with Section 5(b)(i) and (ii) of the Allocation Agreement shall be compensated \$[____] per month for their services, and the Member of the Trust Advisory Board appointed in accordance with Section 5(b)(iii) of the Allocation Agreement shall be compensated \$[____] per month for his or her services. Members of the Trust Advisory Board and any Alternate Representative shall be reimbursed for their reasonable and necessary expenses incurred in performance of obligations under this Agreement. Members shall be compensated for their services on the first business day of every month, beginning with the first business day of the month following the Effective Date. Compensation and reimbursement under this Section 3.2 will be paid from the Expense Reserve.

3.3 Responsibilities. The Trust Advisory Board shall monitor, consult with and advise the Trustee as to the administration and management of the Subrogation Trust in accordance with the Plan, the Confirmation Order, the Allocation Agreement and this Agreement.

3.4 Authority. The Trust Advisory Board shall have the authority to perform its duties and obligations hereunder and to reasonably require the Trustee to provide information to the Trust Advisory Board. The Trust Advisory Board shall have the authority to remove the Trustee in accordance with Section 2.6 hereof.

3.5 Meetings of the Trust Advisory Board.

(a) Timing. Meetings of the Trust Advisory Board are to be held not less often than quarterly. Special meetings of the Trust Advisory Board may be held whenever and wherever called for by the Trustee or any Member; provided, however, that notice of any such meeting shall be duly given in writing to each Member and the Trustee no less than 48 hours prior to such meeting (such notice being subject to waiver by the Members), and attendance at a special meeting shall constitute waiver of such notice. The Trust Advisory Board shall keep minutes of each meeting. Unless the Trust Advisory Board decides otherwise, the Trustee and the Trustee's advisors may, but are not required to, attend meetings of the Trust Advisory Board, provided, however, the Trust Advisory Board may, at its discretion, meet without the Trustee or the Trustee's advisors.

(b) Actions. All meetings of the Trust Advisory Board shall consist of all Members. Unless otherwise provided for in this Agreement, the majority vote of the Members at a duly called meeting at which all Members are present throughout shall be an act of the Trust Advisory Board. The Trust Advisory Board may take action without a meeting by unanimous written consent as evidenced by one or more writings (including electronic mail) describing the action agreed to by all Members. Notwithstanding the foregoing, if (a) a Member of the Trust Advisory Board, or any Alternate Representative of such Member, fails to attend three (3) consecutive, duly noticed meetings, including special meetings, of the Trust Advisory Board, and (b) if such Member, or any Alternate Representative for such Member, fails to attend the next duly noticed meeting, including special meetings, of the Trust Advisory Board, then, (x) the attendance of two (2) Members of the Trust Advisory Board or their Alternate Representatives at such next duly notice meeting (or special meeting) shall be deemed a proper meeting of the Trust Advisory Board in all respects (the "Two-Member Meeting"), and (y) the vote of two (2) Members of the Trust Advisory Board or their Alternate Representatives at the Two-Member Meeting shall be deemed the unanimous consent of the Trust Advisory Board in all respects at the Two-Member Meeting. Thereafter, all meetings of the Trust Advisory Board shall consist of all Members or their Alternate Representatives, provided, that, if any Member of the Trust Advisory Board or their Alternate Representative subsequently fails to attend three (3) consecutive, duly noticed meetings, including special meetings, of the Trust Advisory Board, the preceding provisions with respect to a Two-Member Meeting shall apply.

(c) Form of Participation. Any or all of the Members may participate in a meeting by, or conduct the meeting through the use of, conference telephone or similar

communications equipment by means of which all Persons participating in the meeting may hear each other, in which case any required notice of such meeting may generally describe the arrangements (rather than or in addition to the place) for the holding thereof. Any Member participating in a meeting by these means is deemed to be present in person at the meeting.

3.6 Tenure. The authority of the Members continues in full force and effect until the Subrogation Trust is terminated in accordance with Section 9.1 hereof. Each Member will serve until the earlier of (a) the termination of the Subrogation Trust or (b) such Member's earlier death, resignation or removal.

3.7 Resignation. A Member may resign by giving not less than ninety (90) days' prior written notice thereof to the Trustee and the other Members, and to the extent permitted by law, without judicial approval, provided, that, the non-resigning Members may waive the ninety (90) days' notice. Such resignation shall become effective on the later to occur of (i) the day specified in such notice and (ii) the appointment of a successor in accordance with Section 3.9 hereof.

3.8 Removal. Two Members of the Trust Advisory Board may remove the other Member for Cause immediately upon notice thereof. "Cause" shall mean (i) a Person's willful failure to perform his material duties hereunder (including with respect to a Member, failing to regularly attend meetings of the Trust Advisory Board; it being understood that missing three (3) meetings in a row shall be deemed to constitute Cause) that is not remedied within fifteen (15) days' notice, if curable, (ii) a Person's commission of an act of fraud, theft, or embezzlement (iii) a Person's conviction of a felony (iv) a Person's gross negligence, bad faith, willful misconduct, or knowing violation of law in the performance of his duties hereunder, or (v) incapacity due to illness or other circumstances.

3.9 Appointment of a Successor Member. In the event of a vacancy on the Trust Advisory Board for any reason including, without limitation, resignation or removal of a Member, the vacant seat on the Trust Advisory Board shall be filled according to the method initially used to appoint such Member as provided in section 5(b) of the Allocation Agreement. The appointment of a successor Member will be evidenced in the reports provided by the Trustee to Subrogation Trust Beneficiaries pursuant to Section 1.1(d) hereof. Immediately upon the appointment of any successor Member, all rights, powers, duties, authority, and privileges of the predecessor Member hereunder will be vested in and undertaken by the successor Member without any further act, and such successor Member will not be liable personally for any act or omission of the predecessor Member. Every successor Member appointed hereunder shall execute, acknowledge and deliver to the Trustee and other Members an instrument accepting the appointment under this Agreement and agreeing to be bound hereto.

3.10 Confidentiality. Notwithstanding anything to the contrary, including any agreement to which a Member is a party, each Member shall hold strictly confidential and not use for personal gain any non-public information of or pertaining to any Subrogation Trust Beneficiary or their insureds to which any of the Aggregate Subrogation Recovery relates or of which the Member has become aware in its capacity as a Member, including, but not limited to, the contents of the Allocation Agreement, except as otherwise required by law, provided, that

each Member may share non-public information with Subrogation Trust Beneficiaries. This section shall survive termination of this Agreement and/or the Member's removal or resignation.

3.11 Common Legal Interest. The Trustee and the Trust Advisory Board have a "common legal interest" relating to the Subrogation Claims, the Subrogation Trust, the Plan, Confirmation Order, Allocation Agreement and this Agreement (other than Section 2.6 and Section 2.7 hereof), including without limitation, (i) the formation of the Subrogation Trust, (ii) the retention and direction of professional advisors, (iii) the administration of the Subrogation Trust, (iv) making Distributions in accordance with this Agreement and the Allocation Agreement, (v) disputing and/or resolving any Subrogation Claims held by parties to the Allocation Agreement in accordance with the terms of Articles IV and V hereof, and (vi) objecting to and/or resolving any Non-Party Claims in accordance with the Non-Party Objection Procedures or as otherwise provided herein (the "Common Legal Interest Matters"). Any discussion, evaluation, or other communications and exchanges of information relating to the Common Legal Interest Matters shall at all times remain subject to all applicable privileges, immunities and protections from disclosure, including without limitation, the attorney-client privilege, work-product doctrine and common legal interest privilege. It is the express intent of the Trustee and the Trust Advisory Board to preserve intact to the fullest extent applicable, and not to waive, by virtue of this Agreement or otherwise, in whole or in part, any and all privileges, protections and immunities.

ARTICLE IV

REPORTING, REVIEW, VERIFICATION AND TRANSFERS OF PAID CLAIMS

4.1 Beneficiary Reporting Requirements.

(a) General Reporting Requirement. The Trustee and Trust Advisory Board understand and acknowledge that Subrogation Trust Beneficiaries shall provide updated information to the Trustee regarding Paid Claims and Subrogation Claims reserved for but not paid ("Reserved Claims") in accordance with the terms of the Allocation Agreement and using a form substantially similar to the form attached hereto as **Exhibit C** (along with any attachments thereto, "Distribution Request"). In developing or modifying its procedures for submitting Subrogation Claims for payment, the Trustee shall evaluate whether the Subrogation Trust can provide claimants with the opportunity to utilize currently available technology, including filing claims and supporting documentation through web-based systems, the internet and/or electronic media. The form of the Distribution Request may be changed and the foregoing alternative procedures for electronic claims submission may be adopted by the Subrogation Trust with the consent of the Trust Advisory Board.

(b) Timing. The deadlines by which Subrogation Trust Beneficiaries shall provide updated information to the Trustee regarding Paid Claims and Reserved Claims (each a "Reporting Deadline") is set forth in Section 2 of the Allocation Agreement. The Trustee shall only make Distributions on account of Distribution Requests that are timely filed on or before each Reporting Deadline, in the manner set forth in the Allocation Agreement and according to the procedures set forth in **Exhibit D** hereto ("Subrogation Claims Review Protocol").

4.2 Review and Verification by Trustee.

(a) Establishment of Wildfire Parameters. Prior to the Effective Date, Berger Kahn ALC (“Berger Kahn”), in consultation with the steering committee of the Ad Hoc Subrogation Group established parameters regarding (i) affected areas for the Wildfires (each such area, an “Affected Zone”), and (ii) a range of dates within which the Subrogation Claims associated with such Wildfire are presumed to have been incurred (each, a “Date of Loss Range”). The final Affected Zones and Date of Loss Ranges are attached hereto as **Exhibit E**.

(b) Retention of Claims Review Professionals. As soon as practicable after the Effective Date, the Subrogation Trust shall retain Berger Kahn ALC, the law firms comprising the Subrogation Review Committee (as defined in the Subrogation Claims Review Protocol), and Ankura Consulting Group, LLC as the Third Party Reviewer, (collectively, the “Claims Review Professionals”), for the roles set forth in the Subrogation Claims Review Protocol. The Subrogation Trust shall retain the Claims Review Professionals pursuant to engagement letters acceptable to the Trust Advisory Board which shall provide that the applicable Claims Review Professionals agrees to be bound by the applicable terms of this Agreement (including the Subrogation Claims Review Protocol).

(c) Review and Verification Process. The Subrogation Trust shall review Distribution Requests as set forth in the Subrogation Claims Review Protocol. The Trustee may, with the consent of the Trust Advisory Board, adopt claims processing instructions or other materials to guide individual reviewers at any level of the review process in order to ensure compliance with the Subrogation Claims Review Protocol.

(d) Subrogation Claims Review Reports. Promptly following each level of review set forth in the Subrogation Claims Review Protocol, the Trustee shall notify each Subrogation Trust Beneficiary as to the results of such review level.

(e) Distribution Notices to Subrogation Trust Beneficiaries. In advance of each quarterly Distribution, the Trustee shall send a notice to each applicable Subrogation Trust Beneficiary detailing the amount such Subrogation Trust Beneficiary will be paid on the subsequent distribution date in accordance with the Allocation Agreement (a “Distribution Notice”). The Distribution Notice shall set forth the calculation of the subsequent Distribution to be made to the Subrogation Trust Beneficiary, including the then in effect Implied Recovery Percentage and Adjustment Percentage (as calculated in accordance with Section 3(b) of the Allocation Agreement) and information necessary to show the Trustee’s calculation of the Implied Recovery Percentage and Adjustment Percentage. Disputed Subrogation Claims (or portions thereof) identified in a Distribution Notice following a Level Four Review shall be referred to herein as a “Disputed Claim.”

4.3 Replacement of Claims Review Professionals. At any time during the term of this Agreement, (a) the Trustee, with the unanimous consent of the Trust Advisory Board, or the Trust Advisory Board (acting unanimously), may immediately terminate the services of any Claims Review Professional, and (b) if the services of any Claims Review Professional are

terminated, the Trustee shall retain a different firm to perform such duties in a substantially similar manner with the unanimous consent of the Trust Advisory Board.

4.4 Transfers of Paid Claims

(a) Subject to the terms and conditions of this section 4.4, Subrogation Trust Beneficiaries shall be entitled to sell, assign, transfer, hypothecate, convey, or otherwise dispose, directly or indirectly any interest in Paid Claims in whole or in part (each, a “Transfer”). The Trustee shall work with the Subrogation Trust Beneficiaries to effectuate any Transfer and to ensure the correct Distributions are paid upon any transferred Paid Claim and shall provide cooperation to facilitate the Transfer.

(b) Notwithstanding anything to the contrary herein, no Paid Claims may be transferred to any Person unless: (i) such Person (x) is either a party to the Allocation Agreement, or (y) executes and delivers a joinder to the Allocation Agreement to the Trustee prior to the Transfer, (ii) such Person is either (x) already a Subrogation Trust Beneficiary prior to such Transfer or (y) an “accredited investor” as such term is defined under Regulation D of the Securities Act; (iii) the transferee is acquiring the Paid Claims for its own account and constitutes one person for purposes of Section 12(g)(1)(A) of the Exchange Act; (iv) the aggregate amount of Paid Claims transferred is not less than the lesser of \$10,000,000.00 and 100% of the Paid Claims owned by such transferor; and (v) the Transfer is done in compliance with all applicable laws, and after giving effect to such Transfer, the Subrogation Trust would not be subject to the reporting requirements of Section 12(g) of the Exchange Act or any successor rule thereto.

(c) In the event of any Transfer, the transferee and transferor will provide to the Subrogation Trust (i) prior notice, including the specific Subrogation Claims to which the Transfer relates and (ii) such representations, certifications, and information as reasonably requested by the Subrogation Trust to confirm that such Transfer is in compliance with this Agreement.

(d) Any purported Transfer in violation of the terms of this Agreement shall be void *ab initio*.

ARTICLE V CLAIM DISPUTES

5.1 Claim Disputes.

(a) Disputed Claims. In accordance with the Allocation Agreement, a Subrogation Trust Beneficiary that believes one or more of its submitted Subrogation Claims (or any portions thereof) was identified as a Disputed Claim in error shall notify the Trustee (an “Appeal Notice”) within ten (10) business days after receipt of the applicable Distribution Notice (the “Appeal Period”). An Appeal Notice shall constitute a duly submitted Appeal Notice if it (i) identifies the Disputed Claim in reasonable detail, and (ii) states that the Subrogation Trust Beneficiary disputes the calculation of the Disputed Claim. If a Subrogation Trust Beneficiary does not respond to a Distribution Notice by the end of the Appeal Period, the claim amounts set

forth by the Trustee in such Distribution Notice shall be binding on the Subrogation Trust Beneficiary. If a Subrogation Trust Beneficiary timely submits an Appeal Notice, the Trustee shall reserve for any Disputed Claim identified on such Appeal Notice pending resolution of the dispute in accordance with this Article V ("Claim Dispute") by treating the disputed portion of such claim as a Reserved Claim for all purposes with respect to the Allocation Agreement. Following receipt of an Appeal Notice, the Trustee and the applicable Subrogation Trust Beneficiary shall attempt in good faith to consensually resolve the Claim Dispute.

(b) Mediation. If the Trustee, with the consent of the Trust Advisory Board, and the applicable Subrogation Trust Beneficiary, cannot consensually resolve the Claim Dispute, the applicable Subrogation Trust Beneficiary may request formal mediation, provided at least ten (10) business days have passed since the Trustee's receipt of the Appeal Notice, and the Trustee and the applicable Subrogation Trust Beneficiary shall attempt in good faith to promptly resolve the Claim Dispute through mediation. The mediation shall take place at the offices of counsel to the Trustee unless otherwise agreed to by the parties to such Claim Dispute and the mediator shall be mutually agreed upon by the Trustee and the applicable Subrogation Trust Beneficiary, provided, that, if the parties cannot mutually agree on a mediator, the Trust Advisory Board shall select one. Each party shall bear its own costs with respect to the mediation, and the cost of the mediator shall be split evenly between the parties. Except as explicitly set forth herein, the mediation shall be administered pursuant to the Commercial Arbitration Rules and Mediation Procedures of the American Arbitration Association. If the Trustee and the applicable Subrogation Trust Beneficiary have not consensually resolved the Claim Dispute and the applicable Subrogation Trust Beneficiary has not requested formal mediation within sixty (60) days of the Trustee's receipt of the Appeal Notice, the claim amounts set forth by the Trustee in the applicable Distribution Notice shall be binding on the Subrogation Trust Beneficiary and shall be deemed to resolve any Disputed Claims that were the subject of the Appeal Notice for the purposes of making Distributions hereunder.

(c) Litigation. Only if the Trustee and the applicable Subrogation Trust Beneficiary cannot resolve the Claim Dispute through formal mediation within forty-five (45) days after the appointment of the mediator, the Subrogation Trust Beneficiary shall have the right to move in the Bankruptcy Court to have the Disputed Claim treated as a Paid Claim for all purposes hereunder and under the Allocation Agreement. If such Subrogation Trust Beneficiary has not filed a motion with the Bankruptcy Court within the earlier of (i) ninety (90) days after appointment of a mediator, and (ii) thirty (30) days after mediation concludes with no resolution of the Claim Dispute, the claim amounts set forth by the Trustee in the applicable Distribution Notice shall be binding on such Subrogation Trust Beneficiary and shall be deemed to resolve any Disputed Claims that were the subject of the Appeal Notice for the purposes of making Distributions hereunder. The Trustee shall have the right to object to such motion or to such Subrogation Trust Beneficiary's claim in the Bankruptcy Court (solely on the basis of a determination regarding the verification of its status as a Paid Claim in accordance with the terms of this Allocation Agreement), and such Claim Dispute shall be resolved by entry of a final order of the Bankruptcy Court unless the applicable Subrogation Trust Beneficiary and the Trustee (with the consent of the Trust Advisory Board) consensually resolve such Claim Dispute prior to the Bankruptcy Court's determination and the finality of its order. Any litigation pursuant to this Section 5.1(c) shall be governed by Section 17(b) and 17(c) of the Allocation

Agreement, unless the applicable Party and the Trustee (with the consent of the Trust Advisory Board) consensually resolve such Claim Dispute.

(d) Miscellaneous. The Trustee may consult with any Claims Review Professionals regarding any Disputed Claim at any time during the applicable Claim Dispute. The procedures set forth in this Article V shall apply only to Subrogation Trust Beneficiaries party to the Allocation Agreement, and the Trustee shall have the right to object in the Bankruptcy Court to Non-Party Claims in accordance with the Non-Party Objection Procedures.

ARTICLE VI DISTRIBUTIONS

6.1 Distributions Only on Account of Paid Claims. Notwithstanding anything to the contrary herein the Trustee shall only make distributions (“Distributions”) (a) with respect to Subrogation Claims asserted by parties to the Allocation Agreement, in accordance with this Agreement and the Allocation Agreement or (b) with respect to Non-Party Claims in accordance with the Non-Party Objection Procedures or as otherwise provided herein.

6.2 Non-Cash Recovery.

(a) Subrogation Trust Beneficiary Election. In the event the Plan is amended to accommodate an individual Subrogation Trust Beneficiary’s election to have all or a portion of its Initial Distribution (defined below) paid in a Non-cash Recovery (as defined in the Plan), the Trustee shall work with the Debtors, and take such reasonable steps necessary, to effect the distribution of such Non-cash Recovery to such Subrogation Trust Beneficiary in connection with the Initial Distribution. A Subrogation Trust Beneficiary who elects to receive a Non-cash Recovery in connection with the Initial Distribution shall receive all other Distributions from the Subrogation Trust in the form of cash.

(b) Value of Non-Cash Recovery. The Trustee shall value all Non-cash Recovery, as of the Effective Date pursuant to the valuation metrics set forth in the Plan, or if no such value is set forth in the Plan, as otherwise ordered by the Bankruptcy Court.

6.3 Payment of Distributions

(a) Dates of Distributions. The Trustee shall make Distributions to Subrogation Trust Beneficiaries who are parties to the Allocation Agreement on account of Verified Paid Claims as set forth in the Allocation Agreement and the Subrogation Claims Review Protocol. The initial Distribution made by the Trustee under the Allocation Agreement shall be referred to herein as the “Initial Distribution.” The final Distribution made by the Trustee under the Allocation Agreement shall be referred to herein as the “Final Distribution.”

(b) Distribution Formula. Notwithstanding anything herein to the contrary, the Trustee shall calculate the amount to be distributed in each Distribution to each Subrogation Trust Beneficiary party to the Allocation Agreement in accordance with the Allocation Agreement and the Subrogation Claims Review Protocol.

(c) Holdback Amount. The Trustee shall hold back from each Distribution on Paid Claims, other than the Final Distribution, only those amounts required by the Allocation Agreement (the “Holdback Amount”).

(d) Distribution Agent. The Trustee, with the consent of the Trust Advisory Board, shall have the authority to enter into agreements with one or more entities to make or facilitate Distributions required by the Plan, Confirmation Order, Allocation Agreement and this Agreement (the “Distribution Agent”). The Trustee shall pay to the Distribution Agent all reasonable and documented fees and expenses of the Distribution Agent in accordance with Section 1.2 hereof.

(e) Destination of Payments. The Trustee shall make Distributions either: (i) directly to each Subrogation Trust Beneficiary (or its designee) in accordance with the wire transfer instructions included on such Subrogation Trust Beneficiary’s most recently submitted Distribution Request or (ii) to the Distribution Agent for further Distribution to Subrogation Trust Beneficiaries.

(f) Payments Returned as Undeliverable. In the event that any Distribution to any Subrogation Trust Beneficiary is returned as undeliverable, the Trustee shall not make a subsequent Distribution to such Subrogation Trust Beneficiary unless and until the Trustee has made reasonable efforts to determine the then-current address of such Subrogation Trust Beneficiary, at which time such Distribution shall be made to such Subrogation Trust Beneficiary without interest if such address can be identified; provided, however, that, if such address cannot be identified after reasonable efforts, an undeliverable Distribution shall be deemed unclaimed property at the expiration of one year after date of the attempted undeliverable payment (an “Initial Undeliverable Distribution”) and such Subrogation Trust Beneficiary (the “Undeliverable Subrogation Trust Beneficiary”) shall be deemed to forever relinquish the Initial Undeliverable Distribution, and any subsequent future Distributions to which such Subrogation Trust Beneficiary would otherwise be entitled (collectively, the “Undeliverable Distributions”). After such date, all Undeliverable Distributions shall be returned to the Aggregate Subrogation Recovery and distributed in accordance with the Allocation Agreement to other Subrogation Trust Beneficiaries (but, for the avoidance of doubt, an Undeliverable Subrogation Trust Beneficiary shall not receive the Final Distribution).

(g) De Minimis Distributions. Notwithstanding anything herein to the contrary, the Trustee shall not be required to make on account of a Paid Claim (i) payments of fractions of dollars, or (ii) a Distribution if the amount to be distributed is or has an economic value of less than \$100.00. Any funds so withheld and not distributed shall be held in reserve and distributed in subsequent Distributions. Unless otherwise provided for in this Agreement, all funds in the Subrogation Recovery Reserve (as defined in the Allocation Agreement) shall be distributed in the Final Distribution.

(h) Distributions Less than Zero. The Trustee shall not make any Distributions less than or equal to \$0.

6.4 Treatment of Non-Parties to the Allocation Agreement

(a) Objections. Pursuant to Section 1.54 of the Plan, Non-Party Claims shall be Disputed (as defined in the Plan) as of the Effective Date. The Trustee shall be responsible for litigating and otherwise resolving all Non-Party Claims in accordance with the Non-Party Objection Procedures.

(b) Reserves for Non-Parties. The Trustee shall reserve funds in the Subrogation Recovery Reserve (as defined in the Allocation Agreement) for Non-Party Claims either (i) in an amount agreed upon by the holder of such Non-Party Claims and the Trustee (in consultation with the Trust Advisory Board) or (ii) if such amount cannot be agreed upon in accordance with subsection (i), in such amount as the Bankruptcy Court estimates is sufficient to reserve for Distributions on account of such Non-Party Claims. Such reserves shall remain in the Subrogation Recovery Reserve until such Non-Party Claims are resolved in accordance with the Non-Party Objection Procedures.

(c) Distributions to Non-Parties. In the event (i) the Bankruptcy Court enters a final order pursuant to which a Non-Party Claim is resolved and all or part of such Non-Party Claim becomes Allowed (as defined in the Plan) or (ii) the Trustee and holder of such Non-Party Claims resolve the Non-Party Claims in accordance with the Non-Party Objection Procedures, then the Trustee shall make a Distribution to such holder in accordance with the Bankruptcy Court's order or terms of the consensual resolution. Any excess reserves held by the Trustee on account of such Non-Party Claims shall be available for future Distributions pursuant to this Agreement and the Allocation Agreement. For the avoidance of doubt, the Trustee shall not make a Distribution to any holder of a Non-Party Claim if such Non-Party Claim is Disputed and/or subject to an unresolved objection filed by the Trustee in the Bankruptcy Court.

ARTICLE VII LIABILITY AND INDEMNIFICATION

7.1 No Further Liability. Each of the Trustee, the Members, and any Alternate Representative, and their respective representatives shall have no liability for any actions or omissions in accordance with this Agreement or with respect to the Subrogation Trust to the extent permissible under New York law. In no event shall the Trustee, the Trust Advisory Board, any Member, or any Alternate Representative be liable for indirect, punitive, special, incidental, or consequential damages or loss (including but not limited to lost profits) whatsoever, provided, however, that the provisions of this section shall not apply to the Trustee, the Members, any Alternate Representative and their respective representatives, to the extent any such liability is found in a final judgment by a court of competent jurisdiction (not subject to further appeal) to have resulted from the fraud, gross negligence, or willful misconduct of such party. In performing its duties under this Agreement, the Trustee, the Members, any Alternate Representative and their respective representatives (as applicable) shall have no liability for any action taken by each such Person in accordance with the advice of counsel, accountants, appraisers, and/or other professionals retained by the Members, the Trustee, or their respective representatives, provided that such professionals have been selected with reasonable care. Without limiting the generality of the foregoing, the Trustee, the Members, any Alternate

Representative, and their respective representatives may rely without independent investigation on copies of orders of the Bankruptcy Court reasonably believed by such Person to be genuine and shall have no liability for actions taken in reliance thereon. Except as otherwise provided herein, none of the provisions of this Agreement shall require the Trustee, the Members, any Alternate Representative, or their respective representatives to expend or risk their own funds or otherwise incur personal financial liability in the performance of any of their duties hereunder or in the exercise of any of their rights and powers. Each of the Trustee, the Members, any Alternate Representative, and their respective representatives may rely without inquiry upon writings delivered to such Person pursuant to the Plan or the Confirmation Order that such Person reasonably believes to be genuine and to have been properly given. Any action taken or omitted to be taken in the case of the Trustee or the Trust Advisory Board with the express approval of the Bankruptcy Court will conclusively be deemed not to constitute fraud, self-dealing, intentional misrepresentation, willful misconduct, breach of fiduciary duty, or gross negligence. No termination of this Agreement or amendment, modification, or repeal of this Section 7.1 shall adversely affect any right or protection of the Trustee, the Members of the Trust Advisory Board, any Alternate Representative, or their respective designees, professional agents, or representatives that exist at the time of such amendment, modification, or repeal.

7.2 Indemnification of the Trustee and Trust Advisory Board.

(a) Scope of Indemnification. Each of the Trustee, the Subrogation Trust, the Trust Advisory Board, any Alternate Representative, and each of their respective professionals and representatives (each, a “Subrogation Trust Indemnified Party” and collectively, the “Subrogation Trust Indemnified Parties”) shall be, and hereby is, indemnified and held harmless by the Subrogation Trust, to the fullest extent permitted by applicable law, from and against any and all Claims, debts, dues, accounts, actions, suits, Causes of Action, bonds, covenants, judgments, damages, attorneys’ fees, defense costs, and other assertions of liability arising out of any such Subrogation Trust Indemnified Party’s exercise of what such Subrogation Trust Indemnified Party reasonably understands to be its powers or the discharge of what such Subrogation Trust Indemnified Party reasonably understands to be its duties conferred by the Plan, the Confirmation Order, the Allocation Agreement, or this Agreement, any order of the Bankruptcy Court entered pursuant to, or in furtherance of, the Plan, applicable law, or otherwise (except as prohibited by New York law), provided, however, that the indemnification provided in this Section to any Subrogation Trust Indemnified Party shall not apply to any such loss to the extent such loss is found in a final judgment by a court of competent jurisdiction (not subject to further appeal) to have resulted from the fraud, gross negligence, or willful misconduct of such Subrogation Trust Indemnified Party. The foregoing indemnification shall also extend to matters directly or indirectly in connection with, arising out of, based on, or in any way related to: (i) this Agreement, (ii) the services to be rendered pursuant to this Agreement, or (iii) any document or information, whether oral or written, referred to herein or supplied to the Trustee. To the extent reasonable, pursuant to the foregoing indemnification provision, the Trustee shall pay in advance or reimburse reasonable and documented out-of-pocket expenses (including advancing reasonable costs of defense) incurred by the Subrogation Trust Indemnified Party who is or is threatened to be named or made a defendant or a respondent in a proceeding concerning the business and affairs of the Subrogation Trust, solely out of the Expense Reserve; provided, however, that any Subrogation Trust Indemnified Party receiving any such advance shall execute

a written undertaking to repay such advance if a court of competent jurisdiction ultimately determines, by final order, that such Subrogation Trust Indemnified Party is not entitled to indemnification hereunder. In any matter covered by the first two sentences of this subsection, any party entitled to indemnification shall have the right to employ such party's own separate counsel, at the Subrogation Trust's expense, subject to the foregoing terms and conditions. In addition, the Trustee shall purchase, using funds from the Expense Reserve for the benefit of the Trustee and the Members, insurance coverage, including, without limitation, liability insurance covering the Trustee and the Members and any errors and omissions insurance with regard to any liabilities, losses, damages, claims, costs, and expenses the Trustee or the Members may incur, including, but not limited to, attorneys' fees, arising out of or due to its actions or omissions, or consequences of such actions or omissions with respect to the implementation and administration of the Plan or this Agreement. The indemnification provided under this Section 7.2 shall survive the death, dissolution, resignation, or removal, as may be applicable, of the Trustee, the Trust Advisory Board, any Member, or any other Subrogation Trust Indemnified Party and shall inure to the benefit of the Trustee's, each Member's, and each other Subrogation Trust Indemnified Party's respective heirs, successors, and assigns.

(b) Term of Indemnification. The foregoing indemnity in respect of any Subrogation Trust Indemnified Party shall survive the termination of such Subrogation Trust Indemnified Party from the capacity for which such party is indemnified. Termination or modification of this Agreement shall not affect any indemnification rights or obligations set forth herein.

(c) Waiver of Indemnification Rights. Any Subrogation Trust Indemnified Party may waive the benefits of indemnification under this Section 7.2, but only by an instrument in writing executed by such Subrogation Trust Indemnified Party and delivered to the Trustee.

(d) Indemnification Rights Not Exclusive. The rights to indemnification under this Section 7.2 are not exclusive of other rights which any Subrogation Trust Indemnified Party may otherwise have at law or in equity, including common law rights to indemnification or contribution. Nothing in this Section 7.2 will affect the rights or obligations of any Person (or the limitations on those rights or obligations) under any other agreement or instrument to which that Person is a party.

(e) Indemnitor of First Resort. The Subrogation Trust shall be the indemnitor of first resort for the Subrogation Trust Indemnified Parties (*i.e.*, the indemnification obligations of the Subrogation Trust to any Subrogation Trust Indemnified Party are primary and any obligation of any third-party to provide advancement or indemnification for the same indemnified expenses and liabilities (including all interest, assessment and other charges paid or payable in connection with or in respect of such indemnified expenses and liabilities) incurred by such Subrogation Trust Indemnified Party indemnitee, are secondary). If any third-party pays or causes to be paid on behalf of a Subrogation Trust Indemnified Party, for any reason, any amounts otherwise indemnifiable by the Subrogation Trust, then (i) such third-party shall be fully subrogated to all rights of the applicable Subrogation Trust Indemnified Party to

indemnification hereunder with respect to such payment, and (ii) the Subrogation Trust shall reimburse such third-party for the payments actually made.

7.3 Subrogation Trust Liabilities. All liabilities of the Subrogation Trust, including indemnity obligations under Section 7.2 of this Agreement, will be liabilities of the Subrogation Trust as an entity and will be paid or satisfied solely from the Expense Reserve. No liability of the Subrogation Trust will be payable in whole or in part by any Subrogation Trust Beneficiary individually or in the Subrogation Trust Beneficiary's capacity as a Subrogation Trust Beneficiary, by the Trustee individually or in the Trustee's capacity as Trustee, by any Member individually or in the Member's capacity as Member, or by any representative, member, partner, shareholder, director, officer, professional, employees, agent, affiliate, or advisor of any Subrogation Trust Beneficiary, any Member, the Trustee, or their respective affiliates.

7.4 Limitation of Liability. None of the Subrogation Trust Indemnified Parties shall be liable for indirect, punitive, exemplary, consequential, special, or other damages for a breach of this Agreement under any circumstances.

7.5 Burden of Proof. In making a determination with respect to entitlement to indemnification hereunder, the court, Person, or entity making such determination shall presume that any Subrogation Trust Indemnified Party is entitled to indemnification under this Agreement and any Person or entity seeking to overcome such presumption shall have the burden of proof to overcome that presumption.

ARTICLE VIII TAX MATTERS

8.1 Transfer of Aggregate Subrogation Recovery. The transfer of the Aggregate Subrogation Recovery to the Subrogation Trust shall be exempt from any stamp, real estate transfer, mortgage reporting, sales, use, or other similar tax, pursuant to Section 1146(a) of the Bankruptcy Code. Pursuant to Section 6.19 of the Plan, the transfer of any equity interest as a component of the Aggregate Subrogation Recovery to the Subrogation Trust shall be exempt from registration requirements under applicable securities laws under Section 1145 of the Bankruptcy Code.

8.2 Tax Reporting.

(a) The "taxable year" of the Subrogation Trust shall be the "calendar year" as such terms are defined in section 441 of the U.S. Internal Revenue Code of 1986, as amended ("IRC"). The Subrogation Trust shall use the accrual method of accounting as defined in IRC section 446(c).

(b) The Trustee, acting for this purpose as the administrator (as defined in Treasury Regulations section 1.468B-2(k)) shall (i) obtain an employer identification number for the Subrogation Trust, and (ii) prepare and file, or cause to be prepared and filed, U.S. federal, state, local and foreign tax returns (as applicable) for the Subrogation Trust, consistent with Treasury Regulations section 1.468B-2(k) and corresponding or similar provisions of state and local law, and in accordance with this Section 8.2 and Article 6 of the Plan.

(c) The Trustee shall also file (or cause to be filed) any other statement, return, or disclosure relating to the Subrogation Trust that is required by any governmental unit, including but not limited to information reporting as described in Treasury Regulations section 1.468B-2(l) (or corresponding or similar provisions of state, local, or foreign law).

(d) The Trustee shall obtain from the Debtors a statement required pursuant to Treasury Regulations section 1.468B-3(e) no later than February 15th of the year following each calendar year in which Debtors make a transfer to the Subrogation Trust.

(e) The Trustee shall be responsible for payment, out of the Aggregate Subrogation Recovery, of any taxes imposed on the Subrogation Trust or the Aggregate Subrogation Recovery.

8.3 Withholding of Taxes. The Trustee shall withhold and pay to the appropriate tax or governmental authority all amounts required to be withheld pursuant to the IRC or any provision of any foreign, state, or local tax law with respect to any payment or Distribution to the Subrogation Trust Beneficiaries. All such amounts withheld and paid to the appropriate Tax Authority shall be treated as amounts distributed to such Subrogation Trust Beneficiaries for all purposes of this Agreement. The Trustee shall be authorized to collect such tax information from the Subrogation Trust Beneficiaries (including social security numbers or other tax identification numbers of such Subrogation Trust Beneficiary) as it, in its sole discretion, deems necessary to effectuate the Plan, the Confirmation Order, and this Agreement. In order to receive Distributions under the Plan, all Subrogation Trust Beneficiaries will need to identify themselves to the Trustee and provide tax information and the specifics of their holdings, to the extent the Trustee deems appropriate, including a taxpayer identification number (“TIN”) as assigned by the IRS or, in the case of Subrogation Trust Beneficiaries that are not United States persons for federal income tax purposes, a properly completed applicable IRS Form W-8 (with required attachments, if any). This identification requirement may, in certain cases, extend to holders who hold their securities in street name. The Trustee may refuse to make a Distribution to any Subrogation Trust Beneficiary that fails to furnish such information in a timely fashion, until such information is delivered; provided, however, that, upon the delivery of such information by a Subrogation Trust Beneficiary, the Trustee shall make such Distribution to which the Subrogation Trust Beneficiary is entitled, without interest.

8.4 Expedited Determination of Taxes. The Trustee may request an expedited determination of taxes of the Subrogation Trust under Section 505(b) of the Bankruptcy Code for all returns filed for, or on behalf of, the Subrogation Trust for all taxable periods through the termination of the Subrogation Trust.

8.5 Foreign Tax Matters. The Trustee shall duly comply on a timely basis with all obligations, and satisfy all liabilities, imposed on the Trustee or the Subrogation Trust under non-United States law relating to taxes.

8.6 Qualified Settlement Fund. The Parties, Subrogation Trust, and Subrogation Trust Beneficiaries intend that the Subrogation Trust be classified as a “qualified settlement fund” under Treasury Regulations section 1.468B-1 *et seq.* (and corresponding or similar

provisions of state, local, or foreign law, as applicable), and the Trustee may take any action that it determines is necessary to maintain the Subrogation Trust's status as such; provided, however, that the Debtors may elect to treat the Subrogation Trust as a "grantor trust" for U.S. federal income tax purposes, in which case the Parties, Subrogation Trust, and Subrogation Trust Beneficiaries shall be bound by such election notwithstanding anything in this Agreement to the contrary and, to the extent permitted under applicable law, the Subrogation Trust shall be treated consistently for state and local tax purposes.

ARTICLE IX TERMINATION OF SUBROGATION TRUST

9.1 Termination. The Trust Advisory Board and the Subrogation Trust shall be dissolved at such time as all of the Aggregate Subrogation Recovery including any investment income earned thereon, has been distributed pursuant to the Plan, Confirmation Order, Allocation Agreement, and this Agreement. If at any time the Trustee determines, in consultation with the Trust Advisory Board and in reliance upon the recommendation of such professionals as the Trustee or Trust Advisory Board may retain, that the expense of administering the Subrogation Trust so as to make a Final Distribution to the Subrogation Trust Beneficiaries is likely to exceed the value of the assets remaining in the Subrogation Trust, the Trustee, with the unanimous consent of the Trust Advisory Board, may (i) reserve any amount necessary to dissolve the Subrogation Trust, (ii) donate any balance to a charitable organization (a) described in section 501(c)(3) of the IRC, (b) exempt from U.S. federal income tax under section 501(a) of the IRC, (c) not a "private foundation," as defined in section 509(a) of the IRC, and (d) that is unrelated to the Debtors, the Subrogation Trust, the Trustee and any insider of the Trustee, and the Members of the Trust Advisory Board, and (iii) dissolve the Subrogation Trust. Such date upon which the Subrogation Trust shall finally be dissolved shall be referred to herein as the "Termination Date." The Aggregate Subrogation Recovery including any investment income earned thereon shall be distributed in accordance with the Allocation Agreement on or before the Termination Date. In no event shall the Debtors have any right to refund or reversion with respect to the Aggregate Subrogation Recovery. The Termination Date shall be no later than the date that is five and one-half years after the Effective Date, provided that the Termination Date may be extended for one year to the date that is six and one-half years after the Effective Date if the Trustee (with the consent of the Trust Advisory Board) determines that such an extension is warranted and such extension is approved by the Bankruptcy Court upon a finding that the extension is necessary to the liquidating purpose of the Subrogation Trust. Any such extension must be approved by the Bankruptcy Court on or prior to the date on which the Subrogation Trust would otherwise terminate.

9.2 Continuance of Subrogation Trust for Winding Up. After the termination of the Subrogation Trust and solely for the purpose of liquidating and winding up the affairs of the Subrogation Trust, the Trustee shall continue to act as such until its duties have been fully performed and shall continue to be entitled to receive the fees pursuant to Section 2.2 hereof for a period of time not to exceed three (3) months following the date of termination of the Subrogation Trust. Upon Distribution of all the Aggregate Subrogation Recovery, the Trustee shall retain the books, records, and files that shall have been delivered or created by the Trustee. At the Trustee's discretion, all of such records and documents may be destroyed no earlier than

two years following the date of Final Distribution of Aggregate Subrogation Recovery as the Trustee deems appropriate (unless such records and documents are necessary to fulfill the Trustee's obligations hereunder). Except as otherwise specifically provided herein, upon the termination of the Subrogation Trust, the Trustee shall have no further duties or obligations hereunder.

ARTICLE X AMENDMENT AND WAIVER

10.1 This Agreement shall be irrevocable; provided, that, the Trustee, with the prior unanimous consent of the Trust Advisory Board, may amend, supplement or waive any provision of this Agreement, in a writing signed by the Trustee, without notice to or the consent of the Subrogation Trust Beneficiaries, or the approval of the Bankruptcy Court; provided, further, no amendment, supplement or waiver of or to this Agreement shall (i) adversely affect the payments and/or Distributions to be made under the Plan, the Allocation Agreement, or this Agreement, or (ii) adversely affect the U.S. federal income tax status of the Subrogation Trust as a "qualified settlement fund". Notwithstanding anything to the contrary, if the Allocation Agreement is amended at any time in writing, this Agreement will be deemed to be amended automatically to incorporate any provisions of the Allocation Agreement that are referenced or incorporated by reference herein.

ARTICLE XI MISCELLANEOUS PROVISIONS

11.1 Limitations on Claim Interests for Securities Law Purposes.

(a) The entitlements of the Subrogation Trust Beneficiaries will not be represented by certificates, securities, receipts or in any other form or manner whatsoever, except as maintained on the books and records of the Subrogation Trust by the Trustee as provided in Section 11.2 herein. The death, incapacity or bankruptcy of any Subrogation Trust Beneficiary during the term of the Subrogation Trust shall not (i) operate to terminate the Subrogation Trust, (ii) entitle the representatives or creditors of the deceased party to an accounting, (iii) entitle the representatives or creditors of the deceased party to take any action in the Bankruptcy Court or elsewhere for the distribution of the Subrogation Trust's assets or for a partition thereof or (iv) otherwise affect the rights and obligations of any of the Subrogation Trust Beneficiaries hereunder.

(b) It is intended that the entitlements of the Subrogation Trust Beneficiaries hereunder shall not constitute "securities." To the extent the entitlements of the Subrogation Trust Beneficiaries hereunder are deemed to be "securities," the issuance of any entitlements hereunder or under the Plan shall be exempt, pursuant to Section 1145 of the Bankruptcy Code, from registration under the Securities Act of 1933, as amended (the "Securities Act"), and any applicable state and local laws requiring registration of securities. If the Trustee determines, with the advice of counsel, that the Subrogation Trust is required to comply with registration and/or reporting requirements of the Securities Act, the Securities Exchange Act of 1934, as amended (the "Exchange Act"), the Trust Indenture Act of 1939, as amended (the "Trust

Indenture Act”), or the Investment Company Act of 1940, as amended (the “Investment Company Act”), then the Trustee shall, after consultation with the Trust Advisory Board, take any and all actions to comply with such registration and reporting requirements, if any, and file reports with the Securities and Exchange Commission (the “SEC”) to the extent required by applicable law. Notwithstanding the foregoing procedure, nothing herein shall be deemed to preclude the Trust Advisory Board and Trustee from amending this Agreement to make such changes as are deemed necessary or appropriate by the Trustee, with the advice of counsel, to ensure that the Subrogation Trust is not subject to registration and/or reporting requirements of the Securities Act, the Exchange Act, the Trust Indenture Act or the Investment Company Act.

(c) Except as (i) permitted in this Agreement, including Section 4.4, or (ii) as consented to by the Trustee (such consent not to be unreasonably withheld), no transfer of any entitlement of a Subrogation Trust Beneficiary hereunder may be effected or made; provided, that entitlements of Subrogation Trust Beneficiary hereunder and/or under the Plan may be made by operation of law or by will or the laws of descent and distribution.

11.2 Books and Records.

(a) Information Retention. The Trustee shall receive, manage, analyze and protect all information provided to it by or on behalf of Subrogation Trust Beneficiaries regarding Subrogation Claims.

(b) General Records. The Trustee, and any professionals or advisors retained by or on behalf of the Trustee or the Subrogation Trust, shall maintain good and sufficient books and records of their work relating to the Subrogation Trust including without limitation, as applicable: (i) the Aggregate Subrogation Recovery and the management thereof; (ii) all transactions undertaken by the Trustee; (iii) all expenses incurred by or on behalf of the Trustee, the Trust Advisory Board, and/or the Subrogation Trust; and (iv) all Distributions to Subrogation Trust Beneficiaries contemplated or effectuated, in each case, in such detail and for such period of time as may be necessary to enable it to make full and proper accounting in respect thereof and in accordance with New York law. Such books and records shall be maintained as reasonably necessary to facilitate compliance with the tax reporting requirements of the Subrogation Trust. Nothing in this Agreement requires the Trustee to file any accounting or seek approval of any court with respect to the administration of the Subrogation Trust or as a condition for making any payment or Distribution out of the Aggregate Subrogation Recovery.

(c) Subrogation Claim Records. The Trustee, and any professionals or advisors retained by or on behalf of the Trustee or the Subrogation Trust, shall maintain good and sufficient books and records as applicable relating to each Subrogation Claim reported to it or asserted against the Debtors pursuant to a proof of claim filed in the Chapter 11 Cases, including without limitation: (i) a copy of any proof of claim filed with respect to such Subrogation Claim, including the amount of any claim asserted thereunder, (ii) a copy of each Distribution Request related to such Subrogation Claim; (iii) the identity of the current owner of each Subrogation Claim, (iv) the identity of former owners of each Subrogation Claim, (v) the disposition of each individual Paid Claim, including whether such Subrogation Claim is a Verified Paid Claim, (vi) the amount and date of all Distributions made on account of each Paid

Claim, and confirmation of such Distributions (*e.g.* copies of checks), and (vii) any documentation submitted by or on or behalf of a Subrogation Trust Beneficiary with respect to such Subrogation Claim.

11.3 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of New York (without reference to principles of conflicts of law thereof that would result in the application of law of another jurisdiction).

11.4 Jurisdiction and Waiver of Trial by Jury. The Parties agree that the Bankruptcy Court shall have continuing jurisdiction over any matters concerning or arising out of this Agreement and the Subrogation Claims, including exclusive jurisdiction over disputes arising out of this Agreement or otherwise in connection with the Aggregate Subrogation Recovery. Each Party hereby waives, to the fullest extent permitted by applicable law, any right it may have to a trial by jury in any legal proceeding directly or indirectly arising out of or relating to this Agreement or the transactions contemplated hereby (whether based on contract, tort or any other theory).

11.5 Severability. In the event any provision of this Agreement or the application thereof to any person or circumstances shall be determined by final order to be invalid or unenforceable to any extent, the remainder of this Agreement or the application of such provision to persons or circumstances or in jurisdictions other than those as to or in which it is held invalid or unenforceable, shall not be affected thereby, and each provision of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

11.6 Notices.

(a) Trustee or Members. Any notice or other communication required or permitted to be made under this Agreement shall be in writing and shall be deemed to have been sufficiently given, for all purposes, if delivered personally, by facsimile, by electronic communication from a Party or its counsel, or by nationally recognized overnight delivery service or mailed by first-class mail. The date of receipt of such notice shall be the earliest of (i) the date of actual receipt by the receiving Party, (ii) the date of personal delivery (or refusal upon presentation for delivery), (iii) the date of the transmission confirmation, or (iv) three business days after service by first-class mail, to the receiving Party's below address(es):

11.8 Entire Agreement. 11.11 Conflict. In the event of any conflict between this Agreement and the Allocation Agreement, the Plan, or Confirmation Order, the Allocation Agreement (as that agreement may be amended from time to time) shall control and govern, provided, that, the provisions of Article V hereof shall supersede section 10(c) of the Allocation Agreement, and the provisions of Section 1.2(a) hereof shall supersede section 1(d) of the Allocation Agreement, to the extent of any conflicts.

EXHIBIT B TO THE SUBROGATION WILDFIRE TRUST AGREEMENT

Non-Party Objection Procedures

1. **Litigation of Disputed Subrogation Claims.** Any dispute over the amount of a Party's Paid Claims for the purposes of Distributions under the Allocation Agreement will be resolved by the Trustee, after consultation with the Subrogation Trust Advisory Board, in accordance with the terms of the Allocation Agreement and the Trust Agreement. Subrogation Claims held or asserted by Claimholders who are not Parties to the Allocation Agreement shall be Disputed (as defined in the Plan) as of the Effective Date. The Trustee shall be responsible for litigating and/or consensually resolving all Disputed Subrogation Claims of Claimholders who are not Parties to the Allocation Agreement. The Trustee shall not make any Distributions to such Claimholders on account of such Disputed Claims until and unless such Disputed Subrogation Claims become Allowed (as such terms are defined in the Plan).
2. **Settlement of Disputed Subrogation Claims.** The Trustee, after consultation with the Subrogation Trust Advisory Board, may enter into a settlement with any Claimholder to resolve its Disputed Subrogation Claim(s) (a "Settlement"); provided, that if a Claimholder is not a party to the Allocation Agreement as of the Effective Date, such settlement shall not provide for such Claimholder to receive any more than 90% of the aggregate Distributions it would have received on its Paid Claims under the terms of the Allocation Agreement had such Claimholder been a Party to the Allocation Agreement on the Effective Date and received Distributions on its Paid Claims in accordance with the terms of the Allocation Agreement.
3. **Funds Related to Disputed Claims.** The portion of the Aggregate Subrogation Recovery that is required to be reserved under Section 1(c) of the Allocation Agreement for a Claimholder who is not a Party to the Allocation Agreement shall remain in the Subrogation Recovery Reserve until and unless (i) such Disputed Subrogation Claim becomes Disallowed (in which event the reserved amount shall be distributed by the Trustee to the Parties in accordance with Sections 3(b) and 3(c) of the Allocation Agreement), (ii) such Disputed Subrogation Claim is settled as provided in Section 2 of these Objection Procedures (in which case the reserved amount will be distributed as provided in the Settlement); or (iii) the Bankruptcy Court enters a final order pursuant to which the Disputed Subrogation Claim is resolved and all or part of such Disputed Claim becomes Allowed (in which case, the Trustee shall distribute, out of the amount reserved for such Disputed Subrogation Claim, the amount of such Allowed Claim to the Claimholder, and the balance to Parties in accordance with Sections 3(b) and 3(c) of the Allocation Agreement). In the event the Aggregate Subrogation Recovery is lower than \$11,000,000,000.00, the holder of a Disputed Subrogation Claim that becomes an Allowed Claim shall have its Distribution calculated by dividing (a) the Aggregate Subrogation Recovery by (b) \$11,000,000,000.00, and multiplying such number by the Allowed Claim.

By signing below and submitting the data in the attached Distribution Request Attachment 1, I verify to the best of my knowledge that the values set forth in Column X of the attached are "Paid Claims" as defined in the Subrogation Claims Declaration of Trust (copied below) and have been submitted following my review of the Subrogation Claims Review Protocol:

"Paid Claims" shall mean payments and legally recoverable expenses made to or on behalf of insureds in connection with the Wildfires and the insuring agreement between a Claimholder (as defined in the Allocation Agreement) or Assignor Insurer and its insured, but not including payments of any personal injury or death claims, non-recoverable expenses (including deductibles voluntarily refunded), damages unrelated to the Wildfires and/or arising from the insurer's negligence or bad faith. For the avoidance of doubt, Paid Claims shall also include payments and recoverable expenses made by a holder of Subrogation Claims to or for the benefit of insureds in connection with Wildfires required by California law as a result of an insurer's insolvency.

Subrogation Claim Review Protocol

A. Submission of Required Data

- In order to submit a distribution request for payment from the Subrogation Trust,¹ each Subrogation Trust Beneficiary shall submit its Subrogation Claims data in accordance with the Distribution Request Form attached to the Trust Agreement as Exhibit C ("Distribution Request").²
- A separate Distribution Request must be submitted for each insurer or each carrier group as applicable.³
- Each Subrogation Trust Beneficiary's Distribution Request shall provide the following data in the appropriate columns (as applicable) for each claim:
 1. Tracker number
 2. Insurance Company
 3. Insurance Claim Number
 4. Insurance Policy Number
 5. Date of Loss
 6. Line of Business (Auto, Commercial, Homeowners)
 7. Responsible Fire
 8. File Status (Open/Closed)
 9. Cause of Loss (Fire/Smoke/Evacuation)⁴
 10. Insured Last & First Name
 11. Loss Location Address
 12. Loss Location City
 13. Loss Location State
 14. Loss Location Zip Code
 15. Building/Appurtenant Structure/Debris Removal⁵ Indemnity Payment
 16. Contents/ Business Personal Property/Debris Removal Indemnity Payment
 17. Additional Living Expense/Business Interruption/Loss of Use/Rent Indemnity Payment
 18. Auto/Rental/Loss of Use/Tow/Storage Indemnity Payment
 19. Other Indemnity Payment⁶
 20. Other Indemnity Payment Description

¹ Capitalized terms not otherwise defined shall have the meaning provided to them in the Trust Agreement.

² Any submitted Distribution Request will require the signature of an authorized agent of the Subrogation Trust Beneficiary.

³ For the avoidance of doubt, any Subrogation Trust Beneficiary that has purchased interests in Subrogation Claims from multiple Assignor Insurers shall not be considered a single insurer or carrier group.

⁴ Any Subrogation Trust Beneficiary submitting a Subrogation Claim for payment from the Subrogation Trust must take additional steps to check any causes of loss that are not clearly fire-related and to include in the column labeled "Additional Notes or Information by Submitting Party" how and why such Subrogation Claim falls under a covered wildfire and meets the definition of a "Paid Claim" according to the Allocation Agreement.

⁵ Debris removal indemnity can be found in either building or contents coverage categories. Berger Kahn will work with individual Subrogation Trust Beneficiaries to reconcile any questions Berger Kahn has with respect to the categorization of indemnity payments submitted.

⁶ Any amounts listed in the "Other Indemnity Payment" column will require an explanation in the "Other Indemnity Payment Description" column as to what the "other" coverage is and the basis for that payment.

21. Salvage Recovered and Other Credits
 22. Voluntarily Refunded Deductibles
 23. Total Paid Claim Submitted/Indemnity Paid
 24. Unpaid Case Reserves (using statutory accounting)
 25. Additional Notes or Information by Submitting Party
- Categories 21 (Salvage Recovered and Other Credits) and 22 (Voluntarily Refunded Deductibles) can be reported on an aggregate basis and need not be broken down by associated coverage types. If Salvage Recovered and Voluntarily Refunded Deductibles are reported on an aggregate basis, then the figures provided in the coverage breakdown categories (Categories 15-19) may reflect amounts for Salvage Recovered and Voluntarily Refunded Deductibles but is required to be noted.
 - The insurer or carrier group shall not include or otherwise report unallocated “bulk” reserves and provision for claims incurred but not reported (commonly referred to as pure IBNR) in its Distribution Request(s) and the Subrogation Trust will not hold back for such amounts. For the avoidance of doubt, any Subrogation Claims that are accounted for as IBNR or bulk reserves and thereafter mature into a Paid Claim may be submitted to the Subrogation Trust for payment in subsequent Distribution Requests.
 - For the avoidance of doubt, Unpaid Case Reserves for known/reported Subrogation Claims in the latest Distribution Requests for each insurer or carrier group will be used for the purposes of determining Reserved Claims in the Allocation Agreement. Amounts reported for Unpaid Case Reserves will 1) be consistent with statutory accounting reporting, 2) exclude any reserves in relation to IBNR, and 3) exclude any unallocated “bulk” reserves.
 - Initial Reviews, Level One Reviews, and Level Two Reviews (each as defined and described below) may all be completed in advance of the Effective Date for any Subrogation Trust Beneficiary that voluntarily elects to submit their Subrogation Claims for Initial Review by uploading its Distribution Request via file transfer protocol (“**FTP**”) to Berger Kahn on or after April 1, 2020 and prior to May 15, 2020. In such case, the Distribution Request shall be submitted to the Trustee and the Trustee shall notify the Subrogation Trust Beneficiary of the Results of the Initial Review, and if applicable, the Level One Review and Level Two Review by promptly delivering a report to the such Subrogation Trust Beneficiary following the Trustee’s receipt of the report.

B. Initial Review of Spreadsheet Data Performed by Berger Kahn

- Initial Distribution Requests shall be uploaded via FTP to Berger Kahn.
- Upon submission of the Distribution Request, Berger Kahn shall review all the data provided and notify the Subrogation Trust Beneficiary as quickly as practicable of any identified issues with the reported data (“**Initial Review**”).
- The purpose of the Initial Review is to identify any problems on the face of the reported data, such as whether the Subrogation Claims submitted are associated with the correct Wildfire, Affected Zone and Date of Loss Range, including administrative mistakes (*i.e.* data entry typos/errors) and irregular, unexplained, or extraordinary development of Paid Claims over time on previously Reserved Claims.⁷

⁷ For the avoidance of doubt, the omission of a response to various data fields in the Distribution Request will not be a *per se* reason for invalidating a Subrogation Claim.

- The Initial Review shall also identify and flag any claims that do not fit the Plan's definition of Subrogation Wildfire Claim, *i.e.* claims that do not arise in connection with payments made or to be made by the applicable insurer to insured tort victims, such as claims of any Governmental Unit (as defined in section 101(27) of the Bankruptcy Code, or any claim asserting direct personal injury, regardless of whether the claimant is an insured and has received or will receive a recovery from their insurer. Such claims shall be referred to the Trustee and Trust Advisory Board who will determine collectively how to contest such claims.
- The Trustee shall notify the Subrogation Trust Beneficiary of the results of the Initial Review by promptly delivering a report to such Subrogation Trust Beneficiary following the Initial Review.
- If any inaccuracies are identified, the Subrogation Trust Beneficiary shall have an opportunity to revise its Distribution Request before submitting to the Trustee.
- Once the revised Distribution Request is submitted to the Trustee, Berger Kahn shall advise the Trustee of any problematic Subrogation Claims identified in the Initial Review that have not been omitted or corrected ("**Flagged Initial Review Claims**"), and the revised Distribution Request shall move to a Level One Review detailed in Section C below.
- Following the Initial Review, and before the Distribution Request completes subsequent levels of review, the Trustee shall be authorized to distribute 75% of the distribution the Subrogation Trust Beneficiary would be entitled to under the Allocation Agreement on account of Subrogation Claims included in a Distribution Request that pass the Initial Review and are not Flagged Initial Review Claims (the "**Advance Distribution**"). The Trustee shall act as quickly as practicable to distribute the Advance Distribution, unless the Trustee determines that good cause exists to withhold all or any portion thereof. The Advance Distribution shall be made on the date of the Initial Distribution (as soon as reasonably practicable after the Effective Date) to any Subrogation Trust Beneficiary that voluntarily elects to submit its Subrogation Claims for Initial Review by uploading its Distribution Request via FTP to Berger Kahn prior to [May 15], 2020.
- The Trustee shall oversee the Initial Review process, including by working to resolve any disagreement between the Subrogation Trust Beneficiary and Berger Kahn regarding designation of a Flagged Initial Review Claim. To the extent necessary, the Trustee is authorized to retain additional professionals to review and provide recommendations regarding Berger Kahn's performance and work product.

C. Level One Claims Files Review by SRC (30 days) -- ("Level One Review")

I. Level One Claims Selection and Review

- The Level One Review shall be performed by the members of the subrogation review committee ("**Subrogation Review Committee**" or "**SRC**").
- The purpose of the Level One Review is to identify systemic issues resulting in payments that do not fall within the definition of "Paid Claims"⁸ as defined by the Allocation Agreement.

⁸ "Paid Claims," as such term is used herein, means payments and legally recoverable expenses made to or on behalf of insureds in connection with the Wildfires and the insuring agreement between a Claimholder or Assignor Insurer and its insured, but not including payments of any personal injury or death claims, non-recoverable expenses (including deductibles voluntarily refunded), damages unrelated to the Wildfires and/or arising from the insurer's negligence or bad faith. For the avoidance of doubt, Paid Claims shall also include payments and

- The Level One Review shall include a review of 15 Subrogation Claims files⁹ selected by the reviewing member of the SRC from the Distribution Request consisting of:
 - 5 claims files with indemnity payments equal to or exceeding \$100,000 (or all such claims, if any, if the Distribution Request contains fewer than five such claims);
 - 2 auto claims files (or all such claims, if any, if the Distribution Request contains less than 2 such claims); and
 - 8-15 claims files of any type or size (depending on applicability of the two above categories).
- In addition to the 15 Subrogation Claims files described above, the Level One Review shall also include a review of (i) any Subrogation Claims files with indemnity payments exceeding \$15,000,000 and (ii) any Flagged Initial Review Claims in the revised Distribution Request submitted to the Trustee.
- The Trustee shall notify the Subrogation Trust Beneficiary which Subrogation Claims have been selected for review, and the Subrogation Trust Beneficiary shall promptly collect the applicable files and deliver them to the Trust for Level One Review.
- Each Subrogation Trust Beneficiary's Level One Review shall be conducted by one of the following six law firms on the SRC, each of which shall commence Level One Reviews prior to the Effective Date and be retained by the Trustee following the Effective Date: (i) Berger Kahn, ALC, (ii) Grotefeld Hoffman, (iii) Cozen O'Connor P.C., (iv) Baumann Loewe Witt & Maxwell, PLLC, (v) Law Offices of Shawn Caine, A.P.C., and (vi) Schroeder Loscutoff Stevens LLP.¹⁰
 - For purposes of a Level One Review, no claim file will be reviewed by any member of the SRC who also represents the Subrogation Trust Beneficiary with respect to any Subrogation Claims.
 - To the extent each of the six above law firms represents the Subrogation Trust Beneficiary with respect to Subrogation Claims, then the Trustee may select one of the six firms or retain one or more additional law firms, as contemplated in Footnote 11, to conduct the Level One Review.
- The SRC will complete the Level One Review within 30 days of receipt of the claim files being delivered to the SRC member conducting the review.

II. Satisfying Level One Review

- To pass the Level One Review, the Subrogation Claims files reviewed must support the aggregate Paid Claims of the selected Subrogation Claims with an accuracy of 99% or higher,¹¹

recoverable expenses made by a Claimholder to or for the benefit of insureds in connection with Wildfires required by California law as a result of an insurer's insolvency.

⁹ To the extent a Subrogation Trust Beneficiary submits a Distribution Request of less than 25 Subrogation Claims, the Level One Review shall consist of 60% of all Subrogation Claims associated with such Distribution Request, and the Level Two Review shall review the remainder.

¹⁰ The SRC law firms shall perform the Subrogation Claims files reviews contemplated hereunder at no charge to the Subrogation Trust; provided however, for each Subrogation Claims file reviewed by an SRC law firm in excess of 875 files, the SRC law firm shall be compensated from the Subrogation Trust in the amount of \$200 per file reviewed. The Trustee may but is not required to retain additional law firms with experience in large property subrogation work to serve on the SRC and review Subrogation Claims files pursuant to this protocol, including the following firms: (i) Jang & Associates, LLP, (ii) Stutman Law, (iii) Butler, Weihmuller Katz Craig LLP, and (iv) such other firm(s) as may be identified by the Trustee in consultation with the Trust Advisory Board.

¹¹ The aggregate amount of all Paid Claims selected for review as reflected on a Distribution Request must be less than 101% of the aggregate Paid Claim amount as determined based on the review of the selected individual

and, after removal of any claims with Isolated Errors (defined below), none of the Subrogation Claims files reviewed may exhibit any of the potentially systemic issues identified below.

- The task of the SRC will be to specifically confirm that the following payments are not improperly submitted as a Paid Claim.
1. **Non-Wildfire Claims** – Claims made for insured losses that were not incurred as a result of one of the Wildfires enumerated on Exhibit A of the Trust Agreement and specified geographically on Exhibit E of the Trust Agreement.¹²
 2. **Loss Adjustment Expenses (“LAE”)** – Expenses incurred to adjust the claim. These are business expenses paid by the insurer that are related to the cost of doing business and adjusting the claim and not payments made to or on behalf of an insured as part of the indemnity owed by the insurer.
 3. **Voluntary Deductible Refunds** – Partial or full refunds of deductibles to insureds which are improperly categorized as indemnity payments. A refunded deductible is properly characterized as an indemnity payment (and therefore recoverable) if: (a) it is refunded (or “absorbed”) because the loss exceeded applicable policy limits; or (b) it is refunded pursuant to a policy provision or endorsement.
 4. **Extra-Contractual Payments** – Payments by any carrier made outside of its contractual obligations under the insurance policy to resolve allegations of negligence or bad faith on the part of the insurer. These are payments that are not associated with any of the coverages owed under the underlying insurance policy, but are explicitly payments to resolve allegations regarding the actions of the insurer.¹³ “Extra-contractual” must be interpreted narrowly to cover exceptional payments to resolve bad faith claims, and specifically does not include ordinary course indemnity payment adjustments.
 5. **Net Salvage Proceeds** – Salvage proceeds received by an insurer that were not appropriately accounted for by a reduction of the paid indemnity being claimed in the Distribution Request.
 6. **Voluntary Payments Not Recoverable in Subrogation** – These are any other voluntary payments¹⁴ to an insured or non-insured that do not present a colorable argument of coverage.¹⁵

Subrogation Claim files. When reviewing the Paid Claim amount based on individual Subrogation Claim files reviewed, the SRC and Third-Party Reviewer (defined below) are instructed to perform their review in a commercially reasonable manner.

¹² These geographic areas were developed by the use of qualified fire behavior and spread consultants and approved by the Subrogation Ad Hoc Steering Committee.

¹³ The existence of payments related to a settlement or litigation involving allegations of negligence or bad faith will not be deemed, ipso facto, to be extracontractual or voluntary unless the payments are not tethered to any of the coverages owed under the policy and, rather, additional payments for the sole purpose of satisfying a claim of negligence and/or bad faith on the part of the insurer.

¹⁴ See footnote 13.

¹⁵ It is not the intent of the reviewers to determine if a Subrogation Claim was overpaid or could have been reduced pursuant to the terms or interpretation of the policy, but rather generally subject to equitable subrogation.

7. **Confirmation of Paid Claims Submitted/Indemnity Paid** — Confirm that Total Paid Claims Submitted/Indemnity Paid provided in the Distribution Request reconciles with the payments reported in the reviewed Subrogation Claims files.
 8. **Confirmation of Fire Classification** — Confirm that the “Responsible Fire” provided in the Distribution Request reconciles with the loss address in the claim file.
- For the avoidance of doubt, the SRC is not tasked with (i) confirming or assessing whether the correct amount of indemnity payments were made under the terms of an applicable insurance policy, or (ii) assessing the extent to which the Debtors could assert legal defenses against such Subrogation Claims (*e.g.* defenses under the anti-subrogation rule doctrine).
 - When the reviewer identifies any of the potentially systemic errors enumerated above, the reviewer shall notify the applicable Subrogation Trust Beneficiary of the issue identified and the applicable Subrogation Trust Beneficiary shall have a reasonable time to respond and explain why the identified error does not indicate a systemic issue with its Distribution Request. If the reviewer determines, in the reviewer’s discretion, that the issue identified does not indicate a systemic issue with the Distribution Request, the reviewer shall recommend to the Trustee that such Subrogation Claim be deemed an **“Isolated Error.”** Isolated Errors may include (but are not limited to):
 - (a) administrative mistakes (*i.e.* data entry typos/errors), including with respect to the Responsible Fire and amount of the Paid Claim submitted;
 - (b) insured losses arising from an electrical fire, toaster fire, auto accident, personal injury, or wind damage unrelated to the applicable Wildfire¹⁶; and
 - (c) the inclusion of LAE, voluntary deductible refunds, salvage proceeds, extra-contractual payments and/or payments not recoverable in subrogation, in an isolated claim when the Subrogation Trust Beneficiary can explain (to the reviewer’s and Trustee’s satisfaction) why such inclusion was an isolated issue and does not indicate a systemic issue.
 - The Trustee may (but is not required to) consult with the Trust Advisory Board in reviewing the referred Subrogation Claim to determine whether it constitutes an Isolated Error. If the Trustee agrees that the referred Subrogation Claim is an Isolated Error, the Subrogation Trust Beneficiary shall have the option to remove such claim from its Distribution Request or fix the identified Isolated Error. If the referred claim is removed (or if the reviewer determines that review of an additional claim will help confirm the issue identified is not systemic), the reviewer shall select another Subrogation Claim from the Distribution Request, and complete the review as if the removed Subrogation Claim was not part of the initial selection. When selecting another Subrogation Claim from the Distribution Request, the reviewer may impose reasonable parameters on the replacement Subrogation Claim file to be reviewed. This procedure shall be referred to herein as the **“Isolated Error Procedure,”** and shall be available in the Level One Review, the 30-Claim Level One Review, the Level Two Review, and the Level Three Review.

III. Next Steps Following Level One Review

- The Trustee shall notify the Subrogation Trust Beneficiary of the results of the Level One Review by promptly delivering a report to such Subrogation Trust Beneficiary following the Level One Review.

¹⁶ The list of examples is not intended to be exhaustive.

- If a Distribution Request passes a Level One Review, the Distribution Request shall move to a Level Two Review detailed in Section D below.
- If a Distribution Request fails to pass the Level One Review, the SRC representative that identified any issues shall notify the Subrogation Trust Beneficiary and explain the reasons for such failure.
- The Subrogation Trust Beneficiary shall have the option to address any such issues, and resubmit the Distribution Request for a second Level One Review; provided, such review shall include: (a) any Subrogation Claims identified by the SRC as problematic in the initial Level One Review, and (b) at least thirty (30) Subrogation Claims files selected by the reviewing member of the SRC independently from the initial Distribution Request (using the same selection criteria noted above multiplied by 2) (a “**30-Claim Level One Review**”).¹⁷ The 30-Claim Level One Review shall be completed within forty-five (45) days of submission.
- Re-submitted Distribution Requests that pass a 30-Claim Level One Review move to a Level Two Review detailed in Section D below.
- Re-submitted Distribution Requests that fail a 30-Claim Level One Review shall move to a Level Three Review detailed in Section E below.
- Before the Distribution Request proceeds to the subsequent review the Subrogation Trust Beneficiary may appeal the SRC’s determinations to the Trustee and the Trust Advisory Board, sitting together, which shall have the right to overrule the SRC’s determinations by unanimous consent. If the Trustee and the Trust Advisory Board decline to overrule the SRC, the Distribution Request shall proceed to the subsequent review as set forth above.

D. Level Two Claims Files Review by Third-Party Reviewer (14 Days) – (“Level Two Review”)

I. Level Two Claims Selection and Review

- The Level Two Review shall be performed by a third party claims reviewer (“**Third-Party Reviewer**”).¹⁸ To facilitate Distributions being made to Subrogation Trust Beneficiaries as soon as reasonably practicable after the Effective Date, the Ad Hoc Subrogation Group (or counsel to the Ad Hoc Subrogation Group) may retain the Third-Party Claims Reviewer in advance of the Effective Date. Following the Effective Date, the same Third-Party Claims Reviewer shall be retained by the Trustee.
- The purpose of the Level Two Review is to identify systemic issues resulting in payments that do not fall within the definition of “Paid Claims” as defined by the Allocation Agreement.
- The Third-Party Reviewer shall select and review the claims files of 10 Subrogation Claims listed in the Distribution Request, each of which shall be independently selected and shall not include those reviewed by the SRC in connection with the Level One Review and/or the 30-Claim Level One Review.¹⁹

¹⁷ To the extent a Subrogation Trust Beneficiary elects a 30-Claim Level One Review and there are fewer than 30 Subrogation Claims remaining in the Distribution Request that were not reviewed during Level One Review, the 30-Claim Level One Review shall consist of 60% of all un-reviewed Subrogation Claims associated with such Distribution Request, and the Level Two Review shall review the remainder.

¹⁸ The Trustee and Trust Advisory Board shall have the authority to monitor the performance and internal procedures of the Third-Party Reviewer including ensuring that the Subrogation Claims file reviews are efficient, completed in a timely fashion and limited to the parameters set forth in Section C.II hereof.

¹⁹ To the extent the applicable Distribution Request contains fewer than 10 un-reviewed Subrogation Claims, the Level Two Review shall review each Subrogation Claim not previously reviewed.

- The Trustee shall notify the Subrogation Trust Beneficiary which Subrogation Claims have been selected for review, and the Subrogation Trust Beneficiary shall promptly collect the applicable files and deliver them to the Subrogation Trust for Level Two Review.
- The Third Party Reviewer will complete the Level Two Review within 14 days of receipt of the claim files being delivered to the Subrogation Trust.
- To pass the Level Two Review, the Subrogation Claims files reviewed must support the aggregate Paid Claims of the selected Subrogation Claims with an accuracy of 99% or higher, and none of the Subrogation Claims files reviewed may exhibit any of the systemic issues identified in Section C.II above.
- The Third-Party Reviewer will use the same criteria as the SRC pursuant to Section C.II to confirm that the payments are properly submitted as a Paid Claim, including the Isolated Error Procedure.

II. Next Steps Following Level Two Review

- The Trustee shall notify the Subrogation Trust Beneficiary of the results of the Level Two Review by promptly delivering a report to such Subrogation Trust Beneficiary following the Level Two Review.
- If a Distribution Request passes the Level Two Review, the submission will be referred to the Trustee for payment pursuant to the Allocation Agreement of the remaining amount not already paid pursuant to Section B.
- If a Distribution Request fails the Level Two Review, the Trustee shall notify the Subrogation Trust Beneficiary and explain the reasons for such failure.
 - Distribution Requests failing the Level Two Review that never failed any other review shall have the option to address any identified issues, and resubmit the Distribution Request for a 30-Claim Level One Review.
 - Distribution Requests failing the Level Two Review that previously failed any other review, shall move to a Level Three Review detailed in Section E below.
 - Before the Distribution Request proceeds to the subsequent review the Subrogation Trust Beneficiary may appeal the Third-Party Claims Reviewer's determinations to the Trustee and the Trust Advisory Board, sitting together, which shall have the right to overrule the Third-Party Claims Reviewer's determinations by unanimous consent. If the Trustee and the Trust Advisory Board decline to overrule the Third Party Claims Reviewer, the Distribution Request shall proceed to the subsequent review as set forth above.

E. Level Three Claims Files Review by Third-Party Reviewer (60 Days) – ("Level Three Review")

I. Level Three Claims Selection and Review

- The Level Three Review shall be performed by the Third-Party Reviewer.
- The purpose of the Level Three Review is to identify systemic issues resulting in payments that do not fall within the definition of "Paid Claims" as defined by the Allocation Agreement.
- The Third-Party Reviewer shall (a) review the claims files for any Subrogation Claims identified by the SRC as problematic and not removed from the Distribution Request, and (b) select and review the claims files of 50 Subrogation Claims listed in the Distribution Request, each of which

shall be independently selected from the Distribution Request and shall not include those reviewed in any prior reviews.²⁰

- The Trustee shall notify the Subrogation Trust Beneficiary which Subrogation Claims have been selected for review, and the Subrogation Trust Beneficiary shall promptly collect the applicable files and deliver them to the Subrogation Trust for Level Three Review.
- The Third Party Reviewer will complete the Level Three Review within 60 days of receipt of the claim files being delivered to the Subrogation Trust.
- To pass the Level Three Review, the Subrogation Claims files reviewed must support the aggregate Paid Claims of the selected Subrogation Claims with an accuracy of 99% or higher, and none of the Subrogation Claims files reviewed may exhibit any of the systemic issues identified in Section C.II above.
- The Third-Party Reviewer will use the same criteria as the SRC pursuant to Section C.II to confirm that the payments are properly submitted as a Paid Claim, including the Isolated Error Procedure.

II. Next Steps Following Level Three Review

- The Trustee shall notify the Subrogation Trust Beneficiary of the results of the Level Three Review by promptly delivering a report to such Subrogation Trust Beneficiary following the Level Three Review.
- If a Distribution Request passes a Level Three Review, the submission will be referred to the Trustee for payment pursuant to the Allocation Agreement of the remaining amount not already paid, pursuant to Section B.
- If a Distribution Request fails a Level Three Review, the Distribution Request shall move to a Level Four Review detailed in Section F below; provided, that if the Trustee believes a Subrogation Trust Beneficiary has reconciled or will reconcile a systemic error in advance of a Level Four Review, then in the Trustee's sole discretion, it may refer the Subrogation Trust Beneficiary to a 30-Claim Level One Review, or delay the start of the Level Four Review.
- Before the Distribution Request proceeds to the Level Four Review the Subrogation Trust Beneficiary may appeal the Third-Party Claims Reviewer's determinations to the Trustee and the Trust Advisory Board, sitting together, which shall have the right to overrule the Third-Party Claims Reviewer's determinations by unanimous consent. If the Trustee and the Trust Advisory Board decline to overrule the Third Party Claims Reviewer, the Distribution Request shall proceed to the Level Four Review.

F. Level Four Claims Files Review – 100% Review by Third-Party Reviewer (3 Months) (“Level Four Review”)

I. Level Four Claims Review

- The Level Four Review shall be performed by the Third-Party Reviewer.
- The purpose of the Level Four Review is to review the claim file of each Subrogation Claim submitted in the Distribution Request to identify (a) payments that do not fall within the definition of “Paid Claims” as defined by the Allocation Agreement, (b) administrative mistakes (*i.e.* data entry typos/errors), and (c) any other Isolated Errors.

²⁰ To the extent the applicable Distribution Request contains fewer than 50 un-reviewed Subrogation Claims, the Level Three Review shall review each Subrogation Claim not previously reviewed.

- The Third-Party Reviewer will use the same criteria as the SRC pursuant to Section C.II to confirm that the payments are properly submitted as a Paid Claim.
- The Subrogation Trust shall be authorized to charge any Subrogation Trust Beneficiary whose Subrogation Claims are subject to a Level Four Review [\$200 per claim file reviewed].²¹ The Subrogation Trust may recoup such costs by reducing Distributions to such Subrogation Trust Beneficiary.
- The Third-Party Reviewer shall have 3 months to review Subrogation Claims subject to the Level Four Review.

II. Next Steps Following Level Four Review

- The Third-Party Reviewer shall make a recommendation to the Trustee that sets forth (a) which Subrogation Claims are Verified Paid Claims, and (b) to the extent a Subrogation Claim is deficient, the determination as to the corrected amount of such claim (which may be \$0).
- The Trustee shall notify the Subrogation Trust Beneficiary of the results of the Level Four Review by promptly delivering a report to such Subrogation Trust Beneficiary following the Level Four Review ("Level Four Report").
- Upon receipt of the Level Four Report, the Subrogation Trust Beneficiary shall then have the right to dispute any Subrogation Claim determinations in accordance with the Disputed Claim Procedures set forth in Article V of the Trust Agreement.

G. Subsequently Submitted Claims/Miscellaneous

- In advance of each quarterly Distribution, the Trustee shall send a Distribution Notice to the applicable Subrogation Trust Beneficiary detailing the amount such Subrogation Trust Beneficiary will be paid on the subsequent distribution date in accordance with the Allocation Agreement.
- To perform the calculations necessary to make any Distribution in accordance with the Allocation Agreement (including the Initial Distribution), the Trust shall use the Paid Claims and Reserved Claims data most recently submitted to the Trustee prior to the applicable Reporting Deadline, which may be data submitted with the proof of claim form for Subrogation Trust Beneficiaries that have yet to submit a Distribution Request to the Trust.

If the initial review finds errors, then the claims shall be subject to the standard review under this Subrogation Claims Review Protocol.
- Subsequent payments made on account of Verified Paid Claims that have satisfied a Level Two Review, Level Three Review or Level Four Review can be submitted to the Subrogation Trust for payment. Such additional payments will only be subject to an Initial Review prior to receiving a

distribution and will not need to undergo additional levels of review, unless subsequent payments on any single such claim exceed \$15,000,000 per payment or on cumulative basis for a single Verified Paid Claim, in which case such claim shall be subject to review by a representative of the SRC.

- The Trustee will not personally perform any review of Subrogation Claims unless the Trustee determines, in consultation with the Trust Advisory Board, that good cause exists for such review. The Trustee will endeavor to make sure that any Distribution Request is verified pursuant to the terms of this Subrogation Claims Review Protocol.
- This Subrogation Claim Review Protocol is subject to periodic review by the SRC and the Trust Advisory Board to evaluate the efficiency and effectiveness of the Subrogation Claims review process. PG&E FIRE VICTIM TRUST AGREEMENT

This PG&E Fire Victim Trust Agreement (this “**Trust Agreement**”), dated as of [●], 2020 and effective as of the Effective Date, is in accordance with the Debtors’ and Shareholder Proponents’ Joint Chapter 11 Plan of Reorganization Dated March 16, 2020 (as it may be amended, modified, or supplemented, the “**Plan**”) and effectuates certain agreements made by PG&E Corporation (“**PG&E Corp**”) and Pacific Gas and Electric Company (the “**Utility**”) (collectively, the “**Debtors**,” “**PG&E**,” or the “**Settlors**”), the debtors and debtors-in-possession whose Chapter 11 cases are jointly administered under Case No. 19-30088 in the United States Bankruptcy Court for the Northern District of California (the “**Bankruptcy Court**”), with the approval of the Bankruptcy Court, the Trustee of the Fire Victim Trust (the “**Trustee**”), the Delaware Trustee pursuant to this Trust Agreement and any successor Delaware Trustee serving in such capacity (the “**Delaware Trustee**”), and the members of the Fire Victim Trust Oversight Committee (the “**TOC**”) who are identified on the signature pages hereof.

RECITALS

A. The Debtors have reorganized under the provisions of Chapter 11 of the Bankruptcy Code in cases filed in the United States Bankruptcy Court for the Northern District of California known as *In re PG&E Corporation et al*, Debtors, Jointly Administered Case No. 19-30088 (collectively, the “**Bankruptcy Cases**”).

B. Requisite approval for the entry into this Trust Agreement in accordance with the Restructuring Support Agreement, dated December 6, 2019 (as amended on December 16, 2019), among the Debtors, the TCC, the Consenting Fire Claimants Professionals (as defined therein) has been sought and received.

C. The Confirmation Order has been entered by the Bankruptcy Court and has become final and non-appealable, or such requirements have been waived in accordance with the Plan.

D. As of the December 31, 2019 deadline for submission of claims against the Debtors relating to the wildfires in 2015, 2017, and 2018 listed on **Exhibit 1** attached hereto that were caused by Debtors’ equipment and operations, tens of thousands of claims were filed by persons and entities damaged or who purport to have been damaged in various ways by those wildfires (“**Fire Victims**”).

E. The Plan provides, among other things, for the creation of the PG&E Fire Victim Trust (the “**Fire Victim Trust**” or the “**Trust**”) to evaluate, administer, process, settle, expunge, and resolve all claims of Fire Victims against the Debtors (“**Fire Victim Claims**”), and, to the extent approved and liquidated pursuant to the Fire Victim Claims Resolution Procedures (the “**CRP**”) attached hereto as **Exhibit 2** (“**Approved**”), satisfy and pay all Approved Fire Victim Claims in accordance with the Plan, the Confirmation Order, the Trust Agreement, the CRP and the Registration Rights Agreement, including all related exhibits (collectively, the “**Trust Documents**”), and to prosecute or settle the Assigned Rights and Causes of Action.

F. The Plan provides that, on the Effective Date and continuing thereafter until fully funded by Debtors, the Aggregate Fire Victim Consideration shall be transferred to, vested in, and assumed by the Trustee.

G. Pursuant to the Trust Documents, the Trustee is to use the Trust Assets to satisfy and pay, on a *pro rata basis*, Approved Fire Victim Claims against the Debtors.

H. It is the intent of the Debtors, the Trustee and the TOC that the Trust be administered, maintained, and operated at all times through mechanisms that provide reasonable assurance that the Trust will evaluate, administer, process, settle, expunge, resolve, and, to the extent Approved, compensate Fire Victim Claims pursuant to the CRP in a fair, consistent, equitable manner, and *pro rata basis*, in compliance with the terms of this Trust Agreement and the CPR, and to the extent of available Trust Assets.

I. Pursuant to the Plan, the Trust is intended to qualify as a “qualified settlement fund” within the meaning of section 1.468B-1 *et seq.* of the Treasury Regulations promulgated under section 468B of the Internal Revenue Code of 1986, as amended (the “**QSF Regulations**”), and, to the extent permitted under applicable law, for state and local income tax purposes.

J. The Bankruptcy Court has determined that the Trust and the Plan satisfy all the prerequisites for an injunction pursuant to section 105(a) of the Bankruptcy Code with respect to any and all Fire Victim Claims against the Debtors, with such claims being channeled to the Fire Victim Trust, and such Channeling Injunction has been entered in connection with the Confirmation Order.

NOW, THEREFORE, it is hereby agreed as follows:

SECTION I. **AGREEMENT OF TRUST**

1.1 Creation and Name. The Debtors as Settlers hereby create a trust known as the “PG&E Fire Victim Trust,” which is the Trust provided for and referred to in the Plan. The Trustee may transact the business and affairs of the Trust in the name of the Trust, and references herein to the Trust shall include the Trustee acting on behalf of the Trust. It is the intention of the parties hereto that the PG&E Fire Victim Trust created hereby constitutes a statutory trust under Chapter 38 of title 12 of the Delaware Code, 12 Del. C. Section 3801 *et seq.* (the “Act”) and that this document, along with the other Trust Documents, constitute the governing instruments of the PG&E Fire Victim Trust. The Trustee and the Delaware Trustee are hereby authorized and directed to execute and file a Certificate of Trust with the Delaware Secretary of State in the form attached hereto as Exhibit 3.

1.2 Purpose. The purposes of the Trust are to (i) assume the liability for all Class 5A-III and Class 5B-III Claims against the Debtors, (ii) evaluate, administer, process, settle, defend, expunge, resolve, liquidate Fire Victim Claims, and satisfy and pay all Approved Fire Victim Claims and all Trust Expenses (as defined in Section 1.4(b) below) of the Trust from the Trust Assets (as defined in Section 1.3(a), below) in a fair, consistent, and equitable manner

without regard to the asserted amount of the claim (and in respect of Approved Fire Victim Claims, on a *pro rata* basis), , (iii) prosecute or settle all Assigned Rights and Causes of Action, (iv) preserve, hold, manage, monetize and maximize the Trust Assets for use in paying and satisfying Approved Fire Victim Claims on a *pro rata basis* and for use in paying all Trust Expenses, all in accordance with the terms of the Trust Documents, and (iv) otherwise comply in all respects with the Trust Documents. In order to be able to effectuate these purposes, the Trustee, Delaware Trustee, Claims Administrator, Claims Processor, Neutrals, and their agents, shall have no interest in and at all times shall be independent of the Debtors, the Fire Victim Claimants, the TOC, and their agents. Pre-Effective Date appointments, retentions and/or applications of the Trustee, Claims Administrator or any Professional in the Bankruptcy Cases shall not prevent the Trustee, Claims Administrator or any Professional from being deemed independent.

1.3 Transfer of Assets.

(a) Pursuant to, and in accordance with Section 6.7 of the Plan, beginning upon the Effective Date and continuing thereafter until fully funded by Debtors, the Trustee will receive the Aggregate Fire Victim Consideration to fund the Trust and use the Aggregate Fire Victim Consideration, any other assets transferred to the Fire Victim Trust pursuant to the Plan, and any income earned or proceeds derived from all such assets (collectively, the “**Trust Assets**”) to resolve all Fire Victim Claims against the Debtors, satisfy the terms of any court-approved settlement agreements entered into pursuant to the Plan that provide for Trust payment obligations, if any, and pay all Trust Expenses. The Trust Assets will be transferred free and clear of any liens, encumbrances, charges, claims, interests or other liabilities of any kind by the Debtors, any creditor, or other entity except as provided in the Plan and this Trust Agreement. To the extent certain assets comprising the Trust Assets, because of their nature or because such assets will accrue or become transferable subsequent to the Effective Date, and cannot be transferred to, vested in, and assumed by the Trust on such date, such assets shall be automatically, and without further act or deed, transferred to, vested in, or assumed by the Trust as soon as reasonably practicable after such date. The Debtors shall execute and deliver such documents as the Trustee reasonably requests to transfer and assign any assets to fund the Trust and the Trustee on behalf of the Trust, is authorized, to the extent necessary, such documents. No monies, choses in action, and/or assets comprising the Trust Assets that have been transferred, granted, assigned, or otherwise delivered to the Trustee shall be used for any other purpose other than for the payment, defense, or administration of the Fire Victim Claims and the payment of Trust Expenses.

(b) In furtherance of, and without limiting, the foregoing:

(i) On the Effective Date, the Debtors shall irrevocably, grant, and assign to the Trust, and the Trust shall receive and accept, any and all of the rights in the 2015 Insurance Policies that constitute part of the Aggregate Fire Victim Consideration, including the right to enforce obligations of the insurance companies under the 2015 Insurance Policies (the “Insurance Companies”) to pay any Fire Victim Claims or to reimburse the Debtors for such Fire Victim Claims (the “Insurance Rights Transfer”).

(ii) The Insurance Rights Transfer is made free and clear of all Claims, Liens, encumbrances, or Causes of Action of any nature whatsoever, except available limits of liability for coverage of certain types of Claims under one or more Insurance Policies that may have been reduced by certain prepetition payments made by an Insurance Company to, or on behalf of, one or more of the Debtors.

(iii) The Trust shall become liable for and shall satisfy, solely from the Trust Assets and to the extent required under applicable law, any premiums, deductibles, self-insured retentions, and any other amounts arising in any way out of the receipt of any payment from an Insurance Company.

(iv) The Insurance Rights Transfer is made to the maximum extent possible under applicable law.

(v) The Insurance Rights Transfer is absolute and does not require any further action by the Debtors, the Reorganized Debtors, the Trust, the Bankruptcy Court, or any other Entity.

(vi) The Parties hereto intend that the Insurance Rights Transfer shall be governed by, and construed in accordance with, the Bankruptcy Code and other applicable laws governing the Insurance Policies.

(c) The income of the Trust (after payment of all taxes thereon) shall be added to the Trust Assets and used in accordance with the purposes of the Trust as set forth in Section 1.2 hereof.

1.4 Acceptance of Assets and Assumption of Liabilities.

(a) In furtherance of the purposes of the Trust, the Trustee hereby expressly accepts the transfer to the Trust of the Trust Assets and any other transfers in the time and manner and subject to the terms contemplated in the Trust Documents. For the avoidance of doubt, the Trust Assets shall include all claims and Causes of Action of the Debtors that were not waived, exculpated, or released in accordance with the provisions of the Plan, the Confirmation Order, or a Final Order of the Bankruptcy Court, and all of the Debtors' rights with respect to the Trust Assets, including attorney-client privilege and work product. The Trustee shall succeed to all of the Debtors' respective right, title, and interest in the Trust Assets, including but not limited to standing to commence, pursue, abandon, or settle Causes of Action, and the Debtors will have no further equitable or legal interest in, or with respect to, the Trust Assets or the Trust.

(b) In furtherance of the purposes of the Trust, and subject to the terms of the Trust Documents, the Trustee expressly assumes (i) all liabilities and responsibility for all Fire Victim Claims against the Debtors, and (ii) all reasonable fees and expenses incurred in pursuing the Trust Assets, administering the Trust, managing the Trust Assets, and making distributions in accordance with the Trust Documents, (the "**Trust Expenses**"), all of which items under clauses (i) and (ii) shall be paid from the Trust Assets, such that the Reorganized Debtors shall not have any further financial or other responsibility or liability therefor, except as otherwise expressly set forth in the Trust Documents. Except as otherwise provided in the Trust Documents, the Trust

shall have all defenses, cross-claims, offsets, and recoupments, as well as rights of insurance, indemnification, contribution, subrogation, and similar rights, regarding such claims that the Debtors or Reorganized Debtors have or would have had under applicable law.

(c) The parties hereto intend that the Trust be classified as a “qualified settlement fund” under the QSF Regulations (and corresponding or similar provisions of state, local, or foreign law, as applicable). No provision herein or in the CRP shall be construed or implemented in a manner that would cause the Trust to fail to qualify as a “qualified settlement fund” under the QSF Regulations, and, to the extent permitted under applicable law, the Trust shall be treated consistently for state and local tax purposes.

(d) Nothing in this Trust Agreement shall be construed in any way to (i) limit the scope, enforceability, or effectiveness of the Channeling Injunction or any other injunction or release issued or granted in connection with the Plan or (ii) subject to the provisions of Section 1.4(b) above, limit the Trust’s assumption of all liability for Fire Victim Claims against the Debtors.

(e) **Claimant Release.** As further described in the CRP, the Trust shall require all holders of Approved Fire Victim Claims to execute a release in substantially the same form and content as either the Claimant Release and Indemnification in Connection With the Fire Victim Trust Awards or the Entity Claimant Release and Indemnification in Connection With the Fire Victim Trust Awards attached hereto as **Exhibit 4** (the “**Claimant Release**”) as a precondition to receiving any payment on account of their Fire Victim Claims from the Trust.

(f) **Made Whole Release.** Pursuant to and subject to Section 4.25(f)(ii) of the Plan and the Confirmation Order, and as further described in the CRP, and except with respect to any settlement or other agreement regarding the Fire Victim Claims asserted by Adventist Health System/West and Feather River Hospital d/b/a Adventist Health Feather River, the Trust shall require all Claimants who hold Approved Fire Victim Claims to execute a release in substantially the same form and content as and the Mutual Made Whole Release attached hereto as **Exhibit 5** (the “**Mutual Made Whole Release**”) upon the Claimant’s acceptance of the Claimant’s Total Allocation Award. A Claimant’s acceptance of the Total Allocation Award does not establish that the Claimant has been fully compensated under California law for their compensable damages as a result of the fire to the extent those damages are covered by insurance, and the Claimant is not agreeing as a factual matter that the Claimant has been fully compensated for each and every category of their damages under California law.

1.5 Beneficial Owners.

(a) To the extent required by the Act, the beneficial owners (within the meaning of the Act) of the PG&E Fire Victim Trust (the “**Beneficial Owners**”) shall be the holders of the Class 5A-III and Class 5B-III Claims against the Debtors, provided that, (i) the holders of such Class 5A-III and Class 5B-III Claims, as Beneficial Owners, shall have only such rights with respect to the Fire Victim Trust and its assets as are set forth in the Trust Documents, and (ii) no greater or other rights, including upon dissolution, liquidation or winding up of the Fire Victim Trust, shall be deemed to apply to the holders of such Class 5A-III and Class 5B-III Claims in their capacity as Beneficial Owners.

(b) No Beneficial Owner shall be entitled to (i) hold any title in or to the Trust Assets (which title shall be vested in the Trust) or (ii) any right to call for a partition or division of the Trust Assets or to require an accounting. For the avoidance of doubt, Beneficial Owners shall not have rights comparable to shareholders of a corporation (other than limited liability, as provided in Section 3803(a) of the Act).

(c) Subject to giving reasonable notice, a Beneficial Owner may request information and documents relating to their claim from the Claims Administrator, but shall have no right to request information relating to claims of other Beneficial Owners.

1.6 Jurisdiction. The Bankruptcy Court shall have exclusive jurisdiction with respect to any action relating to or arising out of the Trust. Only in the event that the Bankruptcy Court does not have subject matter jurisdiction, then the Superior Court of California for the County of San Francisco shall have exclusive jurisdiction of all matters relating to or arising out of the Trust. The court having exclusive jurisdiction pursuant to this Section 1.6 shall be referred to hereinafter as the “Court of Exclusive Jurisdiction.” For the avoidance of doubt, nothing in this Section 1.6 shall affect, impair, alter, modify or supersede the procedures contained in the CRP or the authority granted to the Trustee under the Trust Documents to, *inter alia*, evaluate, administer, process, settle, expunge, and resolve all Fire Victim Claims under the CRP in the manner and to the effect set forth therein.

SECTION II.

POWERS AND TRUST ADMINISTRATION

2.1 Powers.

(a) The Trustee is and shall act as the fiduciary to the Trust in accordance with the provisions of this Trust Agreement. The Trustee shall administer the Trust, the Trust Assets, and any other amounts to be received under the terms of the Trust Documents in accordance with the purposes set forth in Section 1.2 above and in the manner prescribed by the Trust Documents. Subject to the limitations set forth in the Trust Documents, the Trustee shall have the power to take any and all actions that in the judgment of the Trustee are necessary or proper to fulfill the purposes of the Trust, including, without limitation, each power expressly granted in this Section 2.1, any power reasonably incidental thereto and any trust power now or hereafter permitted under the laws of the State of Delaware. Nothing in this Trust Agreement, the Plan, any Trust Document or any related document shall require the Trustee to take any action if the Trustee reasonably believes that such action is contrary to law. In addition to all powers enumerated in the Trust Documents, from and after the Effective Date, the Trust shall succeed to all of the rights and standing of the Debtors with respect to the Assigned Rights and Causes of Action in its capacity as a trust administering assets for the benefit of the Fire Victims. In the event of any ambiguity or conflict between the terms of this Trust Agreement and the Plan, any other Trust Document, or any related document required or provided for under the Trust Documents, the Trustee shall be permitted to act in accordance with his reasonable belief, with or without advice of counsel, as he determines in his sole discretion, as to what action (or inaction) is required or permitted pursuant to this Trust Agreement, provided that, for the avoidance of doubt, the Trustee shall be required to consult on, or obtain consent with respect to,

only those certain matters as expressly provided for in this Trust Agreement, the CRP and any other Trust Documents.

(b) The Trustee will be appointed as the representative of each of the Debtors' estates pursuant to sections 1123(a)(5), (a)(7), and (b)(3)(B) of the Bankruptcy Code and as such will be vested with the authority and power (subject to this Trust Agreement) to, among other things, prosecute and settle all Assigned Rights and Causes of Action in his capacity as a trustee for the benefit of the Fire Victims. As the representative of the Debtors' estates, and in his or her capacity as a trustee for the benefit of the Fire Victims, the Trustee will succeed to the standing and all of the rights and powers of the Debtors and their estates with respect to all Assigned Rights and Causes of Action assigned and transferred to the Trust whether or not such claims are pending in filed litigation. The Trustee will be substituted for and will replace the Debtors, their estates, and/or any official committee appointed in any related action, and is authorized to appear before any court or tribunal in any proceeding that related to or affects to the Trust or Trust Assets.

(c) Unless otherwise expressly provided for under the Plan or the Confirmation Order, on the Effective Date all Assigned Rights and Causes of Action will vest in the Trustee free and clear of all claims, liens, encumbrances, charges, and other interests, subject to the provisions of the Trust Documents. On and after the Effective Date, the transfer of the Assigned Rights and Causes of Action to the Trust will be deemed final and irrevocable and distributions may be made from the Trust.

(d) Except as required by applicable law or the Trust Documents, the Trustee need not obtain the order or approval of any court in the exercise of any power or discretion conferred hereunder.

(e) Without limiting the generality of Section 2.1(a) above, and except as limited in this Trust Agreement and by applicable law, the Trustee shall have the power to:

(i) receive and hold the Trust Assets and exercise all rights with respect thereto, including the right to sell any securities that are included in the Trust Assets and purchase securities and other assets that are to be included in the Trust Assets, all of which shall be subject to the limitations set forth in Sections 3.2 and 3.3 below;

(ii) subject to the terms of any agreements entered into pursuant to the Plan that provide otherwise, exercise the right to vote given to owners of New HoldCo Common Stock that are included in the Trust Assets, except that in exercising the right to vote for the election of members of the Board of Directors of New HoldCo, to the extent applicable, the Trustee shall do so only after obtaining the consent of the TOC;

(iii) invest the monies and other assets held from time to time by the Trust, subject to the limitations set forth in Sections 3.2 and 3.3 below;

(iv) sell, transfer, or exchange any or all of the Trust Assets at such prices and upon such terms as the Trustee may determine proper in consultation with the Investment Advisor and consistent with the other terms of the Trust Documents;

(v) enter into leasing and financing agreements with third parties to the extent such agreements are reasonably necessary to permit the Trust to operate;

(vi) determine and pay liabilities and expenses created, incurred, or assumed by the Trust, except that the Claims Administrator (as defined in Section 2.3, below) shall have all rights, responsibilities, and powers related to the resolution of any Fire Victim Claims in accordance with the Trust Documents;

(vii) prepare analyses and budget(s), both of which may be updated from time to time, of all Fire Victim Claims (“Claims Budget”) in order to determine the fair and appropriate amount to be distributed on Approved Fire Victim Claims as such claims become Approved, which takes into account the existence of the Approved Fire Victim Claims that have not yet been paid and Fire Victim Claims that have not yet become Approved Fire Victim Claims, including by maintaining sufficient Trust Assets on hand as deemed by the Trustee, in his or her sole discretion (based on, among other things, the Claims Budget), to be necessary and prudent in carrying out the purposes of the Trust, including, but not limited to, to ensure that all Approved Fire Victim Claims receive a *pro rata* distribution or as close thereto as possible, regardless of when such claim is fully administered under the terms of the Trust and CRP such that it becomes an Approved Fire Victim Claim;

(viii) establish such funds, reserves, and accounts within the Trust, as deemed by the Trustee, in his or her sole discretion, to be useful in carrying out the purposes of the Trust;

(ix) assign Neutrals (as defined in Section 7.1 of this Trust Agreement), to serve on the Complex Panel (as defined in Section 7.1 of this Trust Agreement). Neutrals shall be randomly assigned from the Panels to the specific tasks enumerated in the CRP;

(x) appoint an independent appeals officer (the “**Appeals Officer**”) to determine whether an appeal from a Determination of the Claims Administrator should be heard by a Neutral from the General Panel or by a Neutral from the Complex Panel;

(xi) sue, be sued, and participate as a party or otherwise in any judicial, administrative, arbitral, or other proceeding;

(xii) supervise and administer the Trust in accordance with this Trust Agreement and the CRP;

(xiii) appoint such officers and retain such employees, consultants, advisors, independent contractors, experts, and agents and engage in such legal, financial, accounting, investment, auditing, forecasting, and alternative dispute resolution services and activities as the business of the Trust requires, and delegate to such persons such powers and authorities as the fiduciary duties of the Trustee permit and as the Trustee, in his or her discretion, deems advisable or necessary in order to carry out the terms of this Trust Agreement;

(xiv) subject to the Budget (as defined in Section 2.2(d)(i), below) and Sections 5.6(b) and 5.8 below, reimburse the Trustee and pay reasonable compensation to any

employees, consultants, advisors, independent contractors, experts, and agents for legal, financial, accounting, investment, auditing, forecasting, and alternative dispute resolution services and activities;

(xv) subject to the Budget and Sections 2.3(c), 5.6(b), 5.7, 5.8, and 6.6 below, reimburse the Trustee, Delaware Trustee, Claims Administrator, TOC and other employees, consultants, advisors, independent contractors, experts, and agents for all reasonable out-of-pocket costs and expenses incurred by such persons in connection with the performance of their duties hereunder;

(xvi) execute and deliver such instruments as the Trustee considers proper in administering the Trust;

(xvii) enter into such other arrangements with third parties as are deemed by the Trustee to be useful in carrying out the purposes of the Trust, provided such arrangements do not conflict with any other provision of this Trust Agreement;

(xviii) in accordance with Section 5.7 below, defend, indemnify, and hold harmless (and purchase insurance indemnifying) the Trust Indemnified Parties (as defined below) solely from the Trust Assets and to the fullest extent permitted by law, however, notwithstanding anything to the contrary herein, no party shall be indemnified or defended in any way for any liability, expense, claim, damage, or loss for which he or she is ultimately liable under Section 5.4 below;

(xix) delegate any or all of the authority herein conferred with respect to the investment of all or any portion of the Trust Assets to any one or more reputable institutional investment advisors or investment managers without liability for any action taken or omission made because of any such delegation, except as provided in Section 5.4 below;

It is intended that a signed copy of this Agreement shall serve as adequate proof of the Trustee’s authority to act if such proof is required for any reason by any third party.

2.2 General Administration. The Trustee shall act in accordance with this Trust Agreement.

(a) The timeframes and deadlines related to the administration of the Trust as set forth in this Trust Agreement and the CRP are subject to adjustment and extension by: (i) the Trustee, in his or her reasonable discretion; and (ii) upon request of the TOC, for good cause and in consultation with the Trustee. The Trustee, in consultation with the TOC, may promulgate and adopt trust bylaws that are consistent with the terms of the Trust Agreement (“**Trust Bylaws**”). In the event Trust Bylaws are adopted, then the Trust Bylaws, if any, shall govern the affairs of the Trust. In the event of any inconsistency between the Trust Bylaws (if any) and this Trust Agreement, this Trust Agreement shall govern.

(b) The Trustee shall be the “administrator” of the Trust within the meaning of Treasury Regulations section 1.468B-2(k)(3) and, in such capacity, shall (i) timely file such income tax and other returns and statements required to be filed and shall timely pay all taxes required to be paid by the Trust out of the Trust Assets, which assets may be sold by the Trustee to the extent necessary to satisfy tax liabilities of the Trust and (ii) comply with all applicable reporting and withholding obligations.

(c) The Trustee shall timely account to the Bankruptcy Court as follows:

(i) The Trustee shall engage a firm of independent certified public accountants (the “Trust Accountants”) selected by the Trustee, to audit, and the Trustee shall file with the Bankruptcy Court, within one hundred and twenty (120) days following the end of each fiscal year, an annual report (the “**Annual Report**”) containing special-purpose financial statements of the Trust (including, without limitation, the assets and liabilities of the Trust as of the end of such fiscal year and the additions, deductions and cash flows for such fiscal year) audited by the Trust Accountants and accompanied by an opinion of such firm as to the fairness in all material respects of the special-purpose financial statements. The Trustee shall provide a copy of such Annual Report to the Claims Administrator and the TOC, and shall publish it on the Trust Website when such report is filed with the Bankruptcy Court.

(ii) In connection with the filing of the Annual Report, the Trustee shall cause to be prepared and filed with the Bankruptcy Court a report containing a summary regarding the number and type of claims disposed of during the period covered by the financial statements (the “**Claims Report**”). The Trustee shall provide a copy of the Claims Report to the Claims Administrator and the TOC, and shall publish it on the Trust Website when such report is filed with the Bankruptcy Court.

(iii) All materials filed with the Bankruptcy Court by this Section 2.2(c) need not be served on any parties in the Bankruptcy Cases but shall be available for inspection by the public in accordance with procedures established by the Bankruptcy Court.

(i) The Trustee shall cause to be prepared, as soon as practicable prior to the commencement of each fiscal year, a budget (the “**Budget**”) covering the administrative costs and expenses of the Trust (including: (a) compensation for the Trustee and the Trustee’s consultants, professionals, advisors, independent contractors, experts, and agents; (b) compensation for the Claims Administrator and the Claims Administrator’s professionals; and (c) compensation for the Delaware Trustee) for such fiscal year and the succeeding four fiscal years. Prior to the Trustee preparing the Budget for each year, the TOC shall provide the Trustee with its reasonable estimates of necessary expenses to be incorporated into the Budget. The Trustee shall provide a copy of each Budget to the TOC. The Trustee shall cause the initial Budget to be prepared promptly following the Effective Date.

(ii) The Trustee shall undertake to manage the expenses of the Trust in accordance with the Budget, with the goal of not exceeding the aggregate amount of 120% of the Budget for any fiscal year, absent reasonably unforeseen circumstances.

(e) The Trustee shall consult with the TOC (i) on matters not contemplated by this Trust Agreement regarding the general implementation and administration of the Trust, (ii) on matters not contemplated by this Trust Agreement regarding the general implementation and administration of the CRP and (iii) on such other matters as may be required under this Trust Agreement and the CRP.

(f) The Trustee shall be required to obtain the consent by vote of a simple majority of the TOC pursuant to the notice and quorum requirements set forth in Section 6.6 herein to:

(i) amend, supplement, modify, terminate or extend the term of the Trust in any respect;

(ii) amend, supplement or modify the Trust Agreement in any respect;

(iii) amend, supplement or modify the CRP in a manner that the Trustee determines, in his or her reasonable discretion, materially affects: (x) the process or processes for submitting Fire Victims Claims for evaluation under the CRP; or (y) the process or processes for evaluating and administering Fire Victims Claims under the CRP. For the avoidance of doubt, and in no way expanding the limitations provided in the foregoing, the TOC shall have no consent right or rights over any amendment, supplement, or modification to the CRP in any other respect, including in respect of valuation, estimation, or budgeting under the CRP including any valuation, estimation, determination or budgeting of any Fire Victim Claim, group of Fire Victim Claims or category of Fire Victim Claims, *provided that* the Trustee may determine, in his or her sole discretion to consult the TOC on such and all other matters related to the CRP;

(iv) change the form of the Claimant Release to be provided pursuant to the CRP or this Trust Agreement (for the avoidance of doubt, the form of Mutual Made Whole Release shall be in the form attached to the Plan, and shall not be amended absent an amendment to the Plan);

(v) subject to the terms of any agreements entered into pursuant to the Plan that provide otherwise, exercise the right to vote for the election of members of the Board of Directors of New HoldCo, to the extent applicable;

(vi) settle any litigation involving Trust Assets or rights relating to Trust Documents, except that the Trustee shall not be required to obtain the consent of the TOC to the extent that such settlements involve Trust Assets below a minimum threshold set by the Trustee in consultation with the TOC;

(vii) make Trust expenditures in excess of 120% of the Budget;

(viii) approve the Budget;

(ix) sell, transfer, or exchange any or all of the Trust Assets at such prices and upon such terms as the Trustee may determine proper in consultation with the

Investment Advisor and consistent with the other terms of this Trust Agreement, except that the Trustee shall not be required to obtain the consent of the TOC to the extent that such dispositions involve Trust Assets below a minimum threshold set by the Trustee in consultation with the TOC; or

(x) adopt, upon the advice of an Investment Advisor (as defined in Section 3.3(c) below), a Sell-Down Plan (as defined in Section 3.3(b) below) for New HoldCo Common Stock held by the Trust as part of the Trust Assets;

(g) Trust Website. The Trustee shall publish information on the Trust Website as he deems prudent in his or her sole discretion. The Trustee has no obligation to provide, and Beneficial Owners have no right to receive, information regarding the operation of the trust except as provided in Section 2.2(c) above.

2.3 Claims Administration. Cathy Yanni shall serve as claims administrator whose role it is to assist the Trustee in the resolution of the Fire Victim Claims in accordance with the CRP and provide such information necessary for the Trustee to implement the CRP (the “Claims Administrator”). The Claims Administrator shall have reasonable discretion in the means and methods in carrying out the duty of resolving Fire Victim Claims consistently with the CRP.

(a) The Claims Administrator shall serve from the date of retention until the termination of the Trust. Prior to the termination of the Trust, the Claims Administrator shall be removable by agreement of the Trustee and the vote of at least two-thirds of the members (the “**Supermajority Vote**”) of the TOC for cause, which shall be defined as the substantial, repeated, or prolonged failure to carry out the duties and obligations defined in Section 2.3(b) below. If a Claims Administrator is removed or if there is a vacancy for any other reason, the Trustee and a majority of members of the TOC shall appoint the successor Claims Administrator, provided however, that if the Trustee and a majority of the members of the TOC cannot agree on the successor Claims Administrator, the Bankruptcy Court shall make the appointment.

(b) Without limiting the generality of Section 2.3 above, and except as limited below, the Claims Administrator, in conjunction with the Trustee, shall have the power and obligation to:

(i) evaluate, disallow, resolve, settle, and approve any and all Fire Victim Claims in accordance with the CRP without the need to seek the approval of the Bankruptcy Court for any actions taken with respect to the determination of Fire Victim Claims;

(ii) authorize payment of any and all Approved Fire Victim Claims in accordance with the CRP;

(iii) propose changes to the CRP;

(iv) hire such professionals, including: (i) professionals retained by the Trustee; and (ii) entities affiliated with the Claims Administrator and employees, officers, and directors of such entities as necessary to perform its duties hereunder to resolve the Fire Victim Claims subject to approval by the Trustee;

- (v) act as liaison between the Trustee and the Neutrals; and
- (vi) serve as chair of any joint meeting of the Neutrals.

(c) The Claims Administrator will be compensated at the hourly rate of \$1,250.00. The Trust will promptly reimburse the Claims Administrator for all reasonable out-of-pocket costs and expenses incurred by the Claims Administrator in connection with the performance of the duties set forth in the Trust Documents.

(d) The Claims Administrator shall retain BrownGreer PLC, which shall assist the Claims Administrator in the calculation and processing of claims (the “**Claims Processor**”) and such other professionals as the Claims Administrator determines is necessary and appropriate for the calculation and processing of claims. The Claims Administrator shall have the power to replace the Claims Processor if at any time the Claims Administrator and Trustee determine, in consultation with the TOC, that the replacement of the Claims Processor is prudent and necessary to continue the efficient processing of claims pursuant to the CRP.

2.4 Claim Approval and Denial.

(a) The CRP shall govern the process by which, each Fire Victim Claim shall be evaluated, administered, processed, settled, expunged, determined and resolved on a final basis. At all times, the Trustee, the Claims Administrator, Claims Processor, and/or one or more members of the Panel of Neutrals described herein shall act in accordance with and consistent with the CRP. Only Approved Claims, which are approved in accordance with the CRP, shall be entitled to payments from the Trust, and any Fire Victim Claim determined to be ineligible on a final basis under the CRP shall have no entitlement to payments from the Trust and shall forever be denied, disallowed and expunged. Any objections to Fire Victim Claims with respect to their eligibility or valuation shall be resolved consistently with the CRP.

(b) In furtherance of, and consistent with, the purpose of the Trust Documents, the Claims Administrator, in conjunction with the Trustee, shall have the power and authority to determine the eligibility, amount, and allowance of Fire Victim Claims, at all times subject to the CRP (as may be amended, modified or supplemented), which was filed with the Plan Supplement and incorporated into the Confirmation Order. The Claims Administrator, in conjunction with the Trustee shall evaluate proofs of claim and other claims materials submitted by each holder of a Fire Victim Claim for determination of eligibility, amount, and allowance of such Claim in accordance with the procedures set forth in the CRP.

(c) Notwithstanding anything herein, the Trustee reserves all powers expressly granted to him by the Trust Documents with respect to the administration of claims.

(d) The Claims Administrator’s determination, as confirmed by the Trustee, of eligibility, amount, and allowance of each Fire Victim Claim shall be final and binding, and shall not be subject to any challenge or review of any kind, by any court or other person or entity, except as set forth in the CRP.

2.5 Confidentiality. All facts and documents submitted in support of any Fire Victim Claim will be used and disclosed only for the following purposes: (a) processing the Claim, (b) legitimate business uses associated with administering the Trust, including the prevention of fraud and/or the resolution of liens, and (c) other necessary legal and judicial requirements or processes. Otherwise, the information submitted by Fire Victims shall be kept confidential and shall only be disclosed to the Trustee, the Claims Administrator, Claims Processor, the Neutrals, and in respect of the preceding entities, their employees, agents, professionals and advisors, the Fire Victim, the Fire Victim's authorized agent, or to any court of competent jurisdiction, and, in the latter case, only then in a document filed with the court under seal. To the extent possible, any reference to the identity of any Fire Victim in a publicly available document shall be made by the use of a unique numerical identifier, and any information contained in such a document that could lead to the discovery of the claimant's identity such as property address, APN, telephone number, email address, and the like shall be redacted before such a document is filed or circulated to persons or entities other than the claimant, counsel for the claimant, or other persons or entities who are authorized by the claimant in writing to receive an unredacted copy of the specific document. Similarly, the amount of any Fire Victim Claim that is approved, accepted, or disallowed in whole or in part shall be kept confidential and shall only be disclosed to the Trustee, the Claims Administrator, Claims Processor, the Neutrals, and in respect of the preceding entities, their employees, agents, professionals and advisors, the Fire Victim, the Fire Victim's authorized agent, or to any court of competent jurisdiction, and, in the latter case, only then in a document filed with the court under seal.

2.6 Credits for Amounts Covered by Insurance. To the extent a Fire Victim Claim represents damages or losses covered, in full or in part, by a policy of insurance ("Covered Fire Victim Claim"), the amount in which such Covered Fire Victim Claim may be Approved pursuant to the CRP shall be reduced on a dollar-for-dollar basis by all insurance recoveries available to the Fire Victim on account of such damages or losses ("Available Insurance Recoveries"), whether or not the Fire Victim actually made a claim against a policy of insurance for such damages or losses. Available Insurance Recoveries shall include (i) any amount actually paid to the Fire Victim for damages or losses arising from or attributable to a Wildfire by an insurer under a policy of insurance, and (ii) any amount to be paid, payable, or otherwise owed to the Fire Victim for damages or losses arising from or attributable to a Wildfire by an insurer under a policy of insurance. For the avoidance of doubt, Available Insurance Recoveries shall not include any policy of insurance that cannot be reasonably construed to provide coverage for damages or losses arising from or attributable to a Wildfire. In determining the amount of Available Insurance Recoveries, the Trustee shall consider, as applicable, (i) the terms of any available policy of insurance and whether such policy or any other existing insurance policies can be reasonably interpreted to provide coverage, in full or in part, for the damages or losses that the holder of the Covered Fire Victim Claim seeks to recover from the Trust, (ii) the available policy limits of any available policy of insurance that can reasonably be construed to provide insurance coverage for each applicable category of damages that the holder of the Covered Fire Victim Claim seeks to recover from the Trust, (iii) whether the Fire Victim has exercised reasonable efforts to obtain all recoveries available under policies of insurance for damages or losses arising from or attributable to a Wildfire, and (iv) the amounts that could or should have been paid under a policy of insurance to the Fire Victim for damages or losses

arising from or attributable to a Wildfire had the Fire Victim taken reasonable efforts to obtain an insurance recovery for such damages or losses.

(c) A Fire Victim shall be deemed to have exercised reasonable efforts with respect to a category of damages or losses arising from or attributable to a Wildfire that is covered by a policy of insurance if such Fire Victim receives payments from an insurer pursuant to such policy that are equivalent to or greater than (i) the full amount of such damages or losses or (ii) the available policy limits for claims made for such damages or losses. If a Fire Victim is unsuccessful in obtaining payment of the available policy limits from an insurer after exercising reasonable efforts in making claims for damages or losses arising from or attributable to a Wildfire, the Trustee may, in his or her sole and absolute discretion, accept an assignment of his or her rights against the insurance company (the “Claimant Insurance Rights”) to the Trustee, in which event the Fire Victim shall be deemed to have exercised reasonable efforts with respect to the recoveries available from such insurer for such damages or losses. For the avoidance of doubt, nothing in this Section shall require the Trustee to accept any assignment of a Fire Victim’s insurance rights.

(d) The Trustee shall establish procedures to assist Claimants to recover the full amount due to the Claimant under the applicable insurance policy, where the Claimant requests this assistance.

(e) The purpose of this provision is to (i) encourage all Fire Victims to fully pursue all rights and remedies available under their policies of insurance prior to asserting a claim against the Trust, and (ii) ensure that insurance companies do not pass their coverage obligations on to the Trust. Consistent with these policies, the Trustee may, in his or her sole and absolute discretion, grant exceptions to Section 2.6(a) for good cause.

(f) Any amount that any holder of a Fire Victim Claim, its predecessor, successor, or assignee received or shall receive from any insurance company under and pursuant to the terms and coverage provisions of any insurance policy for losses resulting from a Wildfire and any funds received by any holder of a Fire Victim Claim, net of attorney’s fees, shall satisfy, to the extent applicable, any amounts of restitution the Debtors or Reorganized Debtors might be subject to under California Penal Code § 1202.4.

2.7 Deduction for Payment Received from Wildfire Assistance Fund. Pursuant to the Supplemental Order (A) Approving Appointment of Administrator and Establishing Guidelines for the Wildfire Assistance Program and (B) Granting Related Relief entered on June 5, 2019, to the extent a Fire Victim Claim has received a payment from the Wildfire Assistance Fund, the amount in which such Fire Victim Claim may be Approved pursuant to the CRP shall be reduced on a dollar-for-dollar basis by the amount of such payment received from the Wildfire Assistance Fund.

2.8 Deduction for Payment Received From FEMA. To the extent a Fire Victim Claim represents damages or losses for which the Fire Victim has received a payment from the Federal Emergency Management Agency (“FEMA”), the amount in which such Fire Victim Claim may be Approved pursuant to the CRP shall be reduced on a dollar-for-dollar basis by the amount of such payment received from FEMA on account of the same damages or losses.

SECTION III.
ACCOUNTS, INVESTMENTS, AND PAYMENTS

3.1 Accounts.

(a) The Trustee may, from time to time, create such accounts and reserves within the Trust estate as authorized in this Section 3.1 and as he may deem necessary, prudent, or useful in order to provide for the payment of expenses and payment of Fire Victim Claims, and may, with respect to any such account or reserve, restrict the use of money therein (the “**Trust Accounts**”). Any such reserve established by the Trustee shall be held as Trust Assets and shall not be subject to separate entity tax treatment as a “disputed claims reserve” or a “disputed ownership fund” within the meaning of the Internal Revenue Code or Treasury Regulations. The Claims Administrator and TOC shall provide information as necessary for the Trustee to establish such accounts and reserves.

(b) The Trustee shall include a reasonably detailed description of the creation of any account or reserve in accordance with this Section 3.1 and, with respect to any such Trust Account, the transfers made to such account, the proceeds of or earnings on the assets held in each such account and the payments from each such account in the accounts to be filed with the Bankruptcy Court and provided to the TOC pursuant to Section 2.2(c)(i) above.

(c) The Trustee, on behalf of the Trust, may retain one or more depository institution(s) to serve as the Financial Institution of the Trust (the “**Financial Institution**”). Candidates for the position of Financial Institution shall fully disclose to the Trustee any interest in or relationship with the Debtors or the Reorganized Debtors. Any such interest or relationship shall not be an automatic disqualification for the position, but the Trustee shall take any such interest or relationship into account in selecting the Financial Institution.

(d) The Trustee shall direct the disbursement of funds from Trust Accounts as set forth in this Trust Agreement and the CRP.

(e) The Trustee may remove the Financial Institution at any time and may retain a successor Financial Institution.

(f) The Trustee may retain additional financial services firms and/or banking or depository institution(s) as he or she reasonably determines appropriate or advisable in connection with the efficient operation and administration of the Trust.

3.2 Investment Guidelines.

(a) The Trustee shall establish written Investment Guidelines, attached hereto as Exhibit 6, (the “**Investment Guidelines**”) for the Trust Assets and may modify such Investment Guidelines in his or her discretion, consistent with the requirements of this Section 3. The Trustee shall provide copies of the Investment Guidelines to the TOC, shall review the Investment Guidelines with the TOC at least bi-annually, and shall promptly advise the TOC of modifications made thereto.

(b) Pursuant to the Debtors' Plan of Reorganization, the Trustee shall accept and hold \$6.75 billion in New HoldCo Common Stock in trust for the Fire Victims, and shall hold that stock in the name of the PG&E Fire Victim Trust and not individually. The Trust shall continue to hold all such stock until such time as the Trustee determines, in consultation with an Investment Advisor (as defined below), that it is in the best interests of the beneficiaries of the Trust to liquidate some or all of the stock, consistent with the terms of the Registration Rights Agreement (the "**Sell-Down Plan**"). This provision is intended to modify the "prudent person" rule, "prudent investor" rule, or any other rule of law that would require the Trustee to diversify this stock portfolio. The Trustee shall execute the Sell-Down Plan from time to time in consultation with the TOC.

(c) The Trust shall not acquire or hold any options other than options or other derivative securities (including, without limitation, any forward contract, equity swap, put or call, put or call equivalent position, collar, non-recourse loan, sale of an exchangeable security or similar transaction) acquired or held in connection with bona fide hedging transactions with respect to the New HoldCo Common Stock, and in connection therewith, notwithstanding any restriction to the contrary set forth herein, the Trust shall be permitted to assign, transfer, pledge, grant a lien, security interest or other encumbrance in such New HoldCo Common Stock.

(d) After a reasonable investigation and after consultation with the TOC, the Trustee shall retain such professional advisors as he or she determined necessary and appropriate to act as investment and financial advisor (each an "**Investment Advisor**") who shall assist the Trustee in assessing acceptable levels of investment risks, making investment decisions based on budgetary considerations and market conditions, and taking reasonable steps to protect, and reinvest and dispose of Trust Assets in accordance with the purposes of the Trust as set forth in Section 1.2 above. Candidates for the position of Investment Advisor shall fully disclose to the Trustee any interest in or relationship with the Debtors or the Reorganized Debtors. Any such interest or relationship shall not be an automatic disqualification for the position, but the Trustee shall take any such interest or relationship into account in selecting the Investment Advisor.

(e) Notwithstanding the foregoing, if the Trustee takes possession of property as part of the enforcement of any rights and such property is in a form other than cash, the Trustee may retain such property and shall take reasonable steps to monetize such property in accordance with the purposes of the Trust as set forth in Section 1.2 above. However, if the Trustee chooses to sell or exchange such property, any cash proceeds received in connection with such sale or exchange shall be invested and reinvested as outlined in Sections 3.3(b) and (c) above in accordance with the Investment Guidelines until necessary for the purposes of the Trust as set forth in Section 1.2 above.

3.3 Payments.

(a) **Payment of Trust Expenses.** All Trust Expenses shall be, subject to the Budget, payable by the Trustee out of the Trust Assets. None of the Trustee, Delaware Trustee, Claims Administrator, Claims Processor, Neutrals, TOC, nor any of their officers, agents, advisors, professionals or employees shall be personally liable for the payment of any Trust Expense or any other liability of the Trust.

(b) **Payment of Fire Victim Claims.** The Trustee will pay Approved Fire Victim Claims against the Debtors and the Reorganized Debtors on a *pro rata* basis, from the Trust Assets up to the full amount of such Claims, in a fair, consistent, and equitable manner in accordance with this Trust Agreement and the CRP.

(c) **Allocation of Insurance Proceeds.** All proceeds recovered under any insurance policies providing coverage for Fire Victim Claims shall be received and held by the Trustee as assets of the Trust to be used for payment of Fire Victim Claims and Trust Expenses.

(d) **Inclusion in Annual Report.** The Trustee shall include a description of any payments made in accordance with this Section 3.3 in the Annual Report consistent with special-purpose financial statement reporting, as determined by the Trustee in consultation with the Trust's independent certified public accountants. However, any names of any Fire Victim recipient of any such payment and any information that could lead to the discovery of any recipient's identity such as property address, APN, telephone number, email address, and the like shall not be disclosed in the Annual Report, but shall be kept confidential by the Trustee, Delaware Trustee, the Claims Administrator, Claims Processor, Neutrals, the TOC, and each of the preceding person's and entity's officers, agents, advisors, professionals, or employees.

SECTION IV. **DISTRIBUTIONS**

4.1 Distributions. The Trustee shall distribute all Trust Assets on behalf of the Trust in accordance with the Trust Documents at such time or times as the Trustee may determine.

4.2 Manner of Payment or Distribution.

(a) All distributions made by the Trustee on behalf of the Trust to Beneficial Owners (or by a disbursing agent (the "**Disbursing Agent**") retained by the Trust to make distributions on behalf of the Trust) shall be payable to the Beneficial Owner of record or to counsel for the Beneficial Owner as set forth at Section 4.3(a) below on the date scheduled for the distribution (the "**Distribution Date**"), unless such day is not a Business Day, then such date for the distribution shall be the following Business Day, but such distribution shall be deemed to have been completed as of the required date. The Trustee shall direct the Disbursing Agent to effect an orderly and efficient disbursement of funds with respect to Approved Claims, after the Trust has satisfied any release, tax information or tax reporting, and other documents or requirements (including without limitation tax withholding, if necessary), in accordance with the Trust Documents.

(b) The Disbursing Agent may enter into arrangements with one or more banks with branch networks located in Northern California so as to expedite Beneficial Owner access to such funds.

(c) All Trust Assets shall be distributed in accordance with the Trust Documents.

4.3 Delivery of distributions.

(a) All distributions under this Trust Agreement and CRP on behalf of the Trust to any Beneficial Owner shall be made to such Beneficial Owner's counsel, if any, as identified on the claims materials submitted to and maintained by the Claims Processor, including on any proof of claim, *provided however*, if the Beneficial Owner is not represented by counsel, then all distributions shall be made by check at the address of such Beneficial Owner as identified set forth in on the claims materials submitted to and maintained by the Claims Processor, including on any proof of claim, or by electronic transfer as directed by such Beneficial Owner as set forth in the claims materials submitted to and maintained by the Claims Processor, *provided further*, distributions shall be made in accordance with the above unless the Trustee has been notified pursuant to Section 8.12 below of a change of address, with such change of address provided at least twenty (20) days prior to such distribution Date, and *provided further*, that the Trustee, Claims Administrator, and Claims Processor, as applicable, shall have the authority, in their discretion, to seek further direction and information from Beneficial Owners or their counsel, if applicable, regarding the direction of distributions under this Trust Agreement and CRP.

(b) In the event that any distribution to a Beneficial Owner is returned as undeliverable, no further distribution to such Beneficial Owner shall be made unless and until the Trustee has been notified of the then current address of such Beneficial Owner, at which time such distribution shall be made to such Beneficial Owner without interest; provided, however, that all distributions shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code at the expiration of six (6) months from the applicable Distribution Date. After such date, all unclaimed property or interests in property (i) shall revert to the Trust (notwithstanding any applicable federal or state escheat, abandoned, or unclaimed property laws to the contrary), (ii) the Claim of any Beneficial Owner to such property or interest in property shall be released, settled, compromised, and forever barred, and (iii) such unclaimed property interests shall be distributed to other holders of Class 5A-III and Class 5B-III Claims in accordance with the Trust Documents, as if the Claim of such Beneficial Owner had been disallowed as of the date the undeliverable distribution was first made. The Trustee shall take reasonable efforts to obtain a current address for any Beneficial Owner with respect to which any distribution is returned as undeliverable. In the event the Trust holds Cash after paying all Trust Expenses and all distributions contemplated under the Trust Documents, such remaining cash shall be distributed to a national recognized charitable organization of the Trustee's choice to the extent economically feasible. No Trust Asset or any unclaimed property shall escheat to any federal, state, or local government or any other entity.

4.4 Cash distributions. Distributions of Cash shall be distributed as provided in the CRP, and the Trustee is entitled to setoff and recoupment to the extent permissible under the Plan.

4.5 No De Minimis Distribution. Notwithstanding any provision in the Trust Documents to the contrary, no payment shall be made to any Beneficial Owner on account of any Approved Claim if the Trustee determines that the cost of making such distribution is greater than the amount of the distribution to be made.

4.6 Reimbursement and Reporting Obligations Under Medicare Secondary Payer Act.

(a) In connection with the distribution of Trust Assets as provided in this Section IV, and except as provided below, the Trust shall be responsible for all reimbursement and reporting obligations imposed by the Medicare Secondary Payer Act, 42 USC §§ 1395y(b)(2),(8), for the repayment of any Fire Victim Claim-related conditional payments made under Medicare Parts A and B (“Conditional Payment”). Before disbursing any Trust Assets to any Beneficial Owner, the Trustee may enter into a global resolution with the Centers for Medicare & Medicaid Services (“CMS”) to reimburse all Medicare Parts A and B Conditional Payments, and to resolve Medicare reporting obligations pursuant to 42 USC § 1395y(b)(8). The Trustee will address recovery obligations as to Medicare Part C and D Conditional Payments directly with those plans and separately from any global resolution that might be reached.

(b) Pursuant to 42 USC § 1395y(b)(8), defined Responsible Reporting Entities (“RREs”) must report claims to CMS in the manner and time established in accordance with the statute. If a global resolution with CMS cannot be reached, the Trustee is authorized to enter into a separate agreement with each RRE to report on their behalf and if a separate agreement with an RRE is not reached, the Trustee shall provide all of the information required for proper reporting under 42 USC § 1395y(b)(8) to the appropriate RRE(s) or their authorized agent before disbursing any funds to any Beneficial Owner. SECTION VIII.
GENERAL PROVISIONS

8.1 Irrevocability. To the fullest extent permitted by applicable law, the Trust is irrevocable.

8.2 Term; Termination.

(a) The term for which the Trust is to exist shall commence on the date of the filing of the Certificate of Trust and shall terminate pursuant to the following provisions.

(b) The Trust shall automatically dissolve on the date (the “**Trust Termination Date**”) ninety (90) days after the first to occur of the following events:

(i) the date on which the Bankruptcy Court approves dissolution of the Trust because (1) all Claims duly filed with the Trust have been liquidated, approved or disallowed, accepted, and paid to the extent possible based upon funds available through the Plan and as provided in this Trust Agreement and the CRP or have been disallowed by a final non-appealable order, (2) all known claims against third parties have been pursued and all reasonably expected recoveries from those claims have been collected, and (3) a final accounting has been filed with and approved by the Bankruptcy Court; or

(ii) to the extent that any rule against perpetuities shall be deemed applicable to the Trust, the date on which twenty-one (21) years less ninety-one (91) days pass after the death of the last survivor of all of the descendants of the late Joseph P. Kennedy, Sr., father of the late President John F. Kennedy, living on the date hereof.

(c) On the Trust Termination Date or as soon as reasonably practicable thereafter, after the wind-up of the Trust’s affairs by the Trustee and payment of all of the Trust’s liabilities have been provided for as required by applicable law, all monies remaining in the Trust estate shall be distributed to the Fire Victims on a *pro rata* basis according to the percentage value of each Approved Claim relative to the total amount of Approved Claims, provided, however, that, notwithstanding any provision in the Trust Documents to the contrary, no payment in the aggregate of less than twenty-five dollars (\$25.00) in Cash shall be made to any Beneficial Owner on account of any Approved Claim.

(d) Following the dissolution and distribution of the assets of the Trust, the Trust shall terminate, and the Trustee (acting alone) shall perform all acts and duties necessary to complete the termination and winding up of the affairs of the Trust and shall execute and cause a Certificate of Cancellation of the Certificate of Trust of the PG&E Fire Victim Trust to be filed in accordance with the Act. Notwithstanding anything to the contrary contained in this Trust Agreement, the existence of the PG&E Fire Victim Trust as a separate legal entity shall continue until the filing of such Certificate of Cancellation. The Trustee shall provide to the Delaware Trustee a certified copy of the Certificate of Cancellation within a reasonable time after the filing of such Certificate of Cancellation. The Certificate of Cancellation need not be signed by the Delaware Trustee.

8.3 Amendments. Any modification or amendment made pursuant to this Section 8.3 must be done in writing. Notwithstanding anything contained in this Trust Agreement or the CRP to the contrary, neither this Trust Agreement, the CRP, nor any document annexed to the foregoing shall be modified or amended in any way that could jeopardize, impair, or modify (i) the applicability of section 105 of the Bankruptcy Code to the Plan and the Confirmation Order, (ii) the efficacy or enforceability of the Channeling Injunction or any other injunction or release issued or granted in connection with the Plan, (iii) the Trust's qualified settlement fund status under the QSF Regulations, or (iv) the rights, duties, liabilities and obligations of the Delaware Trustee without the written consent of the Delaware Trustee. Further, without the written consent of the TOC there shall be no modification of (i) Section 5.7 hereof or any rights, benefits or protections provided to the Trust Indemnified Parties, or (ii) the terms of the Claimant Release or the obligation of the Trust to obtain a properly executed Claimant Release as a pre-condition to a claimant receiving a distribution from the Trust.

8.4 Meetings.

(a) The Trustee and the Claims Administrator will hold regularly scheduled, periodic meetings with the TOC, either in person or via telephone or videoconference, which shall occur at least quarterly. The Delaware Trustee shall not be required nor permitted to attend such meetings.

(b) The TOC shall meet as needed, either in person or via telephone or videoconference. The Trustee may participate in such meeting as requested by the TOC. Minutes will be maintained at meetings of the TOC and the TOC shall provide such minutes to the Trustee within ten (10) days following such meeting.

8.5 Severability. Should any provision in this Trust Agreement be determined to be unenforceable, such determination shall in no way limit or affect the enforceability and operative effect of any and all other provisions of this Trust Agreement.

8.6 Notices.

(a) Notices to persons asserting claims shall be given by e-mail as provided on such person's claim form submitted to the Trust with respect to his or her Fire Victim Claim.

(b) Any notices or other communications required or permitted hereunder to the following parties shall be in writing and delivered at the addresses designated below, or sent by email or facsimile pursuant to the instructions listed below, or mailed by first class mail, postage prepaid, addressed as follows, or to such other address or addresses as may hereafter be furnished in writing to each of the other parties listed below in compliance with the terms hereof.

8.7 Successors and Assigns. The provisions of this Trust Agreement shall be binding upon and inure to the benefit of the Trust, the Trustee, the Delaware Trustee, the TOC, and their respective successors and assigns, except that none of such persons may assign or otherwise transfer any of its rights or obligations, if any, under this Trust Agreement except, in the case of the Trust and the Trustee, as contemplated by Section 2.1 above, and in the case of the Delaware Trustee, as contemplated by section 5.11.

8.8 Limitation on Claim Interests for Securities Laws Purposes. Fire Victim Claims, and any interests therein (a) shall not be assigned, conveyed, hypothecated, pledged, or otherwise transferred, voluntarily or involuntarily, directly or indirectly, except by will or under the laws of descent and distribution; (b) shall not be evidenced by a certificate or other instrument; (c) shall not possess any voting rights; and (d) shall not be entitled to receive any dividends or interest.

8.9 Evidence of Beneficial Interests. Ownership of a beneficial interest in the Trust Assets by the Beneficial Owners shall not be evidenced by any certificate, security or receipt or in any other form or manner whatsoever, except as maintained on the books and records of the Trust by the Trustee.

8.10 Exemption from Registration. The Parties hereto intend that the rights of the Beneficial Owners arising under this Trust Agreement shall not be “securities” under applicable laws, but none of the Parties hereto represent or warrant that such rights shall not be securities or shall be entitled to exemption from registration under applicable securities laws. If it should be determined that any such interests constitute “securities,” the Parties hereto intend that the

exemption provisions of section 1145 of the Bankruptcy Code will be satisfied and the offer and sale under the Plan of the beneficial interests in the Trust will be exempt from registration under the Securities Act, all rules and regulations promulgated thereunder, and all applicable state and local securities laws and regulations.

8.11 Transfer and Exchange. The beneficial interests held by Beneficial Owners are not negotiable and shall be non-transferable other than if transferred by will, intestate succession, or otherwise by operation of law, and shall be subject to certain other restrictions. Moreover, any and all Trust Interests shall not be listed for trading on any national securities exchange and the Trustee shall not take any action the purpose of which is, or which would be in support of, the establishment of an active trading market in the beneficial interests in the Trust. No voluntary transfer of a beneficial interest in the Trust shall be effective or binding upon the Trust or the Trustee for any purpose. In the case of a deceased individual Beneficial Owner, his or her executor or administrator shall provide written notice to the Trustee and deliver to the Trustee such documentation necessary to evidence the transfer by operation of law and identify the proper Person to succeed to such decedent's interests. The Trustee may fully rely on any such evidence provided by a purported executor or administrator and shall have no duty to investigate.

8.12 Change of Address. A Beneficial Owner may, after the Effective Date, select an alternative distribution address or provide wire transfer instructions for any distribution by providing notice to the Trustee (or to another Person as directed by the Trustee) including such address or instructions. Such notification will be effective only upon receipt by the Trustee or other Person in accordance with this Section 8.12. Absent receipt of such notice, the Trustee shall not recognize any such change of distribution address.

8.13 Entire Agreement; No Waiver. The entire agreement of the parties relating to the subject matter of this Trust Agreement is contained herein and in the documents referred to herein, and this Trust Agreement and such documents supersede any prior oral or written agreements concerning the subject matter hereof. No failure to exercise or delay in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege hereunder preclude any further exercise thereof or of any other right, power, or privilege. The rights and remedies herein provided are cumulative and are not exclusive of rights under law or in equity.

8.14 Headings. The headings used in this Trust Agreement are inserted for convenience only and do not in any manner affect the construction of the provisions of this Trust Agreement.

8.15 Compliance with Laws. Any and all distributions of Trust Assets shall be in compliance with applicable laws, including applicable federal and state tax and securities laws.

8.16 Governing Law. The validity and construction of this Trust Agreement and all amendments hereto and thereto shall be governed by the laws of the State of Delaware, and the rights of all parties hereto and the effect of every provision hereof shall be subject to and construed according to the laws of the State of Delaware without regard to the conflicts of law provisions thereof which would purport to apply the law of any other jurisdiction; provided, however, that the laws of the State of California shall govern: (x) any issue of privilege between

any holder of a Fire Victim Claim and his or her counsel; and (y) any issue of privilege between the Trust, the Trustee, and their professionals; provided, further, and for the avoidance of doubt, that all Fire Victim Claims administered under the CRP and this Trust Agreement shall be evaluated under the laws of the State of California; provided, further, that the parties hereto intend that the provisions hereof shall control and there shall not be applicable to the Trust, the Trustee, the Delaware Trustee, the Claims Administrator, the TOC, or this Trust Agreement, any provision of the laws (statutory or common) of the State of Delaware pertaining to trusts that relate to or regulate in a manner inconsistent with the terms hereof: (a) the filing with any court or governmental body or agency of trustee accounts or schedules of trustee fees and charges, (b) affirmative requirements to post bonds for trustees, officers, agents, or employees of a trust, (c) the necessity for obtaining court or other governmental approval concerning the acquisition, holding, or disposition of real or personal property, (d) fees or other sums payable to trustees, officers, agents, or employees of a trust, (e) the allocation of receipts and expenditures to income or principal, (f) restrictions or limitations on the permissible nature, amount or concentration of trust investments or requirements relating to the titling, storage, or other manner of holding of trust assets, (g) the existence of rights or interests (beneficial or otherwise) in trust assets, (h) the ability of beneficial owners or other persons to terminate or dissolve a trust, or (i) the establishment of fiduciary or other standards or responsibilities or limitations on the acts or powers of trustees or beneficial owners that are inconsistent with the limitations on liability or authorities and powers of the Trustee, the Delaware Trustee, the Claims Administrator, or the TOC, as set forth or referenced in this Trust Agreement. Section 3540 of Title 12 of the Delaware Code shall not apply to the Trust.

8.17 Settlers' Representative and Cooperation. The Debtors are hereby irrevocably designated as the Settlers and are hereby authorized to take any action required of the Settlers by the Trustee in connection with this Trust Agreement. The Reorganized Debtors agree to cooperate in implementing the goals and objectives of this Trust Agreement.

8.18 Dispute Resolution. Any disputes that arise under this Trust Agreement or under the CRP among the parties hereto shall be resolved by an alternative dispute resolution (the "ADR") process mutually agreeable to the parties involved. The parties involved agree to meet and confer in good faith in an effort to agree upon a mutually acceptable ADR process. Any party to the ADR process that is dissatisfied with the final outcome of the ADR process may apply to the Bankruptcy Court, and after the close of the Debtors' chapter 11 cases, the District Court, for a judicial determination of the matter, which shall be final. Any review conducted by the Bankruptcy Court (or District Court, as applicable) shall be de novo. In any case, if the dispute arose pursuant to the consent provision set forth in Section 6.7, the burden of proof shall be on the party or parties who withheld consent to show by a preponderance of the evidence that consent was not unreasonably withheld. If after thirty (30) days following notification to all involved parties that there is a matter in dispute, an ADR process has not been agreed upon by the parties or the dispute has not been resolved by an ADR process, the parties are relieved of the requirement to pursue ADR prior to application to the Bankruptcy Court (or District Court, as applicable). If the Trustee determines that the matter in dispute is exigent and cannot await the completion of the ADR process, the Trustee shall have the discretion to elect out of the ADR process at any stage of the process and seek resolution of the dispute in the Court of Exclusive Jurisdiction.

8.19 Enforcement and Administration. The provisions of this Trust Agreement, the CRP, and the other Trust Documents shall be enforced by the Court of Exclusive Jurisdiction. The parties also acknowledge and agree that the Court of Exclusive Jurisdiction (1) shall have exclusive continuing jurisdiction over the settlement of accounts of the Trustee, those matters set forth in Section 1.6 above, and the determination that the Trust is terminated pursuant to Section 8.2 above, and (2) shall have exclusive continuing jurisdiction over all other matters relating to the Trust and its administration.

8.20 Joinder. The Trustee, the Delaware Trustee, the Claims Administrator, [the Special Master] and each member of the TOC shall execute this Trust Agreement (or a Joinder hereto, as applicable) thereby acknowledging their respective obligations and rights created by the Trust, and agreeing to perform the duties set forth in the Trust Agreement.

8.21 Capitalized Terms. All capitalized terms not otherwise defined herein shall have their respective meanings as set forth in the Plan, and such definitions are incorporated herein by reference. All capitalized terms not defined herein or defined in the Plan, but defined in the Bankruptcy Code or Rules, shall have the meanings ascribed to them by the Bankruptcy Code and Rules, and such definitions are incorporated herein by reference.

8.22 Effectiveness. This Trust Agreement shall not become effective until it has been executed and delivered by all the parties hereto.

8.23 Counterpart Signatures. This Trust Agreement may be executed in any number of counterparts, each of which shall constitute an original, but such counterparts shall together constitute but one and the same instrument. Delivery of a counterpart hereof by facsimile or email transmission of a PDF file shall be effective as delivery of a manually executed counterpart hereof.

[balance of page intentionally left blank]

IN WITNESS WHEREOF, the parties have executed this Trust Agreement as of the date first set forth above to be effective as of the Effective Date.

EXHIBIT 2

FIRE VICTIM CLAIMS RESOLUTION PROCEDURES

FIRE VICTIM CLAIMS RESOLUTION PROCEDURES

PREAMBLE

The goal of the Fire Victim Trust¹ is to provide an efficient process to fairly compensate the holders of timely filed Fire Victim Claims (respectively, “Claimants” and “Claims”) in an equitable manner and on a *pro rata* basis consistent with the terms of the Trust Agreement, Plan, and California and federal law. These Fire Victim Claims Resolution Procedures (“CRP”) apply to all Claims. The Claims Administrator shall implement and administer the CRP in consultation with the Trustee, Claims Processor, Neutrals, and Trust Professionals with the goal of securing the just, speedy, and cost-efficient determination of every Claim. Those entrusted with the consideration and determination of Claims shall treat all Claimants with abiding respect and shall strive to balance the prudent stewardship of the Trust with care in its administration, allocation, and distribution.

The speed of any distribution in a program involving thousands of claimants relies on multiple variables impacting administrative expediency. To achieve maximum fairness and efficiency, the CRP is founded on the following principles:

1. Objective eligibility criteria;
2. Clear and reliable proof requirements;
3. Administrative transparency;
4. Rigorous review processes that generate consistent outcomes regardless of the asserted amount of the claim; and
5. Independence of the Trustee, Claims Administrator, Claims Processor, Neutrals, and Trust Professionals.

The Trustee and Claims Administrator will consult with the Claims Processor and other Trust Professionals to develop claims valuation processes that result in fair and reasonable compensation of eligible Claims in accordance with the Trust Agreement and CRP.

I. CLAIMANT ELIGIBILITY

To be eligible to receive compensation from the Trust, a Claimant must: (1) have a Claim related to an Included Fire; (2) have timely filed a Proof of Claim; and (3) submit supporting documentation outlined in Section II of this CRP or required by the Claims Administrator (“Supporting Documents”). Upon submission of the Supporting Documents, the Trust will review each Claim and consider all damages and costs recoverable under California law or, if applicable, other non-bankruptcy law.

A. Included Fires. The Trust is established to administer Claims related to the fires identified in Exhibit 1 (each a “Fire” and collectively the “Fires”). Any Claims unrelated to the Fires are ineligible for payment by the Trust and, pursuant to the process described

¹ All capitalized terms not otherwise defined herein shall have their respective meanings as set forth in the PG&E Fire Victim Trust Agreement (the “Trust Agreement”) and the Debtors’ Amended Joint Chapter 11 Plan of Reorganization dated March 16, 2020 (as it may be amended, modified, or supplemented, the “Plan”).

herein, shall be held to be ineligible on a final basis. For the purposes of the CRP, all Fires set forth in Exhibit 1 are deemed to have been caused by PG&E's equipment and as a result of PG&E's negligence.

B. Proof of Claim. All Claimants must have filed a Proof of Claim for their claims or those of their family in the Bankruptcy Cases on or before December 31, 2019, and as amended, which was the extended Bar Date for Fire Claimants. Claims that were not timely submitted to the Bankruptcy Cases are ineligible for payment by the Trust, unless the claimant obtains relief from the Bankruptcy Court to file a late Claim and submits the Claim to the Bankruptcy Cases and Trust within 30 days after the Bankruptcy Court order allowing such late filing. Claims that have been disallowed or that have been withdrawn from the official claims registry in the Bankruptcy Cases are ineligible for payment by the Trust.

C. Supporting Documents. Section II sets forth each Claim Type the Trust will consider and the Supporting Documents that may be submitted for each. In addition to the Supporting Documents outlined in Section II, Claimants will be required to submit a Claims Questionnaire, as explained in Section V.

II. CLAIM TYPES AND SUPPORTING DOCUMENTS

The Trust will use all information that assists in objectively valuing Claims and alleviates the burden on Claimants. This includes, but is not limited to, data from a Claimant's (a) Bankruptcy Proof of Claim Form; (b) Wildfire Assistance Program Claim Form; (c) Damages Questionnaire established under Case Management Order 5 in the California North Bay Fire Cases (JCCP 4955); and (d) other reasonably ascertainable and reliable information. Claimants may be required to submit additional facts and documents to support their Claims for each of the following Claim Types:

A. Real Property.

1. ***Description of Real Property Claim.*** Real Property Claims include claims for damage to structures on residential or commercial real property, landscaping, forestry, and other real property improvements (*e.g.*, hardscape, fencing, retaining walls, pools, and solar panels) as a result of the Fires. Real Property damages may be measured in one of two ways: (1) the loss in fair market value to the property ("Diminution in Value"); or (2) the reasonable costs to rebuild or repair the property ("Cost of Repair"). Whether Diminution in Value or Cost of Repair is awarded will depend on the facts of each Claim.

- (a) ***Diminution in Value.*** Diminution in Value will be calculated by subtracting the fair market value of the property immediately after the Fire from the fair market value of the property immediately before the Fire.

- (b) **Cost of Repair.** The reasonable costs to rebuild or repair the property will be determined based on: (1) the use of the structure(s) and other improvement(s); (2) the extent of damage to the structure(s) [e.g., burn damage versus smoke and soot damage]; (3) the square footage of structure(s); (4) the geographic location of the property; (5) the size of the vegetation on the property immediately before the Fire; (6) the extent of damage to vegetation; (7) the type of vegetation damaged; and (8) the fair market value of the property immediately before the Fire. In addition, the Claimant may claim the value of trees lost.
- (c) **Consequential Damages.** Claimants also may make a claim for other reasonably foreseeable economic losses directly caused by destruction of or damage to real property.

2. **Types of Supporting Documents.** Claimants may provide the following documents to support a Real Property Claim:

1. **Description of Personal Income Loss Claim.** Personal Income Loss Claims include claims of individuals who lost income because (a) they were displaced by the Fires; (b) their employer suffered Business Losses and reduced or stopped paying wages to the Claimant as a result of the Fires; or (c) the Fires or resulting injuries or conditions otherwise interfered with their ability to earn income.
2. **Loss of Rental Income.** Personal Income Loss Claims also include loss of income from rental of a damaged or destroyed property.
3. **Types of Supporting Documents.** Claimants may provide the following documents to support a Personal Income Loss Claim:

 - (e) Bank account statements identifying earnings;

D. Business Loss.

1. **Description of Business Loss Claim.** Business Loss Claims include claims for economic losses suffered by a business as a result of the Fires, including loss of business property or inventory used to conduct business and lost profits or revenue.
2. **Types of Supporting Documents.** Claimants may provide the following documents to support a Business Loss Claim:
 - (a) Description of the business, including its mission statement;
 - (b) Tax returns, including all schedules or attachments;

F. Wrongful Death and Serious Personal Injury.

1. ***Description of Wrongful Death and Serious Personal Injury Claim.*** Wrongful Death and Serious Personal Injury Claims include claims relating to individuals who died or suffered serious personal injury as a result of the Fires. The Trustee and Claims Administrator will devise procedures ensuring a streamlined and sensitive process providing Claimants and their family members the dignity that is critical to successfully resolving Claims relating to these extraordinary losses.
2. ***Types of Supporting Documents.*** Claimants may provide medical records and other documents supporting a Wrongful Death or Serious Personal Injury Claim, as well as documents supporting a claim for loss of relationship, love, support, and companionship.

G. Emotional Distress.

1. ***Description of Emotional Distress Claim.*** Emotional Distress Claims include claims arising from: (a) zone of danger evacuation from the Fires; (b) physical injury as a result of the Fires; and (c) substantial interference with the use and enjoyment of or invasion of property occupied by the Claimant, as well as the impact of the loss of the community.
2. ***Types of Supporting Documents.*** Claimants may provide the following documents to support an Emotional Distress Claim:

- (g) Other supporting documents in the Claimant's possession.

III. OTHER DAMAGES

The Trustee and Claims Administrator will devise procedures to evaluate any additional categories of recoverable damages.

IV. CLAIMS SUBMISSION

The Claims Processor will maintain a secure, web-based portal (a "Portal") for Claimants to submit Claims Questionnaires, Supporting Documents, Releases, and any other relevant information or documents. After submitting a Claim, Claimants will be able to use the Portal check their Claim status, receive and respond to determination notices, submit supplementary materials, and update contact information and other demographic information, if necessary.

V. CLAIMS QUESTIONNAIRE

In addition to the Claim-specific Supporting Documents identified in Section II, the Claims Administrator will require Claimants to complete a Claims Questionnaire that provides sufficient information to: (1) verify the Claimant's identity; (2) identify and support the claimed damages; and (3) demonstrate the Claimant's authority to assert the Claims.

Individual Claimants may submit Claims Questionnaires by household. The Claims Processor will pre-populate Claims Questionnaires with information already in its possession, including but not limited to data from a Claimant's (a) Bankruptcy Claim Proof of Claim Form; (b) Wildfire Assistance Program Claim Form; (c) Damages Questionnaire established under Case Management Order 5 in the California North Bay Fire Cases (JCCP 4955); and (d) information that is otherwise reasonably ascertainable and reliable.

The Trustee will use reasonable efforts to obtain insurance claim files directly from a Claimant's insurance carrier but may require certain insurance information directly from the Claimant in support of their Claim. The Claim Questionnaire may include a consent by the Claimant to the Trust obtaining any and all information related to the Claim from Claimant's

insurer. The Plan does not absolve the insurance carriers of their duty to fulfill their coverage obligations under their policies of insurance with a Claimant.

VI. RELEASE

Before receiving payment from the Trust, Claimants must submit signed releases in substantially the same form and content as the Claimant Release and Mutual Made Whole Release, attached to the Trust Agreement as Exhibits 4 and 5, respectively.

By signing the Claimant Release, the Claimant will agree to release Trust, the Trustee, Delaware Trustee, TOC, Claims Administrator and Special Master (the “Released Parties”) from any and all past, present and future claims, counterclaims, actions, rights or causes of action, liabilities, suits, demands, damages, losses, payments, judgments, debts, dues, sums of money, costs and expenses (including, without limitation, attorneys’ fees and costs), accounts, reckonings, bills, covenants, contracts, controversies, agreements, obligations, or promises, in law or in equity, contingent or non-contingent, known or unknown, suspected or unsuspected, foreseen or unforeseen, matured or unmatured, accrued or unaccrued, liquidated or unliquidated, whether direct, representative, class or individual in nature, in any forum that an applicant had, have, or may have in the future (“Released Claims”) arising from, relating to, resulting from or in any way connected to, in whole or in part, the discharge of the Released Parties’ duties and responsibilities under the Retention Order, the Trust Agreement, including any agreement, document, instrument or certification contemplated by the Trust Agreement, the CRP, the Chapter 11 Plan, the formulation, preparation, negotiation, execution or consummation of the Trust Agreement, the CRP and the Chapter 11 Plan, and any and all other orders of the District Court or Bankruptcy Court relating to the Released Parties and/or their duties and responsibilities.

The Release will also require the Claimant to (i) acknowledge and agree that the Claimant remains solely responsible for resolving all open Government Payors² and Non-Government Payors’ liens, rights of reimbursement, and other claims (collectively, “Liens”); (ii) use best efforts to resolve all known Liens; (iii) agree to indemnify and hold harmless the Trust in connection with all known Liens and any future Liens; (iv) agree that the Trust will not be liable for any act, or failure to act, of the lien resolution administrator retained in connection with the Fire Victim Trust; and (v) assign the Trust the right to pursue the 2015 Insurance Rights, if any, and the Claimant Insurance Rights (as defined in the Trust Agreement), if applicable, for the full value of the Fire Victim Claim.

VII. NOTICE OF CLAIMS DETERMINATION

The CRP will govern the process by which each Claim is reviewed, including whether the Claim is eligible or ineligible for payment and, if eligible, the amount approved for payment

² “Governmental Payor” means any federal, state, or other governmental body, agency, department, plan, program, or entity that administers, funds, pays, contracts for, or provides medical items, services, and/or prescription drugs, including, but not limited to, the Medicare Program, the Medicaid Program, Tricare, the Department of Veterans Affairs, and the Department of Indian Health Services.

("Claims Determination"). After the Trust has fully evaluated a Claim, the Claims Processor will issue a notice to the Claimant explaining the review result ("Determination Notice"). If the Claim has been approved and is eligible for payment ("Approved Claim"), the notice will include the specific amount that the Trust has approved for payment ("Approved Claim Amount") and the stages in which payment may occur. If the Claim is missing documents or information required for the Trust to fully evaluate the Claim ("Deficient Claim"), the notice will explain what is required and provide a timeline within which the Claimant may resolve the deficiencies. If the Claim is ineligible for payment from the Trust pursuant to the CRP ("Disallowed Claim"), the notice will explain the reason(s) that the Claim is ineligible.

VIII. DISPUTE RESOLUTION

Claimants dissatisfied with their Claims Determination will have the opportunity to dispute the determination and to provide supplemental information or documents to support their dispute. The Trust will implement the following three-tiered process:

1. ***Reconsideration.*** If a Claimant contests a Claims Determination, the Claims Administrator and Claims Processor will review the Claim again and will consider any newly submitted information and documents and all previously submitted information. Afterwards, the Claims Processor will issue a Reconsideration Determination. The Claimant may accept the Reconsideration Determination or may appeal to a Neutral.
2. ***Appeal.*** If a Claimant appeals a Reconsideration Determination, the Claimant shall submit a Notice of Appeal to the Claims Administrator. The Claims Administrator shall submit the Claim to the Appeals Officer³ for further consideration de novo in accordance with the procedure set forth herein.

MUTUAL MADE WHOLE RELEASE

The terms “Claimant” and “Insurer,” are defined in Paragraph G. below.

_____, Trustee of the Fire Victim Trust, the undersigned party or personal representative (referred to herein as “Claimant”), individually and on behalf of the estate of the Claimant, and the Insurer (collectively, the “Parties” or “Releasees”) agree as follows:

A. Whereas, the Debtors’ and Shareholder Proponents’ Joint Chapter 11 Plan of Reorganization dated _____ (the “Plan”), was confirmed by an order of the United States Bankruptcy Court for the Northern District of California entered on _____, 2020, and the Plan became effective on _____, 2020.

B. Whereas the Plan provides for the treatment of all allowed Fire Victim Claims (as defined in the Plan) against the Debtors through the Fire Victim Trust (as defined in the Plan) and for the discharge of the Debtors from any further or other liability on account of all Fire Victim Claims.

C. Whereas the Plan provides for the treatment of all allowed Subrogation Wildfire Claims (as defined in the Plan) against the Debtors through the Subrogation Wildfire Trust (as defined in the Plan) and for the discharge of the Debtors from any further or other liability on account of all Subrogation Wildfire Claims.

D. Whereas, the Plan provides that the Fire Victim Claims are administered by a Fire Victim Trust and a Fire Victim Trustee who operates independent from the Debtors, holders of the Fire Subrogation Claims, and the Insurer. Neither the Debtors, holders of the Fire Subrogation Claims, nor the Insurer shall have any right to participate in the administration of the Fire Victim Trust, review any allocation or distribution decision of the Trustee or Trust Oversight Committee, including that of the Claimant, or make any claim for money against the Trust or the Trustee in any way or at any time.

E. Whereas, the Trustee and Fire Victim Trust Oversight Committee have reviewed and advised the Claimant of (a) the total amount paid into the Fire Victim Trust available for compensation to the Fire Victims, (b) the total number of claims made against the Fire Victim Trust, (c) the process by which trust funds will be allocated and distributed, and (d) the total allocated amount from the Fire Victim Trust to the Claimant (“Total Allocation Award”).

F. Whereas, the Claimant has reviewed the Total Allocation Award.

G. Whereas, the Plan provides the Claimant and the Insurer execute a mutual limited release after the Claimant has reviewed the Total Allocation Award wherein the Claimant agrees to release only their claim against the Insurer under the Made Whole Doctrine (see Paragraph 1) and no other claim, cause of action, defense or remedy against the Insurer, and the Insurer agrees to release the Claimant as described herein in Paragraph 3. For the purpose of this Release, “Claimant” includes the Claimant’s heirs, legal representatives, successor or assigns and

“Insurer” includes the Claimants’ insurance carriers, their past and present holders of insurance subrogation claims against the Debtors (and their direct and indirect assignors or assignees), and each of their directors, officers, agents, consultants, financial advisers, employees, attorneys, predecessors, successors and assigns.

H. Whereas, nothing in this Release is an affirmation, representation, or an acknowledgment that the Claimant has in fact been fully compensated for their damages covered by the contract of insurance between the Insurer and the Claimant. The parties agree that Court’s approval of the Plan and the Claimants’ acceptance of the Total Allocation Award does not establish that the Claimant has been fully compensated under California law for their compensable damages as a result of the fire to the extent those damages are covered by insurance.

I. Whereas, the Insurer has agreed to the terms, provisions, and agreements of this Mutual Release in a separate agreement dated _____, 20__, affirming, adopting, and attaching a copy of this Mutual Release (“Insurer Adoption Agreement”). This Mutual Release is conditioned upon the Insurer, or the Insurer’s successor on behalf of the Insurer, filing in the Chapter 11 case the Insurer Adoption Agreement, which states the Insurer releases, as to the Made Whole Doctrine only, each Claimant who signs and agrees to the terms of this Mutual Release. The terms, provisions, and agreements of the Insurer Adoption Agreement are incorporated herein by reference. Insurer’s consent and agreement to the terms, provisions, and agreements of this Mutual Release shall be effective upon the signature of the Claimant.

J. Whereas, this release is not required for the Trustee to allocate and distribute preliminary awards to individuals on a case by case basis for humanitarian or urgent needs.

NOW, THEREFORE, in consideration for the agreements described in this Release and other good and valuable consideration, the Claimant and the Insurer agree as follows:

1. By accepting the Total Allocation Award, the Claimant hereby waives and releases their rights, known or unknown, to assert the Made Whole Doctrine against the Insurer. Claimant is not waiving or releasing any other claim, cause of action, defense, or remedy against Insurer. Also, by signing this agreement, the Claimant is not agreeing as a factual matter that the Claimant has been fully compensated for each and every category of their damages under California law.

2. The Claimant is not releasing any claims the Claimant may have against the Insurer other than the Claimant’s foregoing waiver set forth in Paragraph 1. The Parties to this Release further agree and acknowledge that the Claimant is not releasing any claims, except and only to the extent set forth above, they might have against the Insurer, including but not limited to those claims or causes of action related to: (1) the policy of insurance and what is still owed or to be paid under the policy terms and conditions; (2) the right to pursue claims already made or to make new or continued claims under the policy; (3) claims handling issues; (4) delay in paying claims under the policy; (5) inadequate or untimely communication relating to the claim; (6) unreasonable positions taken relating to coverage, payment of the claim, acknowledging coverage, or day-to-day claims decisions; (7) actions or inactions of insurance agents or brokers in underwriting, securing, adjusting, calculating or recommending coverage; (8) coverage issues

over policy language; (9) any action for bad faith or breach of the covenant of good faith and fair dealing; (10) any claims to reform or modify the terms of any policy; (12) any rights to recover damages for breach of contract or tort (including punitive damages), penalties or equitable relief; (13) any claims of violations of statutory or regulatory obligations; or (14) any claim for unfair business acts or practices.

3. The Insurer agrees to release and waive any right to make claim for any amount paid to the Claimant pursuant to the Fire Victim Trust or to assert as a defense, offset or reduction, the money paid to the Claimant from the Fire Victim Trust, which belongs solely to the Claimant. The Claimant agrees to make no claim on the money paid to the Insurer from the Subrogation Wildfire Trust. In agreeing to this limited release, Insurer is not releasing any claim, cause of action, defense, or remedy it may have against the Claimant other than Claimant's foregoing release of any Made Whole Doctrine claim.

4. The Insurer is not releasing any claims the Insurer may have against Claimant other than the Insurer's foregoing waiver set forth in Paragraph 3. The Parties to this Release further agree and acknowledge that the Insurer is not releasing any claims, except and only to the extent set forth above, it might have against the Claimant, including but not limited to those claims related to: (1) the policy of insurance and what is still owed or to be paid under the policy terms and conditions; (2) defenses to garden variety claims handling issues unrelated to the Made Whole Doctrine; (3) defenses related to delay in paying claims under the policy; (4) defenses to alleged inadequate or untimely communication relating to the claim; (5) defenses to alleged unreasonable positions taken relating to coverage, payment of the claim, acknowledging coverage, or day-to-day claims decisions; (6) defenses to actions or inactions of insurance agents or brokers in securing coverage; (7) coverage issues over policy language unrelated to Made Whole Doctrine; or (8) defenses to any common law action for bad faith unrelated to Made Whole Doctrine.

5. The Insurer further agrees that the Total Allocation Award shall not be the subject of discovery or mentioned in any pleadings in any state or federal court action or admissible in evidence in any state or federal court action for any of the causes of action or claims for relief identified in Paragraphs 2 or 4. Claimant agrees that the amount paid to Insurer from the Subrogation Wildfire Trust shall not be the subject of discovery or mentioned in any pleadings in any state or federal court action or admissible in evidence in any state or federal court action.

6. To the extent that the Claimant brings a claim for breach of contract, wrongful denial of coverage and/or bad faith against the Insurer, the Insurer shall not assert in any way or at any time that the Claimant should have or could have pursued that claim against the Debtors, the Fire Victim Trust, or any other party. The Insurer agrees that that it will not assert in any action or proceeding covered under Paragraph 2 or 4 that the Claimant has been compensated as a result of the Claimant's settlement with the Debtors.

7. Both the Claimant and the Insurer agree that this Release gives the parties released the status of third-party beneficiary of the Release, and such Releasees may enforce this Release and any rights or remedies set forth herein.

8. This Release contains the entire agreement between the parties as to the subject matter hereof and is effective immediately upon signing. Likewise, the release in Paragraph 1 is effective immediately upon signing. If there is a conflict between this Release and any other prior or contemporaneous agreement between the parties concerning the subject matter of the Release, the Release controls.

9. The law of the State of California shall govern the interpretation of this Release. The Bankruptcy Court has jurisdiction to resolve any disputes under this agreement.

10. Each Releasor states that he, she, or it is of legal age, with no mental disability of any kind, is fully and completely competent, and is duly authorized to execute this Release on Releasor's own behalf. Releasor further states that this Release has been explained to Releasor and that Releasor knows the contents as well as the effect thereof. Releasor further acknowledges that Releasor executed this Release after consulting with Releasor's attorney or the opportunity to consult with an attorney.

11. For avoidance of doubt, the Made Whole Doctrine is described herein. Subrogation is a doctrine that permits an insurance company, or its assignees, to assert the rights and remedies of an insured against a third-party tortfeasor. The Made Whole Doctrine is a common law exception to insurer's right of subrogation. The Made Whole Doctrine, under certain circumstances, could preclude an insurer from recovering any third-party funds unless and until the insured has been made whole for the loss. Both the Claimant and Insurer agree that this Release does not modify, abrogate or affect any prior release or waiver between the Parties arising from the Fire.

12. Consistent with the foregoing, it is expressly understood and agreed by claimant that claimant is waiving and releasing all known or unknown claims under the Made Whole Doctrine. It is expressly understood and agreed by insurer that insurer is waiving and releasing all known or unknown claims under the Made Whole Doctrine as to claimant.

Global Notes and Disclaimers Regarding Schedule of Retained Rights and Causes of Action

I. Background

On January 28, 2019, PG&E Corporation and Pacific Gas and Electric Company (the “**Debtors**”), as debtors and debtors-in-possession commenced voluntary cases (the “**Chapter 11 Cases**”) filed voluntary cases under chapter 11 of title 11 of the United States Code (the “**Bankruptcy Code**”) in the United States Bankruptcy Court for the Northern District of California (the “**Bankruptcy Court**”).

On March 16, 2020, the Debtors filed the *Debtors’ and Shareholder Proponents’ Joint Chapter 11 Plan of Reorganization dated March 16, 2020* [Docket No. 6320] (together with all exhibits and schedules thereto and as it may be amended, modified, or supplemented from time to time, the “**Plan**”).¹

II. Retention of Causes of Action under the Plan.

Pursuant to Section 10.11(a) of the Plan, and except as otherwise provided in Section 10.9 thereof, nothing in the Plan or in the Confirmation Order shall be deemed to be a waiver or the relinquishment of any rights or Causes of Action² that the Debtors or the Reorganized Debtors may have or which the Reorganized Debtors may choose to assert on behalf of their respective estates under any provision of the Bankruptcy Code or any applicable nonbankruptcy law, including (i) any and all Claims against any Person or Entity, to the extent such Person or Entity asserts a crossclaim, counterclaim, and/or Claim for setoff which seeks affirmative relief against the Debtors, the Reorganized Debtors, or their officers, directors, or representatives and (ii) for the turnover of any property of the Debtors’ estates.

¹ Capitalized terms used but not otherwise defined herein have the meanings ascribed to such terms in the Plan.

² Pursuant to the Plan, “**Cause of Action**” means, without limitation, any and all actions, class actions, proceedings, causes of action, controversies, liabilities, obligations, rights, rights of setoff, recoupment rights, suits, damages, judgments, accounts, defenses, offsets, powers, privileges, licenses, franchises, Claims, Avoidance Actions, counterclaims, cross-claims, affirmative defenses, third-party claims, Liens, indemnity, contribution, guaranty, and demands of any kind or character whatsoever, whether known or unknown, asserted or unasserted, reduced to judgment or otherwise, liquidated or unliquidated, fixed or contingent, matured or unmatured, disputed or undisputed, suspected or unsuspected, foreseen or unforeseen, direct or indirect, choate or inchoate, secured or unsecured, assertable directly or derivatively, existing or hereafter arising, in contract or in tort, in law, in equity, or otherwise, whether arising under the Bankruptcy Code or any applicable nonbankruptcy law, based in whole or in part upon any act or omission or other event occurring on or prior to the Petition Date or during the course of the Chapter 11 Cases, including through the Effective Date. Without limiting the generality of the foregoing, when referring to Causes of Action of the Debtors or their estates, Causes of Action shall include (a) all rights of setoff, counterclaim, or recoupment and Claims for breach of contracts or for breaches of duties imposed by law or equity; (b) the right to object to any Claim or Interest; (c) Claims (including Avoidance Actions) pursuant to section 362 and chapter 5 of the Bankruptcy Code, including sections 510, 542, 543, 544 through 550, or 553; (d) Claims and defenses such as fraud, mistake, duress, usury, and any other defenses set forth in section 558 of the Bankruptcy Code; and (e) any Claims under any state or foreign law, including any fraudulent transfer or similar claims.

Pursuant to Section 10.11(b) of the Plan, nothing therein or in the Confirmation Order shall be deemed to be a waiver or relinquishment of any rights or Causes of Action, right of setoff, or other legal or equitable defense that the Debtors had immediately prior to the Petition Date, against or with respect to any Claim left unimpaired by the Plan. The Reorganized Debtors shall have, retain, reserve, and be entitled to assert all such claims, Causes of Action, rights of setoff, and other legal or equitable defenses that they had immediately prior to the Petition Date fully as if the Chapter 11 Cases had not been commenced, and all of the Reorganized Debtors' legal and equitable rights with respect to any Claim left unimpaired by the Plan may be asserted after the Confirmation Date to the same extent as if the Chapter 11 Cases had not been commenced.

Pursuant to Section 10.11(c) of the Plan, the Reorganized Debtors reserve and shall retain the applicable Causes of Action notwithstanding the rejection of any executory contract or unexpired lease during the Chapter 11 Cases or pursuant to the Plan. In accordance with section 1123(b)(3) of the Bankruptcy Code, any Causes of Action that a Debtor may hold against any Entity shall vest in the Reorganized Debtors in accordance with the terms hereof. The Reorganized Debtors shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court.

III. Scheduled of Retained Rights and Causes of Action and Global Notes

Attached hereto is the Debtors' *Schedule of Retained Rights and Causes of Action* (the "**Schedule of Retained Causes of Action**"), which sets forth certain rights, Claims, or other Causes of Action that are retained and reserved pursuant to the Plan, and may be asserted by the Reorganized Debtors after the Confirmation Date to the same extent as if the Chapter 11 Cases had not been commenced.

These Global Notes pertain to, are incorporated by reference in, and comprise an integral part of, the Schedule of Retained Causes of Action and should be referred to and considered in connection with any review of the Schedule of Retained Causes of Action. The Global Notes are in addition to any specific notes contained in the Schedule of Retained Causes of Action.

The Schedule of Retained Causes of Action does not include all Causes of Action of the Debtors and the Reorganized Debtors and the identification of any specific Claims or Causes of Action therein shall in no way be deemed to limit or otherwise impair the generally applicability of the provisions of the Plan governing the rights, Claims, and Causes of Action that are to be retained and reserved by the Debtors under the Plan, including those provisions set forth above. No Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement, the Disclosure Statement, or the Schedule of Retained Causes of Action to any Cause of Action against them as any indication that the Debtors or the Reorganized Debtors will not pursue any and all available Causes of Action against them. The Debtors reserve the right to amend, modified, or supplement this Schedule of Retained Causes of Action up to the Effective Date of the Plan.

Amounts. Due to the nature of the Claims listed in the Schedule of Retained Causes of Action, the amounts of many of the Claims are unknown. The description of an amount as "unknown" is not intended to reflect upon the materiality of the amount.

Attorneys' Fees. For the avoidance of doubt, all such Claims include any right or amounts the Debtors or Reorganized Debtors may be entitled to recover for attorneys' fees and expenses to the extent provided for under the controlling agreements or applicable law.

Miscellaneous Claims and Causes of Action. For the avoidance of doubt, and without limiting the scope of Sections 10.11 and 10.12 of the Plan, in addition to the specific Causes of Action set forth in the Schedule of Retained Causes of Action, the Debtors and Reorganized Debtors reserve and shall retain the following categories of Claims and Causes of Action and, to the extent not otherwise settled, released, or otherwise resolved pursuant to the Plan, all of the Reorganized Debtors rights with respect thereto are retained and reserved pursuant to the Plan, and may be asserted by the Reorganized Debtors after the Confirmation Date to the same extent as if the Chapter 11 Cases had not been commenced:

- **Contract Claims.** Causes of Action of the Debtors arising from or relating to contracts and leases with various non-Debtor counterparties, notwithstanding the rejection of any executory contract or unexpired lease during the Chapter 11 Cases or pursuant to the Plan.
- **Credit Claims.** Causes of Action of the Debtors arising from or relating to amounts owed to the Debtors on account of or relating to utility services provided by the Debtors.
- **Employment Claims.** Causes of Action of the Debtors arising from or relating to employee code of conduct violations.
- **Environmental Claims.**
 - Insurance Claims: The Debtors have affirmative environmental insurance coverage Claims for defense and indemnity obligations under insurance policies with several insurance carriers. The Claim with each insurance carrier involves a large number of individual Claims by the Debtors against the insurance carrier. Each insurance carrier is listed once in this Schedule of Retained Causes of Action, since a final resolution in each Claim involves a single settlement encompassing all Claims against the carrier.
 - Claims Under Executory Contracts: There may be affirmative Claims against others for environmental remediation and indemnity obligations, associated with Debtor-owned and non-owned property, performed in accordance with orders and consent decrees issued by governmental agencies, and with settlements and cost sharing agreements, all of which are considered executory contracts. This Schedule of Retained Causes of Action is not an inclusive list of all such Claims.
 - Divested Power Plants: Causes of Action of the Debtors arising out of agreements relating to contractual liability for environmental contamination at divested power plants, including, but not limited to, the former Potrero, Moss Landing, and Morrow Bay Power Plant sites.
 - Multiple-Party Sites and Historic Manufactured Gas Plant Sites:
 - *Multiple-Party Sites:* Throughout their years of operation, the Debtors disposed of hazardous substances at a number of hazardous waste disposal sites; including, but not limited to, those sites listed below. For these sites,

the Debtors are one of many disposers, and the Debtors consider each of the other disposers as a co-defendant for remedial clean-up costs.

- Casmalia Resources
- Geothermal Landfill
- IT Landfills
- Ultra Chem. Cleanup Site
- Yosemite Slough/Bay Area Drum

- *Historic Manufactured Gas Plant Sites:* The Debtors are involved in over 75 historic manufactured gas plant (“MGP”) sites, located throughout the Debtors’ service territory (the Debtors have not listed each site in this Schedule of Retained Causes of Action). Many of these properties may be subject to remediation under the direction of environmental agencies or are the subject of third party Claims. For these sites, the Debtors may have Claims against other parties for a share of the remedial clean-up costs.

- The Debtors assert there is the potential, at some point in time in the future, that they could have Claims against one or more of the other parties associated with the sites covered above, thus each of those other parties would be listed in the Schedule of Retained Causes of Action as a party against whom the Debtors have Claims. However, because the number of parties associated with all of these sites can be quite voluminous (in some cases over 10,000 entries), the Debtors are not listing each party here.

- **Litigation Claims.** Causes of Action of the Debtors arising out of or relating to pending legal proceedings commenced by or against either of the Debtors.
- **Property and Equipment Damage Claims.** Causes of Action of the Debtors arising out of or relating to damages or losses caused to the Debtors’ property or utility equipment.
- **Regulatory Proceedings.** Causes of Action of the Debtors arising out of or relating to the numerous regulatory proceedings the Debtors are involved in in the ordinary course, including, but not limited to, those pending before the California Public Utilities Commission and the Federal Energy Regulatory Commission, which are a matter of public record.
- **Tax Claims.** Causes of Action of the Debtors arising out of or relating to amounts owed to the Debtors for tax overpayments.
- **Warranty Claims.** Causes of Action of the Debtors arising out of or relating to amounts owed to the Debtors from various manufacturers and distributors for defective utility equipment.
- **2001 Chapter 11 Proceeding Claims.** Causes of Action of the Debtors arising out of or relating to claims filed against the Utility in its 2001 chapter 11 proceeding that remain pending and unresolved.

Exhibit I-1

Amended and Restated Articles of Incorporation of PG&E Corp.

AMENDED AND RESTATED
ARTICLES OF INCORPORATION
OF
PG&E CORPORATION

WILLIAM D. JOHNSON and BRIAN M. WONG certify that:

1. They are the Chief Executive Officer and President, and the Vice President, Deputy General Counsel and Corporate Secretary, respectively, of PG&E Corporation, a California corporation (the “Corporation”), and have the power to act on behalf of the Corporation pursuant to the order confirming the Debtors’ and Shareholder Proponents’ Joint Chapter 11 Plan of Reorganization Dated [March 16, 2020] [Bankruptcy Docket No. [●]] (the “Plan”), entered on [●], 2020 by the United States Bankruptcy Court for the Northern District of California Case No. 19-30088, the Hon. Dennis Montali judge presiding [Bankruptcy Docket No. [●]].

2. The Articles of Incorporation of the Corporation, as amended to the date of the filing of this certificate, including the amendments set forth herein but not separately filed (and with the omissions required by Section 910 of the California Corporations Code), are amended and restated as follows:

FIRST: The name of the Corporation shall be

PG&E CORPORATION

SECOND: The purpose of the Corporation is to engage in any lawful act or activity for which a corporation may be organized under the General Corporation Law of California other than the banking business, the trust company business or the practice of a profession permitted to be incorporated by the California Corporations Code.

THIRD:

I. The Board of Directors of the Corporation (the “Board”) shall consist of such number of directors, not fewer than twelve (12) nor more than fifteen (15), as shall be prescribed in the Bylaws; provided that from and after the effective date of these Amended and Restated Articles of Incorporation until December 31, 2020, such minimum number of directors shall be nine (9).

II. The Board by a vote of two-thirds of the whole Board may appoint from the directors an Executive Committee, which Committee may exercise such powers as may lawfully be conferred upon it by the Bylaws of the Corporation. Such Committee may prescribe rules for its own government and its meetings may be held at such places within or without California as said Committee may determine or authorize.

FOURTH: No shareholder may cumulate votes in the election of directors.

FIFTH: The liability of the directors of the Corporation for monetary damages shall be eliminated to the fullest extent permissible under California law.

SIXTH: The Corporation is authorized to provide indemnification of agents (as defined in Section 317 of the California Corporations Code) through bylaws, resolutions, agreements with agents, vote of shareholders or disinterested directors or otherwise, in excess of the indemnification otherwise permitted by Section 317 of the California Corporations Code, subject only to the applicable limits set forth in Section 204 of the California Corporations Code.

SEVENTH:

I. The Corporation is authorized to issue two classes of shares, to be designated respectively Preferred Stock (“Preferred Stock”) and Common Stock (“Common Stock”). The total number of shares of capital stock that the Corporation is authorized to issue is 4,000,000,000, of which 400,000,000 shall be Preferred Stock and 3,600,000,000 shall be Common Stock. The Corporation shall not issue nonvoting equity securities (as such term is defined in Section 101(16) of the United States Bankruptcy Code (“Bankruptcy Code”)) to the extent prohibited by Section 1123(a)(6) of the Bankruptcy Code for so long as such Section 1123(a)(6) is in effect and applicable to the Corporation.

II. The Preferred Stock may be issued in any number of series, as determined by the Board. The Board may by resolution fix the designation and number of shares of any such series and, subject to Section I of **Article Seventh**, may determine, alter, or revoke the rights, preferences, privileges, and restrictions pertaining to any wholly unissued class or series of shares. The Board may thereafter in the same manner increase or decrease the number of shares of any such series (but not below the number of shares of that series then outstanding). If the number of shares of any such series shall be so decreased, the shares constituting such decrease shall resume the status that they had prior to the adoption of the resolution originally fixing the number of shares of such series.

EIGHTH:

The Board, when evaluating any proposal or offer which would involve (i) a merger or consolidation of the Corporation or any of its subsidiaries with another person, (ii) a sale of all or substantially all of the assets of the Corporation or any of its subsidiaries, (iii) a tender offer or exchange offer for any capital stock of the Corporation or any of its subsidiaries, or (iv) any similar transaction, shall give due consideration to all factors they may consider relevant. Such factors may include, without limitation, (a) the adequacy, both in amount and form, of the consideration offered in relation not only to the current market price of the Corporation’s outstanding securities, but also the current value of the Corporation in a freely negotiated transaction with other potential acquirers and the Board’s estimate of the Corporation’s future value (including the unrealized value of its properties, assets and prospects) as an independent going concern, (b) the financial and managerial resources and future prospects of the acquirer, and (c) the legal, economic, environmental, regulatory and social effects of the proposed transaction on the Corporation’s and its subsidiaries’ employees, customers, suppliers and other affected persons and entities and on the communities and geographic areas in which the Corporation and its subsidiaries operate, provide utility service or are located, and in particular, the effect on the Corporation’s and its subsidiaries’ ability to safely and reliably meet any public utility obligations they may have at reasonable rates.

NINTH:¹

Restrictions on Transfer of Securities. To ensure the preservation of certain tax attributes for the benefit of the Corporation and its shareholders, certain restrictions on the transfer of Corporation Securities (as defined below) are hereby established as more fully set forth in this **Article Ninth**.

(a) **Definitions.** For purposes of this **Article Ninth**, the following terms shall have the meanings indicated (and any references to any portions of Treasury Regulation Sections 1.382-2T, 1.382-3, 1.382-4 and 1.1502-92 shall include any successor provisions):

“**Acquiring Group**” means any group of Persons where one or more Persons in such group acquires or seeks to acquire beneficial ownership of Corporation Securities and one or more other Persons in such group acquires or seeks to acquire beneficial ownership of Company Group Securities other than Corporation Securities (other than an indirect acquisition solely as a result of the acquisition of Corporation Securities), such as outstanding shares of Utility Preferred Stock, pursuant to a plan or arrangement within the meaning of Treasury Regulations Section 1.1502-92(c)(3)(i).

¹ Alternatively, the provisions contemplated by this Article Ninth may be included either these Articles or in the Bylaws. In either case they will have the same force and effect.

Ownership in the Corporation shall take into account any ownership of additional shares of stock treated as issued by the Corporation under Treasury Regulations Section 1.1502-92 as a result of the Acquiring Group's planned or actual acquisition of the Company Group Securities (applying such sections with reference to the Corporation as the common parent, including under supplemental rules for determining an ownership change and treating the Corporation as having "actual knowledge" of all plans and acquisitions of Company Group Securities for purposes of applying Treasury Regulations Section 1.1502-92(c)(2)(iii)), (2) for purposes of applying Treasury Regulation Section 1.382-2T(k)(2), the Corporation shall be treated as having "actual knowledge" of the beneficial ownership of all outstanding Company Group Securities that would be attributed to any individual or entity, and (3) for the sole purpose of determining the Percentage Stock Ownership of any Person that is an entity (and not for the purpose of determining the Percentage Stock Ownership of any other Person), Company Group Securities held by such Person shall not be treated as no longer owned by such Person pursuant to Treasury Regulation Section 1.382-2T(h)(2)(i)(A).

"Person" means any individual, partnership, joint venture, limited liability company, firm, corporation, unincorporated association or organization, trust or other entity, provided, that, for all purposes of this Article Ninth, any group of such "Persons" having a formal or informal understanding among themselves to make a "coordinated acquisition" of shares within the meaning of Treasury Regulation Section 1.382-3(a)(1) or who are otherwise treated as an "entity" within the meaning of Treasury Regulation Section 1.382-3(a)(1) shall be treated as an "entity," and references to any entity shall include any successor (by merger or otherwise) of any such entity.

"Prohibited Distributions" means any dividends or other distributions that were received by the Purported Transferee from the Corporation with respect to the Excess Securities received by a Purported Transferee.

"Prohibited Transfer" means any purported Transfer of Corporation Securities to the extent that such Transfer is prohibited and/or void under this **Article Ninth**.

"Restriction Release Date" means the earliest of:

(i) the repeal, amendment or modification of Section 382 of the Tax Code (and any comparable successor provisions) in such a way as to render the restrictions imposed by Section 382 of the Tax Code no longer applicable to the Corporation;

(ii) the beginning of a taxable year of the Company Group (or any successor thereof) in which the Board determined that no Tax Benefits are available;

(iii) the date selected by the Board if the Board determines that the limitation amount imposed by Section 382 of the Tax Code as of such date in the event of an "ownership change" of the Corporation (as defined in Section 382 of the Tax Code and Treasury Regulation Sections 1.1502-91 *et seq.*) would not be

materially less than the net operating loss carryforwards or “net unrealized built-in loss” (within the meaning of Section 382 of the Tax Code and Treasury Regulation Sections 1.1502-91 *et seq.*) of the Corporation; and

(iv) the date selected by the Board if the Board determines that it is in the best interests of the Corporation’s shareholders for the restrictions set forth in section (b) of this **Article Ninth** to be removed or released.

“Substantial Shareholder” means a Person with a Percentage Stock Ownership of 4.75% or more.

“Tax Benefit” means any net operating loss carryovers, capital loss carryovers, excess interest deduction carryovers, general business credit carryovers, alternative minimum tax credit carryovers and foreign tax credit carryovers, as well as any loss or deduction attributable to a “net unrealized built-in loss” within the meaning of Section 382 of the Tax Code, of the Company Group or any member thereof.

“Tax Code” means the Internal Revenue Code of 1986, as amended from time to time.

“Transfer” means the acquisition, directly or indirectly, of ownership of Corporation Securities by any means – including, without limitation, (i) the creation or grant of any pledge (or other security interest), right or option with respect to Corporation Securities, including an option within the meaning of Treasury Regulation Section 1.382-4(d)(9), (ii) the exercise of any such pledge, right or option, or (iii) any other transaction treated under the applicable rules under Section 382 of the Tax Code as a direct or indirect acquisition (including the acquisition of an ownership interest in a Substantial Shareholder), provided, that “Transfer” shall not include any such acquisition unless, as a result, there would be an increase in any Person’s Percentage Stock Ownership .

“Utility” means Pacific Gas and Electric Company.

“Utility Charter” means the Amended and Restated Articles of Incorporation of Utility.

“Utility Preferred Stock” means preferred stock issued by Utility (other than preferred stock described in Section 1504(a)(4) of the Tax Code).

“Utility Securities” means (i) shares of common stock issued by Utility, (ii) Utility Preferred Stock, and (iii) any other interest designated as “stock” of Utility by the Board, as disclosed in an SEC filing by Utility.

(b) Prohibited Transfers. Any attempted Transfer of Corporation Securities prior to the Restriction Release Date, or any attempted Transfer of Corporation Securities pursuant to an agreement entered into prior to the Restriction Release Date, shall be prohibited and void *ab initio* insofar as it purports to transfer ownership or rights in respect of such stock to the purported

transferee of a Prohibited Transfer (a “Purported Transferee”) to the extent that, as a result of such Transfer (or any series of Transfers of which such Transfer is a part), either (1) any Person shall become a Substantial Shareholder other than by reason of Treasury Regulation Section 1.382-2T(j)(3) or (2) the Percentage Stock Ownership interest of any Substantial Shareholder shall be increased. Nothing in this **Article Ninth** shall preclude the settlement of any transaction with respect to Corporation Securities entered into through the facilities of a national securities exchange; provided, however, that such a transaction shall still constitute a Prohibited Transfer and the Corporation Securities and parties involved in such transaction shall remain subject to the provisions of this **Article Ninth** in respect of such transaction. In the event that there is an attempted concurrent Transfer of both Corporation Securities and Utility Securities that would be a Prohibited Transfer hereunder and under the Utility Charter (as determined without regard to this sentence), the Prohibited Transfer provisions of the Utility Charter shall be applied first rendering such attempted Transfer of the Utility Securities null and void to the extent necessary, and this section (b) of this **Article Ninth** shall then be applied to the attempted Transfer of the Corporation Securities the extent necessary.

(c) Exceptions; Authorized Transfers.

(i) The restrictions set forth in section (b) of this **Article Ninth** shall not apply to the acquisition of Corporation Securities by the “Fire Victim Trust” as defined in and in accordance with the provisions of the Plan or an attempted Transfer (1) if the transferor or the transferee obtains the prior written approval of the Board or a committee thereof in accordance with section (c)(ii) of this **Article Ninth** below, or (2) if such Transfer is (A) made as part of certain transactions approved by the Board in accordance with section (c)(iii) of this **Article Ninth**, or (B) to the Corporation or Utility.

(ii) The restrictions contained in this **Article Ninth** are for the purposes of reducing the risk that any “ownership change” (as defined in Section 382 of the Tax Code) with respect to the Company Group may limit the Company Group’s ability to utilize its Tax Benefits. In connection therewith, and to provide for effective policing of these provisions, any Person or Acquiring Group that desires to acquire Corporation Securities in an otherwise Prohibited Transfer (a “Requesting Person”) shall, prior to the date of such transaction for which the Requesting Person seeks authorization (the “Proposed Transaction”), request in writing (a “Request”) that the Board review the Proposed Transaction and authorize or not authorize the Proposed Transaction in accordance with this section (c) of this **Article Ninth**. A Request shall be mailed or delivered to the Secretary of the Corporation at the Corporation’s principal place of business. Such Request shall be deemed to have been received by the Corporation when actually received by the Corporation. A Request shall include: (1) the name, address and telephone number of the Requesting Person; (2) the Percentage Stock Ownership then beneficially owned by the Requesting Person (without regard to the ownership of Company Group Securities in any subsidiary of the Corporation), the then number and percentage (by class) of any Company Group Securities in any subsidiary of the Corporation beneficially owned by the Requesting Person, and the then number and percentage (by class) of any Company Group Securities in any subsidiary of the Corporation beneficially owned by any Acquiring Group of which the Requesting Person is a member (and the names and relationship of the Persons within the Acquiring Group); (3) a reasonably detailed description of the Proposed

Transaction or Proposed Transactions for which the Requesting Person seeks authorization; and (4) a request that the Board authorize the Proposed Transaction pursuant to this section (c) of this **Article Ninth**. The Board shall respond to each Request within 20 business days of receiving such Request, and the failure of the Board to respond during such 20 business day period shall be deemed to be a consent to the Transfer; provided, that, the Board may respond by requesting additional information, indicating it requires additional time to consider the Request or in another reasonable manner. The Board shall authorize a Proposed Transaction unless the Board determines in good faith that the Proposed Transaction, considered alone or with other transactions (including, without limitation, past, concurrent, contemplated or anticipated transactions (whether by the Corporation, by another Person pursuant to a Request or otherwise, whether or not the transaction was a Prohibited Transfer) and transactions involving Company Group Securities (including issuances and redemptions) not currently contemplated but which, in the business judgment of the Board, the Corporation should retain the flexibility to pursue) would create a material risk that the Tax Benefits may be jeopardized as a result of the application of Sections 382 and 383 of the Tax Code, allowing for a reasonable margin of safety; provided, that, if multiple Requests are submitted to the Board at approximately the same time and all such Requests would not be approved pursuant to this sentence, the Board may determine any reasonable method to apply the provisions of this sentence to such Requests. Any determination by the Board not to authorize a Proposed Transaction shall cause such Proposed Transaction to continue to be treated as a Prohibited Transfer. The Board may impose any conditions that it deems reasonable and appropriate in connection with authorizing any Proposed Transaction, including requiring an affidavit or representations from such Requesting Person or opinions of counsel to be rendered by counsel selected by the Requesting Person (and reasonably acceptable to the Board), in each case, as to such matters as the Board may reasonably determine with respect to the preservation of the Tax Benefits. Any Requesting Person who makes a Request to the Board shall reimburse the Corporation, within 30 days of demand therefor, for all reasonable out-of-pocket costs and expenses incurred by the Corporation with respect to evaluating the Proposed Transaction of such Requesting Person, including, without limitation, the Corporation's reasonable costs and expenses incurred in determining whether to authorize the Proposed Transaction, which costs may include, but are not limited to, any reasonable expenses of counsel and/or tax advisors engaged by the Board to advise the Board or deliver an opinion thereto. The Board may require, as a condition to its consideration of the Request, that the Requesting Person execute an agreement in form and substance reasonably satisfactory to the Corporation providing for the reimbursement of such costs and expenses. Any authorization of the Board hereunder may be given prospectively or retroactively.

(iii) The Board may determine that the restrictions set forth in section (b) of this **Article Ninth** shall not apply to any particular transaction or transactions, whether or not a request has been made to the Board, including a Request pursuant to this section (c) of this **Article Ninth**, subject to any conditions that it deems reasonable and appropriate in connection therewith. Any determination of the Board hereunder may be made prospectively or retroactively.

(iv) The Board or any committee of the Board, to the fullest extent permitted by law, may exercise the authority granted by this **Article Ninth** through duly authorized officers or agents of the Corporation. Nothing in this section (c) of this **Article Ninth** shall be construed to limit or restrict the Board in the exercise of its fiduciary duties under applicable law.

(d) Legend; Notation. The Board may require that any certificates representing shares of Corporation Securities issued prior to the Restriction Release Date shall contain a conspicuous legend in substantially the following form, or as may otherwise be determined by the Board, evidencing the restrictions set forth in this **Article Ninth**:

“THE AMENDED AND RESTATED ARTICLES OF INCORPORATION OF THE CORPORATION, AS THE SAME MAY BE AMENDED AND RESTATED FROM TIME TO TIME (THE “ARTICLES OF INCORPORATION”), CONTAIN CERTAIN RESTRICTIONS PROHIBITING THE TRANSFER (AS DEFINED IN THE ARTICLES OF INCORPORATION) OF CORPORATION SECURITIES (AS DEFINED IN THE ARTICLES OF INCORPORATION) WITHOUT THE PRIOR AUTHORIZATION IN ACCORDANCE WITH THE ARTICLES OF INCORPORATION IF SUCH TRANSFER MAY AFFECT THE PERCENTAGE OF STOCK OF THE CORPORATION (WITHIN THE MEANING OF SECTION 382 OF THE INTERNAL REVENUE CODE OF 1986, AS AMENDED FROM TIME TO TIME, AND THE TREASURY REGULATIONS PROMULGATED THEREUNDER) THAT IS TREATED AS OWNED BY A “SUBSTANTIAL SHAREHOLDER” AS DEFINED IN THE ARTICLES OF INCORPORATION. A COMPLETE AND CORRECT COPY OF THE ARTICLES OF INCORPORATION SHALL BE FURNISHED FREE OF CHARGE TO THE HOLDER OF RECORD OF THIS CERTIFICATE UPON WRITTEN REQUEST TO THE SECRETARY OF THE CORPORATION.”

The Corporation shall have the power to make appropriate notations upon its stock transfer records and to instruct any transfer agent, registrar, securities intermediary or depository with respect to the requirements of this **Article Ninth** for any uncertificated Corporation Securities or Corporation Securities held in an indirect holding system, and the Corporation shall provide notice of the restrictions on transfer and ownership to holders of uncertificated shares in accordance with applicable law.

(e) Treatment of Excess Securities.

(i) No officer, employee or agent of the Corporation shall record any Prohibited Transfer, and the Purported Transferee shall not be recognized as a shareholder of the Corporation for any purpose whatsoever in respect of the Excess Securities. Until the Excess Securities are acquired by another Person in a Transfer that is not a Prohibited Transfer, the Purported Transferee shall not be entitled with respect to such Excess Securities to any rights of shareholders of the Corporation, including, without limitation, the right to vote such Excess Securities and to receive dividends or distributions, whether liquidating or otherwise, in respect thereof, if any. Once the Excess Securities have been

acquired in a Transfer that is not a Prohibited Transfer, Corporation Securities shall cease to be Excess Securities. For this purpose, any transfer of Excess Securities not in accordance with the provisions of this section (e) of this **Article Ninth** shall also be a Prohibited Transfer.

(ii) If the Board determines that a Transfer of Corporation Securities constitutes a Prohibited Transfer pursuant to section (b) of this **Article Ninth**, then, upon written demand by the Corporation, the Purported Transferee shall transfer or cause to be transferred any certificate or other evidence of ownership of the Excess Securities within the Purported Transferee's possession or control, together with any Prohibited Distributions, to the Agent. The Agent shall thereupon sell to a buyer or buyers, which may include the Corporation, the Excess Securities transferred to it in one or more arm's-length transactions (over the New York Stock Exchange or other national securities exchange on which Corporation Securities may be traded, if possible, or otherwise privately); provided, however, that the Agent shall use reasonable efforts to effect such sale or sales in an orderly fashion and shall not be required to effect any such sale within any specific time frame if, in the Agent's discretion, such sale or sales would disrupt the market for Corporation Securities or otherwise would adversely affect the value of Corporation Securities. If the Purported Transferee has resold the Excess Securities before receiving the Corporation's demand to surrender Excess Securities to the Agent, the Purported Transferee shall be deemed to have sold the Excess Securities for the Agent, and shall be required to transfer to the Agent any Prohibited Distributions and proceeds of such sale, except to the extent that the Corporation grants written permission to the Purported Transferee to retain all or a portion of such sales proceeds to the extent not exceeding the amount that the Purported Transferee would have received from the Agent pursuant to section (e)(iii) of this **Article Ninth** if the Agent rather than the Purported Transferee had resold the Excess Securities.

(iii) The Agent shall apply any proceeds or any other amounts received by it in accordance with section (e)(ii) of this **Article Ninth** as follows: (A) first, such amounts shall be paid to the Agent to the extent necessary to cover its reasonable costs and expenses incurred in connection with its duties hereunder; (B) second, any remaining amounts shall be paid to the Purported Transferee, up to the amount paid by the Purported Transferee for the Excess Securities (or in the case of any Prohibited Transfer by gift, devise or inheritance or any other Prohibited Transfer without consideration, the fair market value, (1) calculated on the basis of the closing market price for Corporation Securities on the day before the Prohibited Transfer, (2) if Corporation Securities are not listed or admitted to trading on any stock exchange but are traded in the over-the-counter market, calculated based upon the difference between the highest bid and lowest asked prices, as such prices are reported by the relevant inter-dealer quotation service or any successor system on the day before the Prohibited Transfer or, if none, on the last preceding day for which such quotations exist, or (3) if Corporation Securities are neither listed nor admitted to trading on any stock exchange nor traded in the over-the-counter market, then as determined in good faith by the Board), which amount (or fair market value) shall be determined at the discretion of the Board; and (C) third, any remaining amounts, subject to the limitations imposed by the following proviso, shall be paid to one or more organizations

qualifying under Section 501(c)(3) of the Tax Code (or any comparable successor provision) selected by the Board; provided, however, that if the Excess Securities (including any Excess Securities arising from a previous Prohibited Transfer not sold by the Agent in a prior sale or sales) represent a 4.75% or greater Percentage Stock Ownership, then any such remaining amounts to the extent attributable to the disposition of the portion of such Excess Securities exceeding a 4.75% Percentage Stock Ownership interest shall be paid to two or more organizations qualifying under Section 501(c)(3) of the Tax Code selected by the Board, such that no organization qualifying under Section 501(c)(3) of the Tax Code shall be deemed to possess a Percentage Stock Ownership in excess of 4.75%. The recourse of any Purported Transferee in respect of any Prohibited Transfer shall be limited to the amount payable to the Purported Transferee pursuant to clause (B) of the preceding sentence. In no event shall the proceeds of any sale of Excess Securities pursuant to this section (e) of this **Article Ninth** inure to the benefit of the Corporation.

(iv) In the event of any Transfer that does not involve a transfer of Corporation Securities within the meaning of the laws of the State of California, but that would cause a Substantial Shareholder to violate any restriction on Transfer provided for in section (b) of this **Article Ninth**, the application of sections (e)(ii) and (e)(iii) of this **Article Ninth** shall be modified as described in this section (e)(iv) of this **Article Ninth**. In such case, no such Substantial Shareholder shall be required to dispose of any interest that is not a Corporation Security, but such Substantial Shareholder and/or any Person or Acquiring Group whose ownership of Corporation Securities is attributed to or taken into account with respect to such Substantial Shareholder shall, in the case of section (e)(ii) of this **Article Ninth**, be deemed to have disposed of and shall be required to dispose of sufficient Corporation Securities (which Corporation Securities shall be disposed of in the inverse order in which they were acquired) to cause such Substantial Shareholder, following such disposition, not to be in violation of this **Article Ninth**. Such disposition or process shall be deemed to occur simultaneously with the Transfer giving rise to the application of this provision, and such number of Securities that are deemed to be disposed of shall be considered Excess Securities and shall be disposed of through the Agent as provided in sections (e)(ii) and (e)(iii) of this **Article Ninth**, except that the maximum aggregate amount payable either to such Substantial Shareholder, or to such other Person or Acquiring Group that was the direct holder of such Excess Securities, in connection with such sale shall be the fair market value of such Excess Securities at the time of the purported Transfer. All such reasonable expenses incurred by the Agent in disposing of such Excess Securities shall be paid out of any amounts due such Substantial Shareholder or such other Person or Acquiring Group. The purpose of this section (e)(iv) of this **Article Ninth** is to extend the restrictions in sections (b) and (e)(ii) of this **Article Ninth** to situations in which there is a Prohibited Transfer without a direct Transfer of Securities, and this section (e)(iv) of this **Article Ninth**, along with the other provisions of this **Article Ninth**, shall be interpreted to produce the same results, with differences as the context requires, as a direct Transfer of Corporation Securities.

(v) If the Purported Transferee fails to surrender the Excess Securities or the proceeds of a sale thereof to the Agent within 30 days from the date on which the Corporation makes a written demand pursuant to section (e)(ii) of this **Article Ninth**, then

the Corporation shall use its best efforts to enforce the provisions hereof, including the institution of legal proceedings to compel the surrender. Nothing in this section (e)(v) of this **Article Ninth** shall (A) be deemed to be inconsistent with any Transfer of the Excess Securities provided in this **Article Ninth** to be void *ab initio*, or (B) preclude the Corporation in its discretion from immediately instituting legal proceedings without a prior demand. The Board or a committee thereof may authorize such additional actions as it deems advisable to give effect to the provisions of this **Article Ninth**.

(vi) The Corporation shall make the written demand described in section (e)(ii) of this **Article Ninth** within 30 days of the date on which the Board determines that the attempted Transfer would result in Excess Securities; provided, however, that, if the Corporation makes such demand at a later date, the provisions of this **Article Ninth** shall apply nonetheless. No failure by the Corporation to act within the time periods set forth in section(e) of this **Article Ninth** shall constitute a waiver or loss of any right of the Corporation under this **Article Ninth**.

(f) Obligation to Provide Information. Any Person that is a beneficial, legal or record holder of Corporation Securities or a member of an Acquiring Group, and any proposed transferor or transferee and any Person controlling, controlled by or under common control with the proposed transferor or transferee, shall as and to the extent reasonably requested in writing by the Corporation, use commercially reasonable efforts promptly to provide such information the Corporation may request as may be necessary from time to time in order to determine compliance with this **Article Ninth** or the status of the Tax Benefits. For the avoidance of doubt, notwithstanding anything to the contrary in this section (f) of this **Article Ninth**, in no event will any Person have any obligation to provide any such information that such Person determines, in its reasonable judgment, it is legally or contractually prohibited from disclosing; provided, that the Board may decline to authorize a Proposed Transaction, notwithstanding any provision of section (c)(ii) of this **Article Ninth** to the contrary, if any Requesting Person does not provide any information reasonably requested by the Corporation.

(g) Board Authority.

(i) The Board or any committee thereof shall have the power to interpret or determine in its sole discretion all matters necessary for assessing compliance with this **Article Ninth**, including, without limitation, (i) the identification of Substantial Shareholders or Acquiring Groups, (ii) whether a Transfer is a Prohibited Transfer, (iii) whether to exempt a Transfer from the restrictions of section (b) of this **Article Ninth**, (iv) the Percentage Stock Ownership of any Substantial Shareholder, (v) whether an instrument constitutes a Company Group Security, (vi) the amount (or fair market value) due to a Purported Transferee pursuant to clause (B) of section (e)(iii) of this **Article Ninth**, and (vii) any other matters which the Board or such committee determines to be relevant; and the good faith determination of the Board or such committee on such matters shall be conclusive and binding for all the purposes of this **Article Ninth**.

(ii) In addition, the Board or any committee thereof may, to the extent permitted by law, from time to time establish, modify, amend or rescind bylaws,

regulations and procedures of the Corporation not inconsistent with the provisions of this **Article Ninth** for purposes of determining whether any Transfer of Corporation Securities would jeopardize the Company Group's ability to preserve and use the Tax Benefits and for the application, administration and implementation of this **Article Ninth**.

(iii) Nothing contained in this **Article Ninth** shall limit the authority of the Board or a committee thereof to take such other action to the extent permitted by law as it deems necessary or advisable to protect the Company Group and the Corporation's shareholders in preserving the Tax Benefits, including the implementation of restrictions on dispositions or sales of Corporation Securities that result in a decrease of a Substantial Shareholder's Percentage Stock Ownership. Without limiting the generality of the foregoing, in the event of a change in law making one or more of the following actions necessary or desirable, the Board or any committee thereof may, by adopting a written resolution, (A) modify the ownership interest percentage in the Corporation or the Persons covered by this **Article Ninth**, (B) modify the definitions of any terms set forth in this **Article Ninth** or (C) modify the terms of this **Article Ninth** as appropriate, in each case, in order to prevent an ownership change for purposes of Section 382 of the Tax Code as a result of any changes in applicable Treasury Regulations or otherwise; provided, however, that the Board or committee shall not cause there to be such modification unless it determines that such action is reasonably necessary or advisable to preserve the Tax Benefits or that the continuation of these restrictions is no longer reasonably necessary for the preservation of the Tax Benefits. Shareholders of the Corporation shall be notified of such determination through a filing with the SEC or such other method of notice as the Corporation deems appropriate.

(iv) In the case of an ambiguity in the application of any of the provisions of this **Article Ninth**, including any definition used herein, the Board shall have the power to determine the application of such provisions. In the event this **Article Ninth** requires an action by the Board but fails to provide specific guidance with respect to such action, the Board or any committee thereof shall have the power to determine the action to be taken. All such actions, calculations, interpretations and determinations that are done or made by the Board shall be conclusive and binding on the Corporation, the Agent and all other parties for all other purposes of this **Article Ninth**. The Board may delegate all or any portion of its duties and powers under this **Article Ninth** to a committee of the Board as it deems necessary or advisable, and, to the Board and such committee may exercise the authority granted by this **Article Ninth** through duly authorized officers or agents of the Corporation. Nothing in this **Article Ninth** shall be construed to limit or restrict the Board in the exercise of its fiduciary duties under applicable law.

(h) Reliance. To the fullest extent permitted by law, the Corporation and the members of the Board or any committee thereof shall be fully protected in relying in good faith upon the information, opinions, reports or statements of the chief executive officer, the chief financial officer, the chief accounting officer, the Secretary or the corporate controller of the Corporation or of the Corporation's legal counsel, independent auditors, transfer agent, investment bankers or other employees and agents in making the determinations and findings contemplated by this **Article Ninth**, and the members of the Board shall not be responsible for any good faith

errors made in connection therewith. For purposes of determining the existence and identity of, and the amount of any Corporation Securities owned by any shareholder, the Corporation is entitled to rely on the existence and absence of filings of Schedule 13D, 13F or 13G under the Securities Exchange Act of 1934, or similar statements, reports or other filings, as of any date, subject to its actual knowledge of the ownership of Corporation Securities.

(i) Benefits of this Article Ninth. Nothing in this **Article Ninth** shall be construed to give to any Person other than the Corporation, the Agent and members of the Board and such committee thereof any legal or equitable right, remedy or claim under this **Article Ninth**. This **Article Ninth** shall be for the sole and exclusive benefit of the Corporation, the Agent and members of the Board or any such committee thereof.

(j) Severability. The purpose of this **Article Ninth** is to facilitate the Company Group's ability to maintain or preserve its Tax Benefits. If any provision of this **Article Ninth** or the application of any such provision to any Person or under any circumstance shall be held invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision of this **Article Ninth**.

(k) Waiver. With regard to any power, remedy or right provided herein or otherwise available to the Corporation or the Agent under this **Article Ninth**, (i) no waiver will be effective unless expressly contained in a writing signed by the waiving party, and (ii) no alteration, modification or impairment will be implied by reason of any previous waiver, extension of time, delay or omission in exercise, or other indulgence.

3. In accordance with Section 1401 of the California Corporations Code, provision for making the foregoing amendment and restatement of the Articles of Incorporation of the Corporation is contained in the order confirming the Plan, entered on [●], 2020 by the United States Bankruptcy Court for the Northern District of California Case No. 19-30088, the Hon. Exhibit I-2

Amended and Restated Bylaws of PG&E Corp.

**Bylaws
of
PG&E Corporation (the “Corporation”)
Amended and Restated as of [●], 2020 (the “Effective Date”)**

**ARTICLE I
SHAREHOLDERS.**

1. **Place of Meeting.** Meetings of the shareholders shall be held at such place, within or without the State of California, as may be designated from time to time by the Board of Directors (the “Board”).

A meeting of the shareholders may be conducted, in whole or in part, by electronic transmission by and to the Corporation or by electronic video screen communication if: (a) the Corporation implements reasonable measures to provide shareholders (in person or by proxy) a reasonable opportunity to participate in the meeting and to vote on matters submitted to the shareholders, and (b) the Corporation maintains a record of the vote or action and any shareholder votes or other shareholder actions taken at the meeting by means of electronic transmission to the Corporation or electronic video screen communication.

Any request by the Corporation to a shareholder under Section 20(b) of the California Corporations Code for consent to conduct a meeting of shareholders by electronic transmission must include a notice that, absent consent of the shareholder, the meeting will be held at a physical location.

2. **Annual Meetings.** The first annual meeting of shareholders following the Effective Date is designated to take place on the date and at the time determined by the Board, which date must be within 15 months of the Effective Date. Thereafter, the annual meeting of shareholders must be held each year on a date and at a time designated by the Board.

Written notice of the annual meeting shall be given not less than ten (or, if sent by third-class mail, thirty) nor more than sixty days prior to the date of the meeting to each shareholder entitled to vote thereat. The notice shall state the place (if any), date, and hour of such meeting, the means of electronic transmission by and to the Corporation or electronic video screen communication (if any) by which shareholders may participate in that meeting, and those matters which the Board, at the time of mailing, intends to present for action by the shareholders.

Notice of any meeting of the shareholders shall be given by mail, electronic transmission, or other written communication to each holder of record of the stock entitled to vote thereat, at his address, as it appears on the books of the Corporation.

For purposes of this Section 2 only, “electronic transmission” from the Corporation means a communication (a) delivered by (i) facsimile telecommunication or electronic mail when directed to the facsimile number or electronic mail address, respectively, for that shareholder on record with the Corporation, (ii) posting on an electronic message board or network which the Corporation has designated for those communications, together with a separate notice to the recipient of the posting, which transmission shall be validly delivered upon the later of the posting or delivery of the separate notice thereof, or (iii) other means of electronic

communication, (b) to a shareholder who has provided an unrevoked consent to the use of those means of transmission for such communications, and (c) that creates a record that is capable of retention, retrieval, and review, and that may thereafter be rendered into clearly legible tangible form. In addition, the consent to an electronic transmission by the Corporation to an individual shareholder shall be preceded by or include a clear written statement to the shareholder as to: (a) any right of the recipient to have the record provided or made available on paper or in non-electronic form, (b) whether the consent applies only to that transmission, to specified categories of communications, or to all communications from the Corporation, and (c) the procedures the recipient must use to withdraw consent.

At an annual meeting of shareholders, only such business shall be conducted as shall have been properly brought before the annual meeting. To be properly brought before an annual meeting, business must be (a) specified in the notice of the annual meeting (or any supplement thereto) given by or at the direction of the Board, or (b) otherwise properly brought before the annual meeting by a shareholder. Notwithstanding anything in these Bylaws to the contrary, no business shall be conducted at an annual meeting except in accordance with the procedures set forth in this Section 2 and Article I, Section 3 of these Bylaws.

For business to be properly brought before an annual meeting by a shareholder, including the nomination of any person (other than a person nominated by or at the direction of the Board) for election to the Board, the shareholder must have given timely and proper written notice to the Corporate Secretary of the Corporation pursuant to this Section 2 or Article I, Section 3 of these Bylaws.

Other than director nominations pursuant to Article I, Section 3 of these Bylaws, to be timely, the shareholder's written notice must be received at the principal executive office of the Corporation not more than 120 days and not less than ninety days before the anniversary date of the prior year's annual meeting of shareholders; provided, however, that if the annual meeting to which the shareholder's written notice relates is to be held on a date that differs by more than thirty days from the date of the last annual meeting of shareholders, the shareholder's written notice to be timely must be so received not later than the close of business on the tenth day following the date on which public disclosure of the date of the annual meeting is made or given to shareholders. In the case of the first annual meeting of shareholders to be held after the Effective Date, the shareholder's written notice to be timely must be so received not later than the close of business on the tenth day following the date on which public disclosure of the date of the annual meeting is made or given to shareholders. Any shareholder's written notice that is delivered after the close of business (5:00 p.m. local time) will be considered received on the following business day. As used in these Bylaws, "public disclosure" shall include disclosure in a press release or in a document publicly filed by the Corporation with the United States Securities and Exchange Commission ("SEC") pursuant to Section 13, 14, or 15(d) of the Securities Exchange Act of 1934 (and its successors) (the "Exchange Act") and the rules and regulations promulgated thereunder.

To be proper, the shareholder's written notice must set forth as to each matter the shareholder proposes to bring before the annual meeting (a) a brief description of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting, (b) the text of the proposal or business to be brought before the annual

meeting (including the text of any resolutions proposed for consideration, and in the event that such business includes a proposal to amend these Bylaws, the language of the proposed amendment), (c) the name and address of the shareholder as they appear on the Corporation's books and the name and address of any of its Associated Persons (defined below), (d) the class and number of shares of the Corporation that are beneficially owned or held of record by the shareholder or any of its Associated Persons, and a description of all Disclosable Interests (defined below) (i) held by the shareholder or any of its Associated Persons or (ii) to which any of them is a party, (e) a description of all agreements, arrangements, or understandings between or among (i) such shareholder, (ii) any Associated Person, and/or (iii) any other person or persons (naming such person or persons), in each case relating to the business to be brought before the annual meeting or pursuant to which such business is to be proposed by such shareholder, (f) any material interest of the shareholder or Associated Parties in such business, and (g) other such information concerning the shareholder, any of its Associated Persons, and such item of business as would be required under the rules of the SEC in a proxy statement soliciting proxies in support of the item of business proposed to be brought before the annual meeting; provided, however, that the disclosures required by this Section 2 shall not include any disclosures with respect to any broker, dealer, commercial bank, trust company, or similar nominee solely as a result of such entity being the shareholder directed to prepare and submit the notice required by these Bylaws on behalf of a beneficial owner or beneficial owners.

In addition, other than director nominations pursuant to Article I, Section 3 of these Bylaws, if the shareholder's written notice relates to the nomination at the annual meeting of any person for election to the Board, such notice to be proper must also set forth (a) the name, age, business address, and residence address of each person to be so nominated, (b) the principal occupation or employment of each such person, (c) the number of shares of capital stock of the Corporation beneficially owned by each such person and any and all Disclosable Interests held by each such person to which each such person is a party, (d) a description of all agreements, arrangements, or understandings (including compensation) between or among (i) such shareholder, (ii) each nominee, (iii) any Associated Person, and/or (iv) any other person or persons (naming such person or persons), in each case relating to the nomination or pursuant to which the nomination or nominations are to be made by such shareholder and/or relating to the candidacy or service of the nominee as a director of the Corporation, (e) a representation that the shareholder is a holder of record of stock of the Corporation entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to propose such nomination, (f) a representation as to whether the shareholder or the beneficial owner, if any, intends or is part of a group that intends (i) to deliver a proxy statement and/or form of proxy to holders of at least the percentage of the Corporation's outstanding capital stock required to elect the nominee, or (ii) otherwise to solicit proxies from shareholders in support of such nomination, (g) such other information concerning each such person as would be required under the rules of the SEC in a proxy statement soliciting proxies for the election of such person as a director, and accompanied by a consent, signed by each such person, to serve as a director of the Corporation if elected, and (h) if any such nominee, the shareholder nominating the nominee, or any such Associated Person expresses an intention or recommendation that the Corporation enter into a strategic transaction, any material interest in such transaction of each such proposed nominee, shareholder, or Associated Person, including without limitation, any equity interests or any Disclosable Interests held by each such nominee, shareholder, or Associated Person in any other person, the value of which interests could reasonably be expected to be materially affected by such transaction. In

addition, such notice must contain a written and signed representation and agreement of each such nominee, pursuant to which such nominee represents and agrees that he or she (a) is not and will not become a party to any agreement, arrangement, or understanding with, and has not given any commitment or assurance to, any person or entity as to how such nominee, if elected as a director, will act or vote on any issue or question or that could reasonably be expected to limit or interfere with such nominee's ability to comply with his or her fiduciary duties under applicable law that has not been disclosed to the Corporation, (b) is not and will not become a party to any agreement, arrangement, or understanding with any person or entity other than the Corporation with respect to any direct or indirect compensation, reimbursement, or indemnification in connection with service or action as a director that has not been disclosed to the Corporation, and (c) if elected as a director, will comply with all of the Corporation's then existing corporate governance, conflict of interest, confidentiality, and stock ownership and trading policies, codes, and guidelines and any other Corporation policies, codes, and guidelines applicable to directors. To be proper notice, the shareholder's notice also must include a written questionnaire completed by the proposed nominee with respect to the background and qualifications of such proposed nominee (which form of questionnaire shall be provided by the Corporate Secretary upon request).

The Corporation may require any proposed nominee to furnish such other information as it may reasonably require to determine (a) the eligibility of such proposed nominee to serve as a director of the Corporation, and (b) whether such nominee qualifies as an "independent director" or "audit committee financial expert" under applicable law, securities exchange rule or regulation, or any publicly disclosed corporate governance guideline or committee charter of the Corporation.

In addition, for a shareholder's written notice to the Corporate Secretary to be proper and timely, a shareholder providing notice of any business (including the nomination of any person for election to the Board) proposed to be made at any annual meeting shall further update and supplement such notice, if necessary, so that the information provided or required to be provided in such notice pursuant to this Section 2 shall be true and correct as of the record date for the meeting and as of the date that is ten business days prior to the meeting or any adjournment or postponement thereof. Such update and supplement (or, if applicable, written confirmation that the information provided in such notice is still true and correct as of the applicable date) shall be delivered to, or mailed to and received by, the Corporate Secretary at the principal executive office of the Corporation no later than five business days after the record date for the meeting (in the case of the update and supplement required to be made as of the record date), and no later than eight business days prior to the date for the meeting or, if practicable, any adjournment or postponement thereof and, if not practicable, on the first practicable date prior to the date to which the meeting has been adjourned or postponed (in the case of the update and supplement required to be made as of ten business days prior to the meeting or any adjournment or postponement thereof). A shareholder, in his or her initial written notice of any business to the Corporate Secretary, shall confirm his or her intention to update and supplement such notice as required herein.

Nothing in these Bylaws shall be deemed to affect any rights of a shareholder to request inclusion of proposals in the Corporation's proxy statement pursuant to Rule 14a-8 under the Exchange Act. Notwithstanding anything in these Bylaws to the contrary, except for proposals

properly and timely made in accordance with Rule 14a-8 under the Exchange Act and included in the notice of annual meeting given by or at the direction of the Board, no business shall be conducted at any annual meeting except in accordance with the procedures set forth in this Section 2 and Article I, Section 3 of these Bylaws.

As used in this Section 2, “Associated Person” shall mean (a) the beneficial owner or beneficial owners on whose behalf the written notice of business proposed to be brought before the annual meeting is made, if different from the shareholder proposing such business, and (b) each “affiliate” or “associate” (each within the meaning of Rule 12b-2 under the Exchange Act for purposes of these Bylaws) of each such shareholder or beneficial owner.

As used in this Section 2, “Disclosable Interest” shall mean any agreement, arrangement, or understanding (including but not limited to any derivatives, swaps, long or short positions, options, warrants, convertible securities, stock appreciation or similar rights, hedging transactions, and borrowed or loaned shares that are held or have been entered into, directly or indirectly, by or on behalf of such shareholder, the nominee proposed by such shareholder, as applicable, or any such Associated Person), the effect or intent of which is to mitigate loss to, manage the risk or benefit of share price changes for, provide the opportunity to profit from share price changes to, or maintain, increase, or decrease the voting power of, such shareholder, proposed nominee, as applicable, or any such Associated Person, with respect to shares of stock of the Corporation; provided, however, that Disclosable Interests shall not include any such disclosures with respect to any broker, dealer, commercial bank, trust company, or similar nominee solely as a result of such entity being the shareholder directed to prepare and submit the notice required by these Bylaws on behalf of a beneficial owner or beneficial owners.

3. Nominations of Directors Included in the Corporation’s Proxy Materials.

(a) **Inclusion of Shareholder Nominee in Proxy Statement.** Subject to the provisions of this Section 3, if expressly requested in the relevant Nomination Notice (as defined in Section 3(d) below), the Corporation shall include in its proxy statement for any annual meeting of shareholders (but not at any special meeting of shareholders): (i) the name of any person nominated for election (the “Shareholder Nominee”), which shall also be included on the Corporation’s form of proxy and ballot, by any Eligible Shareholder (as defined in Article I, Section 3(c)(i) below) or group of up to 20 Eligible Shareholders that, as determined by the Board or its designee acting in good faith, has (individually and collectively, in the case of a group) satisfied all applicable conditions and complied with all applicable procedures set forth in this Section 3 (such Eligible Shareholder or group of Eligible Shareholders being a “Nominating Shareholder”); (ii) disclosure about the Shareholder Nominee and the Nominating Shareholder required under the rules of the SEC or other applicable law to be included in the proxy statement; (iii) any statement included by the Nominating Shareholder in the Nomination Notice for inclusion in the proxy statement in support of the Shareholder Nominee’s election to the Board (subject, without limitation, to Article I, Section 3(e)(ii), provided that such statement does not exceed 500 words; and (iv) any other information that the Corporation or the Board determines, in their discretion, to include in the proxy statement relating to the nomination of the Shareholder Nominee, including, without limitation, any statement in opposition to the nomination and any of the information provided pursuant to this Section 3.

(b) **Maximum Number of Shareholder Nominees.**

(i) The Corporation shall not be required to include in the proxy statement for an annual meeting of shareholders more Shareholder Nominees than that number of directors constituting 20 percent of the total number of directors of the Corporation on the last day on which a Nomination Notice may be submitted pursuant to this Section 3 (rounded down to the nearest whole number), but, in any event, not fewer than two (the “Maximum Number”). The Maximum Number for a particular annual meeting shall be reduced by: (1) Shareholder Nominees whose nominations are subsequently withdrawn and (2) Shareholder Nominees whom the Board itself decides to nominate for election at such annual meeting. In the event that one or more vacancies for any reason occurs on the Board after the deadline set forth in Article I, Section 3(d) but before the date of the annual meeting of shareholders and the Board resolves to reduce the size of the Board in connection therewith, the Maximum Number shall be calculated based on the number of directors in office as so reduced.

(ii) If the number of Shareholder Nominees pursuant to this Section 3 for any annual meeting of shareholders exceeds the Maximum Number, then, promptly upon notice from the Corporation, each Nominating Shareholder will select one Shareholder Nominee for inclusion in the proxy statement until the Maximum Number is reached, going in order of the amount (largest to smallest) of shares of the Corporation’s common stock that each Nominating Shareholder disclosed as owned in its Nomination Notice, with the process repeated if the Maximum Number is not reached after each Nominating Shareholder has selected one Shareholder Nominee. If, after the deadline for submitting a Nomination Notice as set forth in Article I, Section 2(d), a Nominating Shareholder becomes ineligible or withdraws its nomination, or a Shareholder Nominee becomes ineligible or unwilling to serve on the Board, whether before or after the mailing of the definitive proxy statement, then the Corporation: (1) shall not be required to include in its proxy statement or on any ballot or form of proxy the Shareholder Nominee or any successor or replacement nominee proposed by the Nominating Shareholder or by any other Nominating Shareholder and (2) may otherwise communicate to its shareholders, including without limitation by amending or supplementing its proxy statement or ballot or form of proxy, that the Shareholder Nominee will not be included as a Shareholder Nominee in the proxy statement or on any ballot or form of proxy and will not be voted on at the annual meeting of shareholders.

(c) **Eligibility of Nominating Shareholder.**

(i) An “Eligible Shareholder” is a person who has either (1) been a record holder of the shares of common stock of the Corporation used to satisfy the eligibility requirements in this Section 3(c) continuously for the three-year period specified in this Section 3(c)(ii) below or (2) provides to the Corporate Secretary of the Corporation, within the time period referred to in Article I, Section 3(d), evidence of continuous ownership of such shares for such three-year period from one or more securities intermediaries in a form that the Board or its designee, acting in good faith, determines acceptable.

(ii) An Eligible Shareholder or group of up to 20 Eligible Shareholders may submit a nomination in accordance with this Section 3 only if the person or group (in the aggregate) has continuously owned at least the Minimum Number (as defined in Article I, Section 3(c)(iii) below) (as adjusted for any stock splits, reverse stock splits, stock dividends or similar events) of shares of the Corporation's common stock throughout the three-year period preceding and including the date of submission of the Nomination Notice, and continues to own at least the Minimum Number of shares through the date of the annual meeting of shareholders. The following shall be treated as one Eligible Shareholder if such Eligible Shareholder shall provide together with the Nomination Notice documentation satisfactory to the Board or its designee, acting in good faith, that demonstrates compliance with the following criteria: (1) funds under common management and investment control; (2) funds under common management and funded primarily by the same employer; or (3) a "family of investment companies" or a "group of investment companies" (each as defined in the Investment Company Act of 1940, as amended). For the avoidance of doubt, in the event of a nomination by a Nominating Shareholder that includes more than one Eligible Shareholder, any and all requirements and obligations for a given Eligible Shareholder or, except as the context otherwise makes clear, the Nominating Shareholder that are set forth in this Section 3, including the minimum holding period, shall apply to each member of such group; provided, however, that the Minimum Number shall apply to the aggregate ownership of the group of Eligible Shareholders constituting the Nominating Shareholder. Should any Eligible Shareholder withdraw from a group of Eligible Shareholders constituting a Nominating Shareholder at any time prior to the annual meeting of shareholders, the Nominating Shareholder shall be deemed to own only the shares held by the remaining Eligible Shareholders. As used in this Section 3, any reference to a "group" or "group of Eligible Shareholders" refers to any Nominating Shareholder that consists of more than one Eligible Shareholder and to all the Eligible Shareholders that make up such Nominating Shareholder.

(iii) The "Minimum Number" of shares of the Corporation's common stock means 3 percent of the number of outstanding shares of common stock of the Corporation as of the most recent date for which such amount is given in any filing by the Corporation with the SEC prior to the submission of the Nomination Notice.

(iv) For purposes of this Section 3, an Eligible Shareholder "owns" only those outstanding shares of the Corporation's common stock as to which such Eligible Shareholder possesses both: (1) the full voting and investment rights pertaining to such shares and (2) the full economic interest in (including the opportunity for profit from and the risk of loss on) such shares; provided that the number of shares calculated in accordance with clauses (1) and (2) shall not include any shares (x) sold by such Eligible Shareholder or any of its affiliates in any transaction that has not been settled or closed, (y) borrowed by such Eligible Shareholder or any of its affiliates for any purpose or purchased by such Eligible Shareholder or any of its affiliates pursuant to an agreement to resell, or (z) subject to any option, warrant, forward contract, swap, contract of sale, or other derivative or similar agreement entered into by such Eligible Shareholder or any of its affiliates, whether any such instrument or agreement is to be settled with shares or with cash based on the notional amount or value of outstanding capital stock of the

Corporation, in any such case which instrument or agreement has, or is intended to have, the purpose or effect of: (A) reducing in any manner, to any extent or at any time in the future, such Eligible Shareholder's or any of its affiliates' full right to vote or direct the voting of any such shares, and/or (B) hedging, offsetting, or altering to any degree any gain or loss arising from the full economic ownership of such shares by such Eligible Shareholder or any of its affiliates. An Eligible Shareholder "owns" shares held in the name of a nominee or other intermediary so long as the Eligible Shareholder retains the right to instruct how the shares are voted with respect to the election of directors and possesses the full economic interest in the shares. An Eligible Shareholder's ownership of shares shall be deemed to continue during any period in which the Eligible Shareholder has delegated any voting power by means of a proxy, power of attorney, or other similar instrument or arrangement that is revocable at any time by the Eligible Shareholder. An Eligible Shareholder's ownership of shares shall be deemed to continue during any period in which the Eligible Shareholder has loaned such shares, provided that the Eligible Shareholder has the power to recall such loaned shares on not more than five business days' notice. The terms "owned," "owning," and other variations of the word "own" shall have correlative meanings. Whether outstanding shares of the Corporation are "owned" for these purposes shall be determined by the Board or its designee acting in good faith. For purposes of this Section 3(c)(iv), the term "affiliate" or "affiliates" shall have the meaning ascribed thereto under the Exchange Act.

(v) No Eligible Shareholder shall be permitted to be in more than one group constituting a Nominating Shareholder, and if any Eligible Shareholder appears as a member of more than one group, such Eligible Shareholder shall be deemed to be a member of only the group that has the largest ownership position as reflected in the Nomination Notice.

(d) **Nomination Notice.** To nominate a Shareholder Nominee pursuant to this Section 3, the Nominating Shareholder must submit to the Secretary all of the following information and documents in a form that the Board or its designee, acting in good faith, determines acceptable (collectively, the "Nomination Notice"), not less than 120 days nor more than 150 days prior to the anniversary of the date that the Corporation mailed its proxy statement for the prior year's annual meeting of shareholders; provided, however, that in the case of an Other Meeting Date (defined below), the Nomination Notice must be given in the manner provided herein by the later of the close of business on the date that is 180 days prior to an Other Meeting Date or the tenth day following the date the Other Meeting Date is first publicly announced or disclosed (in no event will the adjournment or postponement of an annual meeting, or the announcement thereof, commence a new time period (or extend any time period) for the giving of the Nomination Notice):

(i) one or more written statements from the record holder of the shares (and from each intermediary through which the shares are or have been held during the requisite three-year holding period) verifying that, as of a date within seven (7) calendar days prior to the date of the Nomination Notice, the Nominating Shareholder owns, and has continuously owned for the preceding three (3) years, the Minimum Number of shares, and the Nominating Shareholder's agreement to provide, within five (5) business days after the record date for the annual meeting, written statements from the record

holder and intermediaries verifying the Nominating Shareholder's continuous ownership of the Minimum Number of shares through the record date;

(ii) an agreement to provide immediate notice if the Nominating Shareholder ceases to own the Minimum Number of shares at any time prior to the date of the annual meeting;

(iii) a copy of the Schedule 14N (or any successor form) relating to the Shareholder Nominee, completed and filed with the SEC by the Nominating Shareholder as applicable, in accordance with SEC rules;

(iv) the written consent of each Shareholder Nominee to being named in the Corporation's proxy statement, form of proxy, and ballot as a nominee and to serving as a director if elected;

(v) a written notice of the nomination of such Shareholder Nominee that includes the following additional information, agreements, representations, and warranties by the Nominating Shareholder (including, for the avoidance of doubt, each group member in the case of a Nominating Shareholder consisting of a group of Eligible Shareholders): (1) the information that would be required to be set forth in a shareholder's notice of nomination pursuant to Article I, Section 2 of these Bylaws; (2) the details of any relationship that existed within the past three years and that would have been described pursuant to Item 6(e) of Schedule 14N (or any successor item) if it existed on the date of submission of the Schedule 14N; (3) a representation and warranty that the Nominating Shareholder did not acquire, and is not holding, securities of the Corporation for the purpose or with the effect of influencing or changing control of the Corporation; (4) a representation and warranty that the Nominating Shareholder has not nominated and will not nominate for election to the Board at the annual meeting any person other than such Nominating Shareholder's Shareholder Nominee(s); (5) a representation and warranty that the Nominating Shareholder has not engaged in and will not engage in a "solicitation" within the meaning of Rule 14a-1(l) under the Exchange Act (without reference to the exception in Section 14a-1(l)(2)(iv)) with respect to the annual meeting, other than with respect to such Nominating Shareholder's Shareholder Nominee(s) or any nominee of the Board); (6) a representation and warranty that the Nominating Shareholder will not use any proxy card other than the Corporation's proxy card in soliciting shareholders in connection with the election of a Shareholder Nominee at the annual meeting; (7) a representation and warranty that the Shareholder Nominee's candidacy or, if elected, Board membership would not violate applicable state or federal law or the rules of any stock exchange on which the Corporation's securities are traded (the "Stock Exchange Rules"); (8) a representation and warranty that the Shareholder Nominee: (A) does not have any direct or indirect relationship with the Corporation that will cause the Shareholder Nominee to be deemed not independent pursuant to the Corporation's Corporate Governance Guidelines and director independence standards and otherwise qualifies as independent under the Corporation's Corporate Governance Guidelines, director independence standards, and the Stock Exchange Rules; (B) meets the audit committee and compensation committee independence requirements under the Stock Exchange Rules; (C) is a "non-employee director" for the purposes of Rule 16b-3

(vi) an executed agreement pursuant to which the Nominating Shareholder (including in the case of a group, each Eligible Shareholder in that group) agrees: (1) to comply with all applicable laws, rules, and regulations in connection with the nomination, solicitation, and election; (2) to file any written solicitation or other communication with the Corporation’s shareholders relating to one or more of the Corporation’s directors or director nominees or any Shareholder Nominee with the SEC, regardless of whether any such filing is required under any rule or regulation or whether any exemption from filing is available for such materials under any rule or regulation; (3) to assume all liability stemming from an action, suit, or proceeding concerning any actual or alleged legal or regulatory violation arising out of any communication by the Nominating Shareholder or the Shareholder Nominee nominated by such Nominating Shareholder with the Corporation, its shareholders, or any other person in connection with the nomination or election of directors, including, without limitation, the Nomination Notice; (4) to indemnify and hold harmless (jointly and severally with all other Eligible Shareholders, in the case of a group of Eligible Shareholders) the Corporation and each of its directors, officers, and employees individually against any liability, loss, damages, expenses, or other costs (including attorneys’ fees) incurred in connection with any threatened or pending action, suit, or proceeding, whether legal, administrative, or investigative, against the Corporation or any of its directors, officers, or employees arising out of or relating to a failure or alleged failure of the Nominating Shareholder or Shareholder Nominee to comply with, or any breach or alleged breach of, its, or his or her, as applicable, obligations, agreements, or representations under this Section 3; (5) in the event that any information included in the Nomination Notice, or any

other communication by the Nominating Shareholder (including with respect to any Eligible Shareholder included in a group) with the Corporation, its shareholders, or any other person in connection with the nomination or election ceases to be true and accurate in all material respects (or due to a subsequent development omits a material fact necessary to make the statements made not misleading), to promptly (and in any event within 48 hours of discovering such misstatement or omission) notify the Corporation and any other recipient of such communication of the misstatement or omission in such previously provided information and of the information that is required to correct the misstatement or omission; and (6) in the event that the Nominating Shareholder (including any Eligible Shareholder included in a group) has failed to continue to satisfy the eligibility requirements described in Article I, Section 3(c), to promptly notify the Corporation; and

(vii) an executed agreement by the Shareholder Nominee: (1) to provide to the Corporation such other information, including completion of the Corporation's director nominee questionnaire, as the Board or its designee, acting in good faith, may request; (2) that the Shareholder Nominee has read and agrees, if elected to serve as a member of the Board, to adhere to the Corporation's Corporate Governance Guidelines, Code of Business Conduct and Ethics for Directors, and any other Corporation policies and guidelines applicable to directors; and (3) that the Shareholder Nominee is not and will not become a party to (A) any compensatory, payment or other financial agreement, arrangement, or understanding with any person or entity in connection with such person's nomination, candidacy, service, or action as director of the Corporation that has not been fully disclosed to the Corporation prior to or concurrently with the Nominating Shareholder's submission of the Nomination Notice, (B) any agreement, arrangement, or understanding with any person or entity as to how the Shareholder Nominee would vote or act on any issue or question as a director (a "Voting Commitment") that has not been fully disclosed to the Corporation prior to or concurrently with the Nominating Shareholder's submission of the Nomination Notice, or (C) any Voting Commitment that could limit or interfere with the Shareholder Nominee's ability to comply, if elected as a director of the Corporation, with his or her fiduciary duties under applicable law.

The information and documents required by this Section 3(d) shall be (i) provided with respect to and executed by each Eligible Shareholder in the group in the case of a Nominating Shareholder comprised of a group of Eligible Shareholders; and (ii) provided with respect to the persons specified in Instructions 1 and 2 to Items 6(c) and (d) of Schedule 14N (or any successor item) (x) in the case of a Nominating Shareholder that is an entity and (y) in the case of a Nominating Shareholder that is a group that includes one or more Eligible Shareholders that are entities. The Nomination Notice shall be deemed submitted on the date on which all of the information and documents referred to in this Section 3(d) (other than such information and documents contemplated to be provided after the date the Nomination Notice is provided) have been delivered to or, if sent by mail, received by the Corporate Secretary of the Corporation. "Other Meeting Date" means the date of the first annual meeting of shareholders after the Effective Date and thereafter an annual meeting date if, and only if, the annual meeting of shareholders is not scheduled to be held within a period the commences 30 days before the first anniversary date of the preceding year's annual meeting of shareholders and ends 30 days after the first anniversary date of the preceding year's annual meeting of shareholders.

(e) **Exceptions.**

(i) Notwithstanding anything to the contrary contained in this Section 3, the Corporation may omit from its proxy statement any Shareholder Nominee and any information concerning such Shareholder Nominee (including a Nominating Shareholder's statement in support) and no vote on such Shareholder Nominee will occur (notwithstanding that proxies in respect of such vote may have been received by the Corporation), and the Nominating Shareholder may not, after the last day on which a Nomination Notice would be timely, cure in any way any defect preventing the nomination of the Shareholder Nominee, if: (1) the Corporation receives a notice that a shareholder intends to nominate a candidate for director at the annual meeting pursuant to the advance notice requirements set forth in Article I, Section 2 of these Bylaws; (2) the Nominating Shareholder (or, in the case of a Nominating Shareholder consisting of a group of Eligible Shareholders, the Eligible Shareholder that is authorized to act on behalf of the Nominating Shareholder), or any qualified representative thereof, does not appear at the annual meeting to present the nomination submitted pursuant to this Section 3 or the Nominating Shareholder withdraws its nomination; (3) the Board or its designee, acting in good faith, determines that such Shareholder Nominee's nomination or election to the Board would result in the Corporation violating or failing to be in compliance with these Bylaws or the Corporation's Articles of Incorporation or any applicable law, rule, or regulation to which the Corporation is subject, including the Stock Exchange Rules; (4) the Shareholder Nominee has been, within the past three years, an officer or director of a competitor, as defined for purposes of Section 8 of the Clayton Antitrust Act of 1914, as amended; or (5) the Corporation is notified, or the Board or its designee acting in good faith determines, that a Nominating Shareholder has failed to continue to satisfy the eligibility requirements described in Article I, Section 3(c), any of the representations and warranties made in the Nomination Notice ceases to be true and accurate in all material respects (or omits a material fact necessary to make the statement made not misleading), the Shareholder Nominee becomes unwilling or unable to serve on the Board or any material violation or breach occurs of any of the obligations, agreements, representations, or warranties of the Nominating Shareholder or the Shareholder Nominee under this Section 3.

(ii) Notwithstanding anything to the contrary contained in this Section 3, the Corporation may omit from its proxy statement, or may supplement or correct, any information, including all or any portion of the statement in support of the Shareholder Nominee included in the Nomination Notice, if the Board or its designee in good faith determines that: (1) such information is not true in all material respects or omits a material statement necessary to make the statements made not misleading; (2) such information directly or indirectly impugns the character, integrity, or personal reputation of, or directly or indirectly makes charges concerning improper, illegal, or immoral conduct or associations, without factual foundation, with respect to, any individual, corporation, partnership, association, or other entity, organization, or governmental authority; (3) the inclusion of such information in the proxy statement would otherwise violate the SEC proxy rules or any other applicable law, rule, or regulation; or (4) the inclusion of such information in the proxy statement would impose a material risk of liability upon the Corporation.

The Corporation may solicit against, and include in the proxy statement its own statement relating to, any Shareholder Nominee.

4. **Special Meetings.** (a) Special meetings of the shareholders shall be called by the Corporate Secretary or an Assistant Corporate Secretary at any time on order of the Board, the Chairperson of the Board, the Vice Chairperson of the Board, the Chairperson of the Executive Committee, the Chief Executive Officer, or the President. Special meetings of the shareholders shall also be called by the Corporate Secretary or an Assistant Corporate Secretary upon the written request of holders of shares entitled to cast not less than ten percent of the votes at the meeting measured as of the record date established pursuant to Article I, Section 4(b) of these Bylaws (such request, a “Special Meeting Request”).

(b) Any shareholder seeking to submit a Special Meeting Request must deliver a notice to the Corporate Secretary of the Corporation which requests the Board to set a record date for determining shareholders entitled to request a special meeting under Section 600(d) of the California Corporations Code (a “Record Date Request”). Such Record Date Request must state (i) a brief description of the purpose of the meeting and (ii) the class and number of shares of the Corporation that are beneficially owned by the requesting shareholder. Within twenty-eight days of receiving the Record Date Request in the proper form, the Board shall set a record date for the requesting of a special meeting in accordance with Section 701 of the California Corporations Code. If the Board fails to set a record date within such twenty-eight-day period, the record date for determining shareholders entitled to request a special meeting for the matters disclosed in the Record Date Request shall be the close of business on the twenty-eighth day after the date such Record Date Request is received by the Corporate Secretary (or, if such twenty-eighth day is not a business day, the first business day thereafter).

(c) A Special Meeting Request shall be in writing, shall be delivered to the Chairperson of the Board, the Vice Chairperson of the Board, the Chairperson of the Executive Committee, the Chief Executive Officer, the President, or the Corporate Secretary, and shall state (i) the purposes of the meeting, (ii) the business proposed to be transacted at such meeting and the reasons for conducting such business at the meeting, and (iii) if such request is made by a shareholder, the text of the proposal or business to be brought before the meeting (including the text of any resolutions proposed for consideration, and in the event that such business includes a proposal to amend these Bylaws, the language of the proposed amendment). In connection with any special meeting of the shareholders called in accordance with the provisions of this Section 4, upon written request in proper form sent pursuant to Section 601(c) of the California Corporations Code (or any successor provision) by the person or persons (other than the Board) calling such meeting, it shall be the duty of the Corporate Secretary, subject to the immediately succeeding sentence, to cause notice of such meeting to be given in accordance with Article I, Section 2, Paragraph 3 of these Bylaws as promptly as reasonably practicable and, in connection therewith, to establish the place and, subject to Section 601(c) of the California Corporations Code (or any successor provision), the date and hour of such meeting.

(d) To be in proper form, any Record Date Request or Special Meeting Request submitted by or on behalf of a shareholder or shareholders shall include the information required in Article I, Section 2 of these Bylaws. Within five business days after receiving such a shareholder request, the Board shall determine whether such shareholder or shareholders have

satisfied the requirements for requesting a record date or calling a special meeting of the shareholders in accordance with the provisions of this Section 4, and shall notify the requesting party or parties of its finding.

(e) In the event that a special meeting of shareholders is called pursuant to this Section 4 for the purpose of electing one or more directors, any shareholder entitled to vote in such election of directors may nominate a person or persons (as the case may be) for election to such position(s) as specified in the Corporation's notice of meeting, but only if the shareholder has given timely and proper written notice to the Corporate Secretary. To be timely under this Section 4, the shareholder's written notice must be received by the close of business at the principal executive office of the Corporation not more than 120 days in advance of the date of such special meeting and not less than ninety days prior to the date of such special meeting or the tenth day following the date on which public disclosure of the date of the special meeting and of the nominees proposed by the Board to be elected at such meeting is first made or given to shareholders. To be proper, the notice shall include the information required by the seventh through eleventh paragraphs of Article I, Section 2 of these Bylaws, as applied to the special meeting. In no event shall any adjournment, recess, or postponement of a special meeting of shareholders or the public disclosure thereof commence a new time period (or extend any time period) for the giving of timely written notice for business to be properly brought before the special meeting by a shareholder as described in this Section 4. Nominations of persons for election to the Board may be made at a special meeting of shareholders at which directors are to be elected pursuant to the Corporation's notice of meeting (a) by or at the direction of the Board or any duly authorized committee thereof, or (b) provided that the Board or any duly authorized committee thereof has determined that directors shall be elected at such meeting, by any shareholder of the Corporation who is a shareholder of record at the time the notice provided for in this Section 4 is delivered to the Corporate Secretary, who is entitled to vote at the meeting and upon such election, and who complies with the notice procedures set forth and referenced in this Section 4.

5. **Determination of Proper Business.** Each of the Board, the Chairperson of the Board, the lead director, and the presiding officer of any annual or special meeting of shareholders shall have the power to determine whether business was properly and timely proposed in accordance with the provisions of this Article I, and if any of them should determine that such business is not in compliance with Article I, the presiding officer of the annual or special meeting of shareholders shall have the authority to declare at the meeting that any such business was not properly and timely brought before the meeting and shall not be transacted. Notwithstanding the foregoing provisions of this Article I, unless otherwise required by law, if the shareholder (or a qualified representative of the shareholder) does not appear at the annual or special meeting of shareholders to present a nomination or other proposed business (including any proposal included in the Corporation's proxy materials pursuant to and in compliance with Rule 14a-8 under the Exchange Act), such nomination shall be disregarded or such proposed business shall not be transacted, as the case may be, notwithstanding that proxies in respect of such vote may have been received by the Corporation.

6. **Voting at Meetings.** At any meeting of the shareholders, each holder of record of stock shall be entitled to vote in person or by proxy (as defined in Section 178 of the California Corporations Code).

7. **Shareholder Action by Written Consent.** Subject to Section 603 of the California Corporations Code, any action which, under any provision of the California Corporations Code, may be taken at any annual or special meeting of shareholders may be taken without a meeting and without prior notice if a consent in writing, setting forth the action so taken, shall be signed by the holders of outstanding shares having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted.

Any party seeking to solicit written consent from shareholders to take corporate action must deliver a notice to the Corporate Secretary of the Corporation which requests the Board to set a record date for determining shareholders entitled to give such consent. Such written request must set forth as to each matter the party proposes for shareholder action by written consents (a) a brief description of the matter and (b) the class and number of shares of the Corporation that are beneficially owned by the requesting party. Within ten days of receiving the request in the proper form, the Board shall set a record date for the taking of such action by written consent in accordance with Section 701 of the California Corporations Code and Article IV, Section 1 of these Bylaws. If the Board fails to set a record date within such ten-day period, the record date for determining shareholders entitled to give the written consent for the matters specified in the notice shall be the day on which the first written consent is given in accordance with Section 701(b)(2) of the California Corporations Code.

Each written consent delivered to the Corporation must set forth (a) the action sought to be taken, (b) the name and address of the shareholder as they appear on the Corporation's books, (c) the class and number of shares of the Corporation that are beneficially owned by the shareholder, (d) the name and address of the proxyholder authorized by the shareholder to give such written consent, if applicable, and (e) any material interest of the shareholder or proxyholder in the action sought to be taken.

Consents to corporate action shall be valid for a maximum of sixty days after the date of the earliest dated consent delivered to the Corporation. Consents may be revoked by written notice (a) to the Corporation, (b) to the shareholder or shareholders soliciting consents or soliciting revocations in opposition to action by consent proposed by the Corporation (the "Soliciting Shareholders"), or (c) to a proxy solicitor or other agent designated by the Corporation or the Soliciting Shareholders.

Within three business days after receipt of the earliest dated consent solicited by the Soliciting Shareholders and delivered to the Corporation in the manner provided in Section 603 of the California Corporations Code or the determination by the Board that the Corporation should seek corporate action by written consent, as the case may be, the Corporate Secretary shall engage nationally recognized independent inspectors of elections for the purpose of performing a ministerial review of the validity of the consents and revocations. The cost of retaining inspectors of election shall be borne by the Corporation.

Consents and revocations shall be delivered to the inspectors upon receipt by the Corporation, the Soliciting Shareholders or their proxy solicitors, or other designated agents. As soon as consents and revocations are received, the inspectors shall review the consents and revocations and shall maintain a count of the number of valid and unrevoked consents. The

inspectors shall keep such count confidential and shall not reveal the count to the Corporation, the Soliciting Shareholder or their representatives, or any other entity. As soon as practicable after the earlier of (a) sixty days after the date of the earliest dated consent delivered to the Corporation in the manner provided in Section 603 of the California Corporations Code, or (b) a written request therefor by the Corporation or the Soliciting Shareholders (whichever is soliciting consents), notice of which request shall be given to the party opposing the solicitation of consents, if any, which request shall state that the Corporation or Soliciting Shareholders, as the case may be, have a good faith belief that the requisite number of valid and unrevoked consents to authorize or take the action specified in the consents has been received in accordance with these Bylaws, the inspectors shall issue a preliminary report to the Corporation and the Soliciting Shareholders stating: (a) the number of valid consents, (b) the number of valid revocations, (c) the number of valid and unrevoked consents, (d) the number of invalid consents, (e) the number of invalid revocations, and (f) whether, based on their preliminary count, the requisite number of valid and unrevoked consents has been obtained to authorize or take the action specified in the consents.

Unless the Corporation and the Soliciting Shareholders shall agree to a shorter or longer period, the Corporation and the Soliciting Shareholders shall have forty-eight hours to review the consents and revocations and to advise the inspectors and the opposing party in writing as to whether they intend to challenge the preliminary report of the inspectors. If no written notice of an intention to challenge the preliminary report is received within forty-eight hours after the inspectors' issuance of the preliminary report, the inspectors shall issue to the Corporation and the Soliciting Shareholders their final report containing the information from the inspectors' determination with respect to whether the requisite number of valid and unrevoked consents was obtained to authorize and take the action specified in the consents. If the Corporation or the Soliciting Shareholders issue written notice of an intention to challenge the inspectors' preliminary report within forty-eight hours after the issuance of that report, a challenge session shall be scheduled by the inspectors as promptly as practicable. A transcript of the challenge session shall be recorded by a certified court reporter. Following completion of the challenge session, the inspectors shall as promptly as practicable issue their final report to the Soliciting Shareholders and the Corporation, which report shall contain the information included in the preliminary report, plus all changes in the vote totals as a result of the challenge and a certification of whether the requisite number of valid and unrevoked consents was obtained to authorize or take the action specified in the consents. A copy of the final report of the inspectors shall be included in the book in which the proceedings of meetings of shareholders are recorded.

Unless the consent of all shareholders entitled to vote have been solicited in writing, the Corporation shall give prompt notice to the shareholders in accordance with Section 603 of the California Corporations Code of the results of any consent solicitation or the taking of the corporate action without a meeting and by less than unanimous written consent.

8. Qualified Representatives. For purposes of this Article I, to be a "qualified representative" of the shareholder, a person must be a duly authorized officer, manager, or partner of such shareholder or must be authorized by a writing executed by such shareholder or an electronic transmission delivered by such shareholder to act for such shareholder as proxy at the applicable annual or special meeting of shareholders and such person must produce such writing or electronic transmission, or a reliable reproduction of the writing or electronic

transmission, along with personal identification demonstrating the representative's identity, and in a format acceptable to the Corporation, at the applicable annual or special meeting.

ARTICLE II DIRECTORS.

1. Number and Composition.

(a) The exact number of directors shall be within the limits specified in the Articles of Incorporation, fixed from time to time by a resolution duly adopted by the Board. No reduction of the authorized number of directors shall have the effect of removing any director before that director's term of office expires.

(b) In accordance with Section 301.5 of the California Corporations Code, the Board of this Corporation shall be divided into two classes, designated Class A and Class B (each, a "Class"). The composition of the Classes shall be as follows:

(i) At the Effective Date, the directors in Class A shall be composed of a number of directors that is half of the Board, as fixed by the Board at the Effective Date (or, if such number of directors is fixed at an odd number, half of such fixed number, rounded down to the nearest whole number) (the "Class A Directors") who shall serve as directors for an initial term that will expire upon the annual meeting of shareholders that occurs in 2021 (the "2021 Meeting"). Successors to the Class A Directors who are elected to the Board at the 2021 Meeting shall be elected as Class A Directors for a term that will expire upon the annual meeting of shareholders in 2023 (the "2023 Meeting"). Any successors to Class A Directors whose term expires at the 2023 Meeting shall be elected for one year terms.

(ii) At the Effective Date, the directors in Class B shall be composed of a number of directors that is half of the Board, as fixed by the Board at the Effective Date (or, if such number of directors is fixed at an odd number, half of such fixed number, rounded up to the nearest whole number) (the "Class B Directors") who shall serve as directors for an initial term that will expire upon the annual meeting of shareholders that occurs in 2022 (the "2022 Meeting"). Successors to the Class B Directors who are elected to the Board at the 2022 Meeting shall be elected as Class B Directors for a term that will expire upon the annual meeting of shareholders in 2024 (the "2024 Meeting"). Any successors to Class B Directors whose term expires at the 2024 Meeting shall be elected for one year terms.

(iii) Any director appointed to the Board prior to the 2024 Meeting to fill a vacancy caused by the death or resignation of a director will be in the same Class as the director whose death or resignation created such vacancy.

(iv) In accordance with Section 301.5(b) of the California Corporations Code, if, prior to the 2024 Meeting, the Board increases the number of directors, the directors appointed or elected to fill the vacancies thereby created shall be

allocated by the Board to a Class so as to keep the two Classes as close to equal in number as possible.

After the 2024 meeting, the Board will no longer be so divided into classes and all directors will serve approximately one year terms that shall expire upon the following annual meeting of shareholders in accordance with Section 301 of the California Corporations Code.

2. **Powers.** Subject to the provisions of the California General Corporation Law and any limitations in the Articles of Incorporation relating to action required to be approved by the shareholders or by the outstanding shares, or by a less than majority vote of a class or series of preferred shares, the business and affairs of the corporation will be managed and all corporate powers will be exercised by or under the direction of the Board.

3. **Committees.** The Board may, by resolution adopted by a majority of the authorized number of directors, designate and appoint one or more committees as the Board deems appropriate, each consisting of two or more directors, to serve at the pleasure of the Board; provided, however, that, as required by this Corporation's Articles of Incorporation, the members of the Executive Committee (should the Board designate an Executive Committee) must be appointed by the affirmative vote of two-thirds of the authorized number of directors. Any such committee, including the Executive Committee, shall have the authority to act in the manner and to the extent provided in the resolution of the Board designating such committee and may have all the authority of the Board, except with respect to the matters set forth in Section 311 of the California Corporations Code.

4. **Time and Place of Directors' Meetings.** Regular meetings of the Board shall be held on such days and at such times and at such locations as shall be fixed by resolution of the Board, or designated by the Chairperson of the Board or, in his absence, the Vice Chairperson of the Board, the Chief Executive Officer, or the President of the Corporation and contained in the notice of any such meeting. Notice of meetings shall be delivered personally or sent by mail or electronic transmission at least seven days in advance unless otherwise authorized.

5. **Special Meetings.** The Chairperson of the Board, the Vice Chairperson of the Board, the Chairperson of the Executive Committee, the Chief Executive Officer, the President, or any five directors may call a special meeting of the Board at any time. Notice of the time and place of special meetings shall be given to each director by the Corporate Secretary. Such notice shall be delivered personally or by telephone (or other system or technology designed to record and communicate messages, including facsimile, electronic mail, or other such means) to each director at least forty-eight hours in advance of such meeting, or sent by first-class mail or electronic transmission, postage prepaid, at least four days in advance of such meeting.

6. **Quorum.** A quorum for the transaction of business at any meeting of the Board or any committee thereof shall consist of one-third of the authorized number of directors or committee members, or two, whichever is larger.

7. **Action by Consent.** Any action required or permitted to be taken by the Board may be taken without a meeting if all directors individually or collectively consent in writing to

such action and if the number of members of the Board serving at the time constitutes a quorum. Such written consent or consents shall be filed with the minutes of the proceedings of the Board.

8. **Meetings by Conference Telephone.** Any meeting, regular or special, of the Board or of any committee of the Board, may be held by conference telephone, electronic video screen communication, or electronic transmission by or to the corporation. Participation in a meeting through the use of conference telephone or electronic video screen communication constitutes presence in person at that meeting as long as all members participating in the meeting are able to hear one another. Participation in a meeting through electronic transmission by and to the Corporation (other than conference telephone and electronic video screen communication) constitutes presence in person at that meeting if both of the following apply: (a) each member participating in the meeting can communicate with all of the other members concurrently; and (b) each member is provided the means of participating in all matters before the board, including, without limitation, the capacity to propose, or to interpose an objection to, a specific action to be taken by the Corporation.

9. **Majority Voting.** In any uncontested election, nominees receiving the affirmative vote of a majority of the shares represented and voting at a duly held meeting at which a quorum is present (which shares voting affirmatively also constitute at least a majority of the required quorum) shall be elected. In any election that is not an uncontested election, the nominees receiving the highest number of affirmative votes of the shares entitled to be voted for them, up to the number of directors to be elected by those shares, shall be elected; votes against a director and votes withheld shall have no legal effect.

For purposes of these Bylaws, “uncontested election” means an election of directors of the Corporation in which, at the expiration of the times fixed under Article I, Section 2 and Article I, Section 3 of these Bylaws requiring advance notification of director nominees, or for special meetings, at the time notice is given of the meeting at which the election is to occur, the number of nominees for election does not exceed the number of directors to be elected by the shareholders at that election.

If an incumbent director fails, in an uncontested election, to receive the vote required to be elected in accordance with this Article II, Section 9, then, unless the incumbent director has earlier resigned, the term of such incumbent director shall end on the date that is the earlier of (a) ninety (90) days after the date on which the voting results are determined pursuant to Section 707 of the California Corporations Code, or (b) the date on which the Board selects a person to fill the office held by that director in accordance with the procedures set forth in these Bylaws and Section 305 of the California Corporations Code.

ARTICLE III OFFICERS.

1. **Officers.** The officers of the Corporation shall be elected by the Board and include a President, a Corporate Secretary, a Treasurer, or other such officers as required by law; provided, that, any officer who will be an “executive officer,” as such term is defined in Rule 3b-7 under the Exchange Act, shall be recommended for election to the Board by action of the Safety and Nuclear Oversight Committee. The Board also may elect one or more Vice

Presidents, Assistant Secretaries, Assistant Treasurers, and other such officers as may be appropriate, including the offices described below. Any number of offices may be held by the same person.

2. **Chairperson (or Chair) of the Board.** The Board may elect a Chairperson of the Board who must be a member of the Board and presides at all meetings of the shareholders, of the directors, and of the Executive Committee in the absence of the Chairperson of that Committee. The Chairperson of the Board has such duties and responsibilities as may be prescribed by the Board or these Bylaws. The Chairperson of the Board has the authority to sign on behalf of the Corporation agreements and instruments of every character, and, in the absence or disability of the Chief Executive Officer, may exercise the Chief Executive Officer's duties and responsibilities.

ARTICLE IV MISCELLANEOUS.

1. **Record Date.** The Board may fix a time in the future as a record date for the determination of the shareholders entitled to notice of and to vote at any meeting of shareholders, or entitled to receive any dividend or distribution, or allotment of rights, or to exercise rights in respect to any change, conversion, or exchange of shares. The record date so fixed shall be not more than sixty nor less than ten days prior to the date of such meeting nor more than sixty days prior to any other action for the purposes for which it is so fixed. When a record date is so fixed, only shareholders of record on that date are entitled to notice of and to vote at the meeting, or entitled to receive any dividend or distribution, or allotment of rights, or to exercise the rights, as the case may be.

2. **Certificates; Direct Registration System.** Shares of the Corporation's capital stock may be certificated or uncertificated, as provided under California law. Any certificates that are issued must be signed in the name of the Corporation by the Chairperson of the Board, the Vice Chairperson of the Board, the President, or a Vice President and by the Chief Financial Officer, an Assistant Treasurer, the Secretary, or any Assistant Secretary, certifying the number of shares and the class or series of shares owned by the shareholder. Any or all of the signatures on the certificate may be a facsimile. In case any officer, Transfer Agent, or Registrar who has signed or whose facsimile signature has been placed upon a certificate ceases to be such officer, Transfer Agent, or Registrar before such certificate is issued, it may be issued by the Corporation

with the same effect as if such person were an officer, Transfer Agent, or Registrar at the date of issue. The Corporation may adopt a system of issuance, recordation and transfer of its shares by electronic or other means not involving any issuance of certificates in accordance with Section 416 of the California Corporations Code.

Transfers of shares of stock of the Corporation must be made by the Transfer Agent and Registrar on the books of the Corporation after receipt of a request with proper evidence of succession, assignment, or authority to transfer by the record holder of such stock, or by an attorney lawfully constituted in writing, and in the case of stock represented by a certificate, upon surrender of the certificate. Subject to the foregoing, the Board has power and authority to make such rules and regulations as it may deem necessary or appropriate concerning the issue, transfer, and registration of shares of stock of the Corporation, and to appoint and remove Transfer Agents and Registrars of transfers.

3. **Lost Certificates.** Any person claiming a certificate of stock to be lost, stolen, mislaid, or destroyed shall make an affidavit or affirmation of that fact and verify the same in such manner as the Board may require, and shall, if the Board so requires, give the Corporation, its Transfer Agents, Registrars, and/or other agents a bond of indemnity in form approved by counsel, and in amount and with such sureties as may be satisfactory to the Corporate Secretary of the Corporation, before a new certificate (or uncertificated shares in lieu of a new certificate) may be issued of the same tenor and for the same number of shares as the one alleged to have been lost, stolen, mislaid, or destroyed.

ARTICLE V AMENDMENTS.

1. **Amendment by Shareholders.** Except as otherwise provided by law, these Bylaws, or any of them, may be amended or repealed or new Bylaws adopted by the affirmative vote of a majority of the outstanding shares entitled to vote at any regular or special meeting of the shareholders.

2. **Amendment by Directors.** To the extent provided by law, these Bylaws, or any of them, may be amended or repealed or new Bylaws adopted by resolution adopted by a majority of the members of the Board; provided, however, that amendments to Article II, Section 9 of these Bylaws, and any other Bylaw provision that implements a majority voting standard for director elections (excepting any amendments intended to conform those Bylaw provisions to changes in applicable laws) shall be amended by the shareholders of the Corporation as provided in Article V, Section 1.

AMENDED AND RESTATED
ARTICLES OF INCORPORATION
OF
PACIFIC GAS AND ELECTRIC COMPANY

ANDREW M. VESEY and BRIAN M. WONG certify that:

1. They are the Chief Executive Officer and President, and the Vice President, Deputy General Counsel and Corporate Secretary, respectively, of Pacific Gas and Electric Company, a California corporation (the “Utility”), and have the power to act on behalf of the Utility pursuant to the order confirming the Debtors’ and Shareholder Proponents’ Joint Chapter 11 Plan of Reorganization Dated [March 16, 2020] [Bankruptcy Docket No. [●]] (the “Plan”), entered on [●], 2020 by the United States Bankruptcy Court for the Northern District of California Case No. 19-30088, the Hon. Dennis Montali judge presiding [Bankruptcy Docket No. [●]].

2. The Articles of Incorporation of the Utility, as amended to the date of the filing of this certificate, including the amendments set forth herein but not separately filed (and with the omissions required by Section 910 of the California Corporations Code), are amended and restated as follows:

FIRST: That the name of said corporation shall be

PACIFIC GAS AND ELECTRIC COMPANY.

SECOND: The purpose of the Utility is to engage in any lawful act or activity for which a corporation may be organized under the General Corporation Law of California other than the banking business, the trust company business or the practice of a profession permitted to be incorporated by the California Corporations Code.

The right is reserved to this corporation to amend the whole or any part of these Articles of Incorporation in any respect not prohibited by law.

THIRD: That this corporation shall have perpetual existence.

FOURTH: The Utility elects to be governed by all of the provisions of the General Corporation Law (as added to the California Corporations Code effective January 1, 1977, and as subsequently amended) not otherwise applicable to this corporation under Chapter 23 of said General Corporation Law.

FIFTH: The Board of Directors (the “Board”) by a vote of two-thirds of the whole Board may appoint from the directors an Executive Committee, which Committee may exercise such powers as may lawfully be conferred upon it by the Bylaws of the Corporation. Such Committee may prescribe rules for its own government and its meetings may be held at such places within or without California as said Committee may determine or authorize.

SIXTH: The liability of the directors of the corporation for monetary damages shall be eliminated to the fullest extent permissible under California law.

SEVENTH: The Utility is authorized to provide indemnification of agents (as defined in Section 317 of the California Corporations Code) through bylaws, resolutions, agreements with agents, vote of shareholders or disinterested directors, or otherwise, in excess of the indemnification otherwise permitted by Section 317 of the California Corporations Code, subject only to the applicable limits set forth in Section 204 of the California Corporations Code.

EIGHTH: The total number of shares which the Utility is authorized to issue is eight hundred eighty-five million (885,000,000) of the aggregate par value of six billion eight hundred seventy-five million dollars (\$6,875,000,000). All of these shares shall have full voting rights. The Utility shall not issue nonvoting equity securities (as such term is defined in Section 101(16) of the United States Bankruptcy Code (“Bankruptcy Code”)) to the extent prohibited by Section 1123(a)(6) of the Bankruptcy Code for so long as such Section 1123(a)(6) is in effect and applicable to the Utility.

Said eight hundred eighty-five million (885,000,000) shares shall be divided into three classes, designated as common stock, first preferred stock and \$100 first preferred stock. Eight hundred million (800,000,000) of said shares shall be common stock, of the par value of \$5 per share, seventy-five million (75,000,000) of said shares shall be first preferred stock, of the par value of \$25 per share, and ten million (10,000,000) of said shares shall be \$100 first preferred stock, of the par value of \$100 per share.

FIRST PREFERRED STOCK AND \$100 FIRST PREFERRED STOCK

The first preferred stock and \$100 first preferred stock each shall be divided into series. The first series of first preferred stock shall consist of four million two hundred eleven thousand six hundred sixty-two (4,211,662) shares and be designated as Six Per Cent First Preferred Stock. The second series of first preferred stock shall consist of one million one hundred seventy-three thousand one hundred sixty-three (1,173,163) shares and be designated as Five and One-Half Per Cent First Preferred Stock. The third series of first preferred stock shall consist of four hundred thousand (400,000) shares and be designated as Five Per Cent First Preferred Stock. The remainder of said first preferred stock, viz., 69,215,175 shares, and all of the \$100 first preferred stock may be issued in one or more additional series, as determined from time to time by the Board. Except as provided herein, the Board is hereby authorized to determine or alter the rights, preferences, privileges and restrictions granted to or imposed upon the first preferred stock or \$100 first preferred stock or any series thereof with respect to any wholly unissued series of first preferred stock or \$100 first preferred stock, and to fix the number of shares of any series of first preferred stock or \$100 first preferred stock and the designation of any such series of first preferred stock or \$100 first preferred stock. The Board, within the limits and restrictions stated in any resolution or resolutions of the Board originally fixing the number of shares constituting any series, may increase or decrease (but not below the number of shares of such series then outstanding) the number of shares of any series subsequent to the issue of shares of that series.

The owners and holders of shares of said first preferred stock and \$100 first preferred stock, when issued as fully paid, are and shall be entitled to receive, from the date of issue of such shares, out of funds legally available therefor, cumulative preferential dividends, when and

as declared by the Board, at the following rates upon the par value of their respective shares, and not more, viz.: Six per cent (6%) per year upon Six Per Cent First Preferred Stock; five and one-half per cent (5-1/2%) per year upon Five and One-Half Per Cent First Preferred Stock; five per cent (5%) per year upon Five Per Cent First Preferred Stock; and upon the shares of each additional series of said first preferred stock and of each series of \$100 first preferred stock the dividend rate fixed therefor, and such dividends on both classes of first preferred stock and \$100 first preferred stock shall be declared and shall be either paid or set apart for payment before any dividend upon the shares of common stock shall be either declared or paid.

Upon the liquidation or dissolution of this corporation at any time and in any manner, the owners and holders of shares of said first preferred stock and \$100 first preferred stock issued as fully paid will be entitled to receive an amount equal to the par value of such shares plus an amount equal to all accumulated and unpaid dividends thereon to and including the date fixed for such distribution or payment before any amount shall be paid to the holders of said common stock.

If any share or shares of first preferred stock and \$100 first preferred stock shall at any time be issued as only partly paid, the owners and holders of such partly paid share or shares shall have the right to receive dividends and to share in the assets of this corporation upon its liquidation or dissolution in all respects like the owners and holders of fully paid shares of first preferred stock and \$100 first preferred stock, except that such right shall be only in proportion to the amount paid on account of the subscription price for which such partly paid share or shares shall have been issued.

The unissued shares of said first preferred stock and \$100 first preferred stock may be offered for subscription or sale or in exchange for property and be issued from time to time upon such terms and conditions as said Board shall prescribe.

The first three series of said first preferred stock, namely, the Six Per Cent First Preferred Stock, the Five and One-Half Per Cent First Preferred Stock, and the Five Per Cent First Preferred Stock, are not subject to redemption.

Any or all shares of each series of said first preferred stock and \$100 first preferred stock other than said first three series of first preferred stock may be redeemed at the option of this corporation, at any time or from time to time, at the redemption price fixed for such series together with accumulated and unpaid dividends at the rate fixed therefor to and including the date fixed for redemption. If less than all the outstanding shares of any such series are to be redeemed; the shares to be redeemed shall be determined pro rata or by lot in such manner as the Board may determine.

Unless the certificate of determination for any series of the first preferred stock or the \$100 first preferred stock shall otherwise provide, notice of every such redemption shall be published in a newspaper of general circulation in the City and County of San Francisco, State of California, and in a newspaper of general circulation in the Borough of Manhattan, City and State of New York, at least once in each of two (2) successive weeks, commencing not earlier than sixty (60) nor later than thirty (30) days before the date fixed for redemption; successive publications need not be made in the same newspaper. A copy of such notice shall be mailed

within the same period of time to each holder of record, as of the record date, of the shares to be redeemed, but the failure to mail such notice to any shareholder shall not invalidate the redemption of such shares.

From and after the date fixed for redemption, unless default be made by this corporation in paying the amount due upon redemption, dividends on the shares called for redemption shall cease to accrue, and such shares shall be deemed to be redeemed and shall be no longer outstanding, and the holders thereof shall cease to be shareholders with respect to such shares and shall have no rights with respect thereto except the right to receive from this corporation upon surrender of their certificates the amount payable upon redemption without interest. Or, if this corporation shall deposit, on or prior to the date fixed for redemption, with any bank or trust company in the City and County of San Francisco, having capital, surplus and undivided profits aggregating at least five million dollars (\$5,000,000), as a trust fund, a sum sufficient to redeem the shares called for redemption, with irrevocable instructions and authority to such bank or trust company to publish or complete the publication of the notice of redemption (if this corporation shall not have theretofore completed publication of such notice), and to pay, on and after the date fixed for redemption, or on and after such earlier date as the Board may determine, the amount payable upon redemption of such shares, then from and after the date of such deposit (although prior to the date fixed for redemption) such shares shall be deemed to be redeemed; and dividends on such shares shall cease to accrue after the date fixed for redemption. The said deposit shall be deemed to constitute full payment of the shares to their respective holders and from and after the date of such deposit the shares shall be no longer outstanding, and the holders thereof shall cease to be shareholders with respect to such shares and shall have no rights with respect thereto except the right to receive from said bank or trust company the amount payable upon redemption of such shares, without interest, upon surrender of their certificates therefor, and except, also, any right which such shareholders may then have to exchange or convert such shares prior to the date fixed for redemption. Any part of the funds so deposited which shall not be required for redemption payments because of such exchange or conversion shall be repaid to this corporation forthwith. The balance, if any, of the funds so deposited which shall be unclaimed at the end of six (6) years from the date fixed for redemption shall be repaid to this corporation together with any interest which shall have been allowed thereon; and thereafter the unpaid holders of shares so called for redemption shall have no claim for payment except as against this corporation.

All shares of the first preferred stock and \$100 first preferred stock shall rank equally with regard to preference in dividend and liquidation rights, except that shares of different classes or different series thereof may differ as to the amounts of dividends or liquidation payments to which they are entitled, as herein set forth.

COMMON STOCK

When all accrued dividends upon all of the issued and outstanding shares of the first preferred stock and \$100 first preferred stock of this corporation shall have been declared and shall have been paid or set apart for payment, but not before, dividends may be declared and paid, out of funds legally available therefor, upon all of the issued and outstanding shares of said common stock.

Upon the liquidation or dissolution of this corporation, after the owners and holders of such first preferred stock and \$100 first preferred stock shall have been paid the full amount to which they shall have been entitled under the provisions of these Articles of Incorporation, the owners and holders of such common stock shall be entitled to receive and to have paid to them the entire residue of the assets of this corporation in proportion to the number of shares of said common stock held by them respectively.

If any share or shares of common stock shall at any time be issued as only partly paid, the owners and holders of such partly paid share or shares shall have the right to receive dividends and to share in the assets of this corporation upon its liquidation or dissolution in all respects like the owners and holders of fully paid shares of common stock, except that such right shall be only in proportion to the amount paid on account of the subscription price for which such partly paid share or shares shall have been issued.

The unissued shares of said common stock may be offered for subscription or sale or in exchange for property and be issued from time to time upon such terms and conditions as the Board may prescribe.

PROHIBITION AGAINST ASSESSMENTS

Shares of such stock, whether first preferred, \$100 first preferred stock or common stock, the subscription price of which shall have been paid in full, whether such price be par or more or less than par, shall be issued as fully paid shares and shall never be subject to any call or assessment for any purpose whatever. Shares of such stock, whether first preferred, \$100 first preferred stock or common stock, a part only of the subscription price of which shall have been paid, shall be subject to calls for the unpaid balance of the subscription price thereof. But no call made on partly paid first preferred stock, partly paid \$100 first preferred stock or partly paid common stock shall be recoverable by action or be enforceable otherwise than by sale or forfeiture of delinquent stock in accordance with the applicable provisions of the Corporations Code of California.

If at any time, whether by virtue of any amendment of these Articles of Incorporation or any amendment or change of the law of the State of California relating to corporations or otherwise, any assessment shall, in any event whatever, be levied and collected on any subscribed and issued shares of said first preferred stock or \$100 first preferred stock after the subscription price thereof shall have been paid in full, the rights of the owners and holders thereof to receive dividends and their rights to share in the assets upon the liquidation or dissolution of this corporation shall, immediately upon the payment of such assessment and by virtue thereof, be increased in the same ratio as the total amount of the assessment or assessments so levied and collected shall bear to the par value of such shares of first preferred stock or \$100 first preferred stock.

RESERVES

The Board shall, notwithstanding the foregoing provisions of these Articles of Incorporation, have authority from time to time to set aside, out of the profits arising from the

business of this corporation, such reasonable sums as may in their judgment be necessary and proper for working capital and for usual reserves and surplus.

“Tax Benefit” means any net operating loss carryovers, capital loss carryovers, excess interest deduction carryovers, general business credit carryovers, alternative minimum tax credit carryovers and foreign tax credit carryovers, as well as any loss or deduction attributable to a “net unrealized built-in loss” within the meaning of Section 382 of the Tax Code, of the Company Group or any member thereof.

“Tax Code” means the Internal Revenue Code of 1986, as amended from time to time.

“Transfer” means the acquisition, directly or indirectly, of ownership of Utility Securities by any means – including, without limitation, (i) the creation or grant of any pledge (or other security interest), right or option with respect to Utility Securities, including an option within the meaning of Treasury Regulation Section 1.382-4(d)(9), (ii) the exercise of any such pledge, right or option, or (iii) any other transaction treated under the applicable rules under Section 382 of the Code as a direct or indirect acquisition (including the acquisition of an ownership interest in a Substantial Shareholder), provided, that “Transfer” shall not include any such acquisition unless, as a result, there would be an increase in any Person’s Percentage Stock Ownership.

“Utility” means Pacific Gas and Electric Company.

“Utility Preferred Stock” means preferred stock issued by Utility (other than preferred stock described in Section 1504(a)(4) of the Tax Code).

“Utility Securities” means (i) shares of common stock issued by Utility, (ii) shares of Utility Preferred Stock, and (iii) any other interest designated as “stock” of Utility by the Board, as disclosed in an SEC filing by Utility.

(b) Prohibited Transfers. Any attempted Transfer of Utility Securities prior to the Restriction Release Date, or any attempted Transfer of Utility Securities pursuant to an agreement entered into prior to the Restriction Release Date, shall be prohibited and void *ab initio* insofar as it purports to transfer ownership or rights in respect of such Utility Securities to the purported transferee of a Prohibited Transfer (a “Purported Transferee”) to the extent that, as a result of such Transfer (or any series of Transfers of which such Transfer is a part), either (1) any Person shall become a Substantial Shareholder other than by reason of Treasury Regulation Section 1.382-2T(j)(3) or any successor to such regulation or (2) the Percentage Stock Ownership interest of any Substantial Shareholder shall be increased. Nothing in this **Article FOURTEENTH** shall preclude the settlement of any transaction with respect to Utility Securities entered into through the facilities of a national securities exchange; provided, however, that such a transaction shall still constitute a Prohibited Transfer and the Utility Securities and parties involved in such transaction shall remain subject to the provisions of this **Article FOURTEENTH** in respect of such transaction. In the event that there is an attempted concurrent Transfer of both HoldCo Securities and Utility Securities that would be a Prohibited Transfer hereunder and under the HoldCo Charter (as determined without regard to this sentence), the Prohibited Transfer provisions hereunder shall be applied first rendering such attempted Transfer of the Utility Securities null and void to the extent necessary.

(c) Exceptions; Authorized Transfers.

(i) The restrictions set forth in section (b) of this **Article FOURTEENTH** shall not apply to an attempted Transfer (1) if the transferor or the transferee obtains the prior written approval of the Board or a duly authorized committee thereof in accordance with section (c)(ii) of this **Article FOURTEENTH** below, or (2) if such Transfer is (A) made as part of certain transactions approved by the Board in accordance with section (c)(iii) of this **Article FOURTEENTH**, or (B) to HoldCo or Utility.

(ii) The restrictions contained in this **Article FOURTEENTH** are for the purposes of reducing the risk that any “ownership change” (as defined in Section 382 of the Tax Code) with respect to the Company Group may limit the Company Group’s ability to utilize its Tax Benefits. In connection therewith, and to provide for effective policing of these provisions, any Person or Acquiring Group that desires to acquire Utility Securities in an otherwise Prohibited Transfer (a “Requesting Person”) shall, prior to the date of such transaction for which the Requesting Person seeks authorization (the “Proposed Transaction”), request in writing (a “Request”) that the Board review the Proposed Transaction and authorize or not authorize the Proposed Transaction in accordance with this section (c) of this **Article FOURTEENTH**. A Request shall be mailed or delivered to the Secretary of Utility at Utility’s principal place of business. Such Request shall be deemed to have been received by Utility when actually received by Utility. A Request shall include: (1) the name, address and telephone number of the Requesting Person; (2) the Percentage Stock Ownership of HoldCo then beneficially owned by the Requesting Person (without regard to the ownership of any Company Group Securities other than HoldCo Securities), the then number and percentage (by class) of any Company Group Securities (other than HoldCo Securities) beneficially owned by the Requesting Person, and the then number and percentage (by class) of any Company Group Securities beneficially owned by any Acquiring Group of which the Requesting Person is a member (and the names and relationships of the Persons within the Acquiring Group); (3) a reasonably detailed description of the Proposed Transaction or Proposed Transactions for which the Requesting Person seeks authorization; and (4) a request that the Board authorize the Proposed Transaction pursuant to this section (c) of this **Article FOURTEENTH**. The Board shall respond to each Request within 20 business days of receiving such Request, and the failure of the Board to respond during such 20 business day period shall be deemed to be a consent to the Transfer; provided, that, the Board may respond by requesting additional information, indicating it requires additional time to consider the Request or in another reasonable manner. The Board shall authorize a Proposed Transaction unless the Board determines in good faith that the Proposed Transaction, considered alone or with other transactions (including, without limitation, past, concurrent, contemplated or anticipated transactions (whether by Utility or HoldCo, or by another Person pursuant to a Request or otherwise, whether or not the transaction was a Prohibited Transfer), and transactions involving Company Group Securities (including issuances and redemptions) not currently contemplated but which, in the business judgment of the Board, Utility or HoldCo should retain the flexibility to pursue) would create a material risk that the Tax Benefits may be jeopardized as a result of the application of Sections 382 and 383 of the Tax Code, allowing for a reasonable margin of safety; provided, that if multiple Requests are submitted to the Board at approximately the same time and all such Requests would not be approved pursuant to this sentence, the Board may determine any reasonable method to apply the provisions of this sentence to such Requests. Any determination by the Board not to authorize a Proposed Transaction shall cause such Proposed Transaction to continue to be treated as a Prohibited Transfer. The Board may impose any conditions that it deems reasonable and appropriate in connection with authorizing any Proposed Transaction, including requiring an affidavit or representations from such Requesting Person or opinions of counsel to be rendered by counsel selected by the Requesting Person (and reasonably acceptable to the Board), in each case, as to such matters as the Board may reasonably determine with respect to the preservation of the Tax Benefits. Any Requesting Person who makes a Request to the Board shall reimburse Utility, within 30 days of demand therefor, for all reasonable out-of-pocket costs and expenses incurred by Utility with respect to

any Proposed Transaction, including, without limitation, Utility's reasonable costs and expenses incurred in determining whether to authorize the Proposed Transaction, which costs may include, but are not limited to, any expenses of counsel and/or tax advisors engaged by the Board to advise the Board or deliver an opinion thereto. The Board may require, as a condition to its consideration of the Request, that the Requesting Person execute an agreement in form and substance satisfactory to Utility providing for the reimbursement of such costs and expenses. Any authorization of the Board hereunder may be given prospectively or retroactively.

(iii) The Board may determine that the restrictions set forth in section (b) of this **Article FOURTEENTH** shall not apply to any particular transaction or transactions, whether or not a request has been made to the Board, including a Request pursuant to this section (c) of this **Article FOURTEENTH**, subject to any conditions that it deems reasonable and appropriate in connection therewith. Any determination of the Board hereunder may be made prospectively or retroactively.

(iv) The Board or any committee of the Board, to the fullest extent permitted by law, may exercise the authority granted by this **Article FOURTEENTH** through duly authorized officers or agents of Utility. Nothing in this section (c) of this **Article FOURTEENTH** shall be construed to limit or restrict the Board in the exercise of its fiduciary duties under applicable law.

(d) Legend; Notation. The Board may require that any certificates representing shares of Utility Securities issued prior to the Restriction Release Date shall contain a conspicuous legend in substantially the following form, evidencing the restrictions set forth in this **Article FOURTEENTH**:

“THE AMENDED AND RESTATED ARTICLES OF INCORPORATION OF THE UTILITY, AS THE SAME MAY BE AMENDED AND RESTATED FROM TIME TO TIME (THE “ARTICLES OF INCORPORATION”), CONTAIN CERTAIN RESTRICTIONS PROHIBITING THE TRANSFER (AS DEFINED IN THE ARTICLES OF INCORPORATION) OF UTILITY SECURITIES (AS DEFINED IN THE ARTICLES OF INCORPORATION) WITHOUT PRIOR AUTHORIZATION IN ACCORDANCE WITH THE ARTICLES OF INCORPORATION IF SUCH TRANSFER MAY AFFECT THE PERCENTAGE OF STOCK OF UTILITY (WITHIN THE MEANING OF SECTION 382 OF THE INTERNAL REVENUE CODE OF 1986, AS AMENDED FROM TIME TO TIME (THE “CODE”) AND THE TREASURY REGULATIONS PROMULGATED THEREUNDER) THAT IS TREATED AS OWNED BY A “SUBSTANTIAL SHAREHOLDER” AS DEFINED IN THE ARTICLES OF INCORPORATION. A COMPLETE AND CORRECT COPY OF THE ARTICLES OF INCORPORATION SHALL BE FURNISHED FREE OF CHARGE TO THE HOLDER OF RECORD OF THIS CERTIFICATE UPON WRITTEN REQUEST TO THE SECRETARY OF THE UTILITY.”

Utility shall have the power to make appropriate notations upon its stock transfer records and to instruct any transfer agent, registrar, securities intermediary or depository with respect to the requirements of this **Article FOURTEENTH** for any uncertificated Utility Securities or Utility Securities held in an indirect holding system, and Utility shall provide notice of the restrictions on transfer and ownership to holders of uncertificated shares in accordance with applicable law.

(e) Treatment of Excess Securities.

(i) No officer, employee or agent of Utility shall record any Prohibited Transfer, and the Purported Transferee shall not be recognized as a shareholder of Utility for any purpose whatsoever in respect of the Excess Securities. Until the Excess Securities are acquired by another Person in a Transfer that is not a Prohibited Transfer, the Purported Transferee shall not be entitled with respect to such Excess Securities to any rights of shareholders of Utility, including, without limitation, the right to vote such Excess Securities and to receive dividends or distributions, whether liquidating or otherwise, in respect thereof, if any. Once the Excess Securities have been acquired in a Transfer that is not a Prohibited Transfer, Utility Securities shall cease to be Excess Securities. For this purpose, any transfer of Excess Securities not in accordance with the provisions of this section (e) of this **Article FOURTEENTH** shall also be a Prohibited Transfer.

(ii) If the Board determines that a Transfer of Utility Securities constitutes a Prohibited Transfer pursuant to section (b) of this **Article FOURTEENTH**, then, upon written demand by Utility, the Purported Transferee shall transfer or cause to be transferred any certificate or other evidence of ownership of the Excess Securities within the Purported Transferee's possession or control, together with any Prohibited Distributions, to the Agent. The Agent shall thereupon sell to a buyer or buyers, which may include Utility, the Excess Securities transferred to it in one or more arm's-length transactions (over the NASDAQ or another national securities exchange on which Utility Securities may be traded, if possible, or otherwise privately); provided, however, that the Agent shall use reasonable efforts to effect such sale or sales in an orderly fashion and shall not be required to effect any such sale within any specific time frame if, in the Agent's discretion, such sale or sales would disrupt the market for Utility Securities or otherwise would adversely affect the value of Utility Securities. If the Purported Transferee has resold the Excess Securities before receiving Utility's demand to surrender Excess Securities to the Agent, the Purported Transferee shall be deemed to have sold the Excess Securities for the Agent, and shall be required to transfer to the Agent any Prohibited Distributions and proceeds of such sale, except to the extent that Utility grants written permission to the Purported Transferee to retain all or a portion of such sales proceeds to the extent not exceeding the amount that the Purported Transferee would have received from the Agent pursuant to section (e)(iii) of this **Article FOURTEENTH** if the Agent rather than the Purported Transferee had resold the Excess Securities.

(iii) The Agent shall apply any proceeds or any other amounts received by it in accordance with section (e)(ii) of this **Article FOURTEENTH** as follows: (A) first, such amounts shall be paid to the Agent to the extent necessary to cover its reasonable costs and expenses incurred in connection with its duties hereunder; (B) second, any remaining amounts shall be paid to the Purported Transferee, up to the amount paid by the Purported Transferee for

the Excess Securities (or in the case of any Prohibited Transfer by gift, devise or inheritance or any other Prohibited Transfer without consideration, the fair market value, (1) calculated on the basis of the closing market price for Utility Securities on the day before the Prohibited Transfer, (2) if Utility Securities are not listed or admitted to trading on any stock exchange but are traded in the over-the-counter market, calculated based upon the difference between the highest bid and lowest asked prices, as such prices are reported by the relevant inter-dealer quotation service or any successor system on the day before the Prohibited Transfer or, if none, on the last preceding day for which such quotations exist, or (3) if Utility Securities are neither listed nor admitted to trading on any stock exchange nor traded in the over-the-counter market, then as determined in good faith by the Board), which amount (or fair market value) shall be determined at the discretion of the Board; and (C) third, any remaining amounts, subject to the limitations imposed by the following proviso, shall be paid to one or more organizations qualifying under Section 501(c)(3) of the Tax Code (or any comparable successor provision) selected by the Board; provided, however, that if the Excess Securities (including any Excess Securities arising from a previous Prohibited Transfer not sold by the Agent in a prior sale or sales) represent a 4.75% or greater Percentage Stock Ownership, then any such remaining amounts to the extent attributable to the disposition of the portion of such Excess Securities exceeding a 4.75% Percentage Stock Ownership interest shall be paid to two or more organizations qualifying under Section 501(c)(3) of the Tax Code selected by the Board, such that no organization qualifying under Section 501(c)(3) of the Tax Code shall be deemed to possess a Percentage Stock Ownership in excess of 4.75%. The recourse of any Purported Transferee in respect of any Prohibited Transfer shall be limited to the amount payable to the Purported Transferee pursuant to clause (B) of the preceding sentence. In no event shall the proceeds of any sale of Excess Securities pursuant to this section (e) of this **Article FOURTEENTH** inure to the benefit of Utility.

(iv) In the event of any Transfer that does not involve a transfer of Utility Securities within the meaning of the laws of the State of California, but that would cause a Substantial Shareholder to violate any restriction on Transfer provided for in section (b) of this **Article FOURTEENTH**, the application of sections (e)(ii) and (e)(iii) of this **Article FOURTEENTH** shall be modified as described in this section (e)(iv) of this **Article FOURTEENTH**. In such case, no such Substantial Shareholder shall be required to dispose of any interest that is not a Utility Security, but such Substantial Shareholder and/or any Person or Acquiring Group whose ownership of Utility Securities is attributed to or taken into account with respect to such Substantial Shareholder shall, in the case of section (e)(ii) of this **Article FOURTEENTH**, be deemed to have disposed of and shall be required to dispose of sufficient Utility Securities (which Utility Securities shall be disposed of in the inverse order in which they were acquired) to cause such Substantial Shareholder, following such disposition, not to be in violation of this **Article FOURTEENTH**. Such disposition or process shall be deemed to occur simultaneously with the Transfer giving rise to the application of this provision, and such number of Utility Securities that are deemed to be disposed of shall be considered Excess Securities and shall be disposed of through the Agent as provided in sections (e)(ii) and (e)(iii) of this **Article FOURTEENTH**, except that the maximum aggregate amount payable either to such Substantial Shareholder, or to such other Person or Acquiring Group that was the direct holder of such Excess Securities, in connection with such sale shall be the fair market value of such Excess Securities at the time of the purported Transfer. All such reasonable expenses incurred by the Agent in disposing of such Excess Securities shall be paid out of any amounts due such Substantial Shareholder or such other Person or Acquiring Group. The purpose of this section

(e)(iv) of this **Article FOURTEENTH** is to extend the restrictions in sections (b) and (e)(ii) of this **Article FOURTEENTH** to situations in which there is a Prohibited Transfer without a direct Transfer of Securities, and this section (e)(iv) of this **Article FOURTEENTH**, along with the other provisions of this **Article FOURTEENTH**, shall be interpreted to produce the same results, with differences as the context requires, as a direct Transfer of Utility Securities.

(v) If the Purported Transferee fails to surrender the Excess Securities or the proceeds of a sale thereof to the Agent within 30 days from the date on which Utility makes a written demand pursuant to section (e)(ii) of this **Article FOURTEENTH**, then Utility shall use its best efforts to enforce the provisions hereof, including the institution of legal proceedings to compel the surrender. Nothing in this section (e)(v) of this **Article FOURTEENTH** shall (A) be deemed to be inconsistent with any Transfer of the Excess Securities provided in this **Article FOURTEENTH** to be void *ab initio*, or (B) preclude Utility in its discretion from immediately instituting legal proceedings without a prior demand. The Board or a committee thereof may authorize such additional actions as it deems advisable to give effect to the provisions of this **Article FOURTEENTH**.

(vi) Utility shall make the written demand described in section (e)(ii) of this **Article FOURTEENTH** within 30 days of the date on which the Board determines that the attempted Transfer would result in Excess Securities; provided, however, that, if Utility makes such demand at a later date, the provisions of this **Article FOURTEENTH** shall apply nonetheless. No failure by Utility to act within the time periods set forth in section (e) of this **Article FOURTEENTH** shall constitute a waiver or loss of any right of Utility under this **Article FOURTEENTH**.

(f) Obligation to Provide Information. Any Person that is a beneficial, legal or record holder of Utility Securities or a member of an Acquiring Group, and any proposed transferor or transferee and any Person controlling, controlled by or under common control with the proposed transferor or transferee, shall as and to the extent reasonably requested in writing by Utility, use commercially reasonable efforts promptly to provide such information Utility may request as may be necessary from time to time in order to determine compliance with this **Article FOURTEENTH** or the status of the Tax Benefits. For the avoidance of doubt, notwithstanding anything to the contrary in the section (f) of this **ARTICLE FOURTEENTH**, in no event will any Person have any obligation to provide any such information that such Person determines, in its reasonable judgment, it is legally or contractually prohibited from disclosing; provided, that the Board may decline to authorize a Proposed Transaction, notwithstanding any provision of section (c)(ii) of this **ARTICLE FOURTEENTH** to the contrary, if any Requesting Person does not provide any information reasonably requested by Utility.

(g) Board Authority.

(i) The Board or any committee thereof shall have the power to interpret or determine in its sole discretion all matters necessary for assessing compliance with this **Article FOURTEENTH**, including, without limitation, (i) the identification of Substantial Shareholders or Acquiring Groups, (ii) whether a Transfer is a Prohibited Transfer, (iii) whether to exempt a Transfer from the restrictions of section (b) of this **Article FOURTEENTH**, (iv) the Percentage Stock Ownership of any Substantial Shareholder, (v) whether an instrument constitutes a Utility

Security or a Company Group Security, (vi) the amount (or fair market value) due to a Purported Transferee pursuant to clause (B) of section (e)(iii) of this **Article FOURTEENTH**, and (vii) any other matters which the Board or such committee determines to be relevant; and the good faith determination of the Board or such committee on such matters shall be conclusive and binding for all the purposes of this **Article FOURTEENTH**.

(ii) In addition, the Board or any committee thereof may, to the extent permitted by law, from time to time establish, modify, amend or rescind bylaws, regulations and procedures of Utility not inconsistent with the provisions of this **Article FOURTEENTH** for purposes of determining whether any Transfer of Utility Securities would jeopardize the Company Group's ability to preserve and use the Tax Benefits and for the application, administration and implementation of this **Article FOURTEENTH**.

(iii) Nothing contained in this **Article FOURTEENTH** shall limit the authority of the Board or a committee thereof to take such other action to the extent permitted by law as it deems necessary or advisable to protect the Company Group and Utility's shareholders in preserving the Tax Benefits, including the implementation of restrictions on dispositions or sales of Utility Securities that result in a decrease of a Substantial Shareholder's Percentage Stock Ownership. Without limiting the generality of the foregoing, in the event of a change in law making one or more of the following actions necessary or desirable, the Board or any committee thereof may, by adopting a written resolution, (A) modify the ownership interest percentage in Utility or the Persons covered by this **Article FOURTEENTH**, (B) modify the definitions of any terms set forth in this **Article FOURTEENTH** or (C) modify the terms of this **Article FOURTEENTH** as appropriate, in each case, in order to prevent an ownership change for purposes of Section 382 of the Tax Code as a result of any changes in applicable Treasury Regulations or otherwise; provided, however, that the Board or committee shall not cause there to be such modification unless it determines, by adopting a written resolution, that such action is reasonably necessary or advisable to preserve the Tax Benefits or that the continuation of these restrictions is no longer reasonably necessary for the preservation of the Tax Benefits. Shareholders of Utility shall be notified of such determination through a filing with the SEC or such other method of notice as Utility deems appropriate.

(iv) In the case of an ambiguity in the application of any of the provisions of this **Article FOURTEENTH**, including any definition used herein, the Board shall have the power to determine the application of such provisions. In the event this **Article FOURTEENTH** requires an action by the Board but fails to provide specific guidance with respect to such action, the Board or any committee thereof shall have the power to determine the action to be taken. All such actions, calculations, interpretations and determinations that are done or made by the Board in good faith shall be conclusive and binding on Utility, the Agent and all other parties for all other purposes of this **Article FOURTEENTH**. The Board may delegate all or any portion of its duties and powers under this **Article FOURTEENTH** to a committee of the Board as it deems necessary or advisable, and the Board and such committee may exercise the authority granted by this **Article FOURTEENTH** through duly authorized officers or agents of Utility. Nothing in this **Article FOURTEENTH** shall be construed to limit or restrict the Board in the exercise of its fiduciary duties under applicable law.

(h) Reliance. To the fullest extent permitted by law, Utility and the members of the Board or any committee thereof shall be fully protected in relying in good faith upon the information, opinions, reports or statements of the chief executive officer, the chief financial officer, the chief accounting officer, the Secretary or the corporate controller of Utility or of Utility's legal counsel, independent auditors, transfer agent, investment bankers or other employees and agents in making the determinations and findings contemplated by this **Article FOURTEENTH**, and the members of the Board shall not be responsible for any good faith errors made in connection therewith. For purposes of determining the existence and identity of, and the amount of any Utility Securities owned by any shareholder, Utility is entitled to rely on the existence and absence of filings of Schedule 13D, 13F or 13G under the Securities Exchange Act of 1934, or similar statements, reports or other filings, as of any date, subject to its actual knowledge of the ownership of Utility Securities.

(i) Benefits of this Article FOURTEENTH. Nothing in this **Article FOURTEENTH** shall be construed to give to any Person other than Utility, the Agent and members of the Board and any committee thereof any legal or equitable right, remedy or claim under this **Article FOURTEENTH**. This **Article FOURTEENTH** shall be for the sole and exclusive benefit of Utility, the Agent and members of the Board and any such committee thereof.

(j) Severability. The purpose of this **Article FOURTEENTH** is to facilitate the Company Group's ability to maintain or preserve its Tax Benefits. If any provision of this **Article FOURTEENTH** or the application of any such provision to any Person or under any circumstance shall be held invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision of this **Article FOURTEENTH**.

(k) Waiver. With regard to any power, remedy or right provided herein or otherwise available to Utility or the Agent under this **Article FOURTEENTH**, (i) no waiver will be effective unless expressly contained in a writing signed by the waiving party, and (ii) no alteration, modification or impairment will be implied by reason of any previous waiver, extension of time, delay or omission in exercise, or other indulgence.

3. In accordance with Section 1401 of the California Corporations Code, provision for making the foregoing amendment and restatement of the Articles of Incorporation of the Corporation is contained in the order confirming the Plan, entered on [●], 2020 by the United States Bankruptcy Court for the Northern District of California Case No. 19-30088, the Hon. Exhibit J-2
Amended and Restated Bylaws of the Utility

**Bylaws
of
Pacific Gas and Electric Company (the “Utility”)
Amended and Restated as of [●], 2020 (“Effective Date”)**

**ARTICLE I
SHAREHOLDERS.**

1. **Place of Meeting.** Meetings of the shareholders shall be held at such place, within or without the State of California, as may be designated from time to time by the Board of Directors (the “Board”).

A meeting of the shareholders may be conducted, in whole or in part, by electronic transmission by and to the Utility or by electronic video screen communication if: (a) the Utility implements reasonable measures to provide shareholders (in person or by proxy) a reasonable opportunity to participate in the meeting and to vote on matters submitted to the shareholders, and (b) the Utility maintains a record of the vote or action and any shareholder votes or other shareholder actions taken at the meeting by means of electronic transmission to the Utility or electronic video screen communication.

Any request by the Utility to a shareholder under Section 20(b) of the California Corporations Code for consent to conduct a meeting of shareholders by electronic transmission must include a notice that, absent consent of the shareholder, the meeting will be held at a physical location.

2. **Annual Meetings.** The first annual meeting of shareholders following the Effective Date is designated to take place on the date and at the time determined by the Board, which date must be within 15 months of the Effective Date. Thereafter, the annual meeting of shareholders must be held each year on a date and at a time designated by the Board.

Written notice of the annual meeting shall be given not less than ten (or, if sent by third-class mail, thirty) nor more than sixty days prior to the date of the meeting to each shareholder entitled to vote thereat. The notice shall state the place (if any), date, and hour of such meeting, the means of electronic transmission by and to the Utility or electronic video screen communication (if any) by which shareholders may participate in that meeting, and those matters which the Board, at the time of mailing, intends to present for action by the shareholders.

Notice of any meeting of the shareholders shall be given by mail, electronic transmission, or other written communication to each holder of record of the stock entitled to vote thereat, at his address, as it appears on the books of the Utility.

For purposes of this Section 2 only, “electronic transmission” from the Utility means a communication (a) delivered by (i) facsimile telecommunication or electronic mail when directed to the facsimile number or electronic mail address, respectively, for that shareholder on record with the Utility, (ii) posting on an electronic message board or network which the Utility has designated for those communications, together with a separate notice to the recipient of the

posting, which transmission shall be validly delivered upon the later of the posting or delivery of the separate notice thereof, or (iii) other means of electronic communication, (b) to a shareholder who has provided an unrevoked consent to the use of those means of transmission for such communications, and (c) that creates a record that is capable of retention, retrieval, and review, and that may thereafter be rendered into clearly legible tangible form. In addition, the consent to an electronic transmission by the Utility to an individual shareholder shall be preceded by or include a clear written statement to the shareholder as to: (a) any right of the recipient to have the record provided or made available on paper or in non-electronic form, (b) whether the consent applies only to that transmission, to specified categories of communications, or to all communications from the Utility, and (c) the procedures the recipient must use to withdraw consent.

At an annual meeting of shareholders, only such business shall be conducted as shall have been properly brought before the annual meeting. To be properly brought before an annual meeting, business must be (a) specified in the notice of the annual meeting (or any supplement thereto) given by or at the direction of the Board, or (b) otherwise properly brought before the annual meeting by a shareholder. Notwithstanding anything in these Bylaws to the contrary, no business shall be conducted at an annual meeting except in accordance with the procedures set forth in this Section 2.

For business to be properly brought before an annual meeting by a shareholder, including the nomination of any person (other than a person nominated by or at the direction of the Board) for election to the Board, the shareholder must have given timely and proper written notice to the Corporate Secretary of the Utility pursuant to this Section 2.

To be timely, the shareholder's written notice must be received at the principal executive office of the Utility not more than 120 days and not less than ninety days before the anniversary date of the prior year's annual meeting of shareholders; provided, however, that if the annual meeting to which the shareholder's written notice relates is to be held on a date that differs by more than thirty days from the date of the last annual meeting of shareholders, the shareholder's written notice to be timely must be so received not later than the close of business on the tenth day following the date on which public disclosure of the date of the annual meeting is made or given to shareholders. In the case of the first annual meeting of shareholders to be held after the Effective Date, the shareholder's written notice to be timely must be so received not later than the close of business on the tenth day following the date on which public disclosure of the date of the annual meeting is made or given to shareholders. Any shareholder's written notice that is delivered after the close of business (5:00 p.m. local time) will be considered received on the following business day. As used in these Bylaws, "public disclosure" shall include disclosure in a press release or in a document publicly filed by the Utility with the United States Securities and Exchange Commission ("SEC") pursuant to Section 13, 14, or 15(d) of the Securities Exchange Act of 1934 (and its successors) (the "Exchange Act") and the rules and regulations promulgated thereunder.

To be proper, the shareholder's written notice must set forth as to each matter the shareholder proposes to bring before the annual meeting (a) a brief description of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting, (b) the text of the proposal or business to be brought before the annual

meeting (including the text of any resolutions proposed for consideration, and in the event that such business includes a proposal to amend these Bylaws, the language of the proposed amendment), (c) the name and address of the shareholder as they appear on the Utility's books, and the name and address of any of its Associated Persons (defined below), (d) the class and number of shares of the Utility that are beneficially owned or held of record by the shareholder or any of its Associated Persons, and a description of all Disclosable Interests (defined below) (i) held by the shareholder or any of its Associated Persons or (ii) to which any of them is a party, (e) a description of all agreements, arrangements, or understandings between or among (i) such shareholder, (ii) any Associated Person, and/or (iii) any other person or persons (naming such person or persons), in each case relating to the business to be brought before the annual meeting or pursuant to which such business is to be proposed by such shareholder, (f) any material interest of the shareholder or Associated Parties in such business, and (g) other such information concerning the shareholder, any of its Associated Persons, and such item of business as would be required under the rules of the SEC in a proxy statement soliciting proxies in support of the item of business proposed to be brought before the annual meeting; provided, however, that the disclosures required by this Section 2 shall not include any disclosures with respect to any broker, dealer, commercial bank, trust company, or similar nominee solely as a result of such entity being the shareholder directed to prepare and submit the notice required by these Bylaws on behalf of a beneficial owner or beneficial owners.

In addition, if the shareholder's written notice relates to the nomination at the annual meeting of any person for election to the Board, such notice to be proper must also set forth (a) the name, age, business address, and residence address of each person to be so nominated, (b) the principal occupation or employment of each such person, (c) the number of shares of capital stock of the Utility beneficially owned by each such person and any and all Disclosable Interests held by each such person to which each such person is a party, (d) a description of all agreements, arrangements, or understandings (including compensation) between or among (i) such shareholder, (ii) each nominee, (iii) any Associated Person, and/or (iv) any other person or persons (naming such person or persons), in each case relating to the nomination or pursuant to which the nomination or nominations are to be made by such shareholder and/or relating to the candidacy or service of the nominee as a director of the Utility, (e) a representation that the shareholder is a holder of record of stock of the Utility entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to propose such nomination, (f) a representation as to whether the shareholder or the beneficial owner, if any, intends or is part of a group that intends (i) to deliver a proxy statement and/or form of proxy to holders of at least the percentage of the Utility's outstanding capital stock required to elect the nominee, or (ii) otherwise to solicit proxies from shareholders in support of such nomination, (g) such other information concerning each such person as would be required under the rules of the SEC in a proxy statement soliciting proxies for the election of such person as a director, and accompanied by a consent, signed by each such person, to serve as a director of the Utility if elected, and (h) if any such nominee, the shareholder nominating the nominee, or any such Associated Person expresses an intention or recommendation that the Utility enter into a strategic transaction, any material interest in such transaction of each such proposed nominee, shareholder, or Associated Person, including without limitation, any equity interests or any Disclosable Interests held by each such nominee, shareholder, or Associated Person in any other person, the value of which interests could reasonably be expected to be materially affected by such transaction. In addition, such notice must contain a written and signed representation and agreement of each such

nominee, pursuant to which such nominee represents and agrees that he or she (a) is not and will not become a party to any agreement, arrangement or understanding with, and has not given any commitment or assurance to, any person or entity as to how such nominee, if elected as a director, will act or vote on any issue or question or that could reasonably be expected to limit or interfere with such nominee's ability to comply with his or her fiduciary duties under applicable law that has not been disclosed to the Utility, (b) is not and will not become a party to any agreement, arrangement, or understanding with any person or entity other than the Utility with respect to any direct or indirect compensation, reimbursement, or indemnification in connection with service or action as a director that has not been disclosed to the Utility, and (c) if elected as a director, will comply with all of the Utility's then existing corporate governance, conflict of interest, confidentiality, and stock ownership and trading policies, codes, and guidelines and any other Utility policies, codes, and guidelines applicable to directors. To be proper notice, the shareholder's notice also must include a written questionnaire completed by the proposed nominee with respect to the background and qualifications of such proposed nominee (which form of questionnaire shall be provided by the Corporate Secretary upon request).

The Utility may require any proposed nominee to furnish such other information as it may reasonably require to determine (a) the eligibility of such proposed nominee to serve as a director of the Utility, and (b) whether such nominee qualifies as an "independent director" or "audit committee financial expert" under applicable law, securities exchange rule or regulation, or any publicly disclosed corporate governance guideline or committee charter of the Utility.

In addition, for a shareholder's written notice to the Corporate Secretary to be proper and timely, a shareholder providing notice of any business (including the nomination of any person for election to the Board) proposed to be made at any annual meeting shall further update and supplement such notice, if necessary, so that the information provided or required to be provided in such notice pursuant to this Section 2 shall be true and correct as of the record date for the meeting and as of the date that is ten business days prior to the meeting or any adjournment or postponement thereof. Such update and supplement (or, if applicable, written confirmation that the information provided in such notice is still true and correct as of the applicable date) shall be delivered to, or mailed to and received by, the Corporate Secretary at the principal executive office of the Utility no later than five business days after the record date for the meeting (in the case of the update and supplement required to be made as of the record date), and no later than eight business days prior to the date for the meeting or, if practicable, any adjournment or postponement thereof and, if not practicable, on the first practicable date prior to the date to which the meeting has been adjourned or postponed (in the case of the update and supplement required to be made as of ten business days prior to the meeting or any adjournment or postponement thereof). A shareholder, in his or her initial written notice of any business to the Corporate Secretary, shall confirm his or her intention to update and supplement such notice as required herein.

Nothing in these Bylaws shall be deemed to affect any rights of a shareholder to request inclusion of proposals in the Utility's proxy statement pursuant to Rule 14a-8 under the Exchange Act. Notwithstanding anything in these Bylaws to the contrary, except for proposals properly and timely made in accordance with Rule 14a-8 under the Exchange Act and included in the notice of annual meeting given by or at the direction of the Board, no business shall be

conducted at any annual meeting except in accordance with the procedures set forth in this Section 2.

As used in this Section 2, “Associated Person” shall mean (a) the beneficial owner or beneficial owners on whose behalf the written notice of business proposed to be brought before the annual meeting is made, if different from the shareholder proposing such business, and (b) each “affiliate” or “associate” (each within the meaning of Rule 12b-2 under the Exchange Act for purposes of these Bylaws) of each such shareholder or beneficial owner.

As used in this Section 2, “Disclosable Interest” shall mean any agreement, arrangement, or understanding (including but not limited to any derivatives, swaps, long or short positions, options, warrants, convertible securities, stock appreciation or similar rights, hedging transactions, and borrowed or loaned shares that are held or have been entered into, directly or indirectly, by or on behalf of such shareholder, the nominee proposed by such shareholder, as applicable, or any such Associated Person), the effect or intent of which is to mitigate loss to, manage the risk or benefit of share price changes for, provide the opportunity to profit from share price changes to, or maintain, increase, or decrease the voting power of, such shareholder, proposed nominee, as applicable, or any such Associated Person, with respect to shares of stock of the Utility; provided, however, that Disclosable Interests shall not include any such disclosures with respect to any broker, dealer, commercial bank, trust company, or similar nominee solely as a result of such entity being the shareholder directed to prepare and submit the notice required by these Bylaws on behalf of a beneficial owner or beneficial owners.

3. **Special Meetings.** (a) Special meetings of the shareholders shall be called by the Corporate Secretary or an Assistant Corporate Secretary at any time on order of the Board, the Chairperson of the Board, the Vice Chairperson, the Chairperson of the Executive Committee, the Chief Executive Officer, or the President. Special meetings of the shareholders shall also be called by the Corporate Secretary or an Assistant Corporate Secretary upon the written request of holders of shares entitled to cast not less than ten percent of the votes at the meeting measured as of the record date established pursuant to Article I, Section 3(b) of these Bylaws (such request, a “Special Meeting Request”).

(b) Any shareholder seeking to submit a Special Meeting Request must deliver a notice to the Corporate Secretary which requests the Board to set a record date for determining shareholders entitled to request a special meeting under Section 600(d) of the California Corporations Code (a “Record Date Request”). Such Record Date Request must state (i) a brief description of the purpose of the meeting and (ii) the class and number of shares of the Utility that are beneficially owned by the requesting shareholder. Within twenty-eight days of receiving the Record Date Request in the proper form, the Board shall set a record date for the requesting of a special meeting in accordance with Section 701 of the California Corporations Code. If the Board fails to set a record date within such twenty-eight-day period, the record date for determining shareholders entitled to request a special meeting for the matters disclosed in the Record Date Request shall be the close of business on the twenty-eighth day after the date such Record Date Request is received by the Corporate Secretary (or, if such twenty-eighth day is not a business day, the first business day thereafter).

(c) A Special Meeting Request shall be in writing, shall be delivered to the Chairperson of the Board, the Vice Chairperson of the Board, the Chairperson of the Executive Committee, the Chief Executive Officer, the President, or the Corporate Secretary, and shall state (i) the purposes of the meeting, (ii) the business proposed to be transacted at such meeting and the reasons for conducting such business at the meeting, and (iii) if such request is made by a shareholder, the text of the proposal or business to be brought before the meeting (including the text of any resolutions proposed for consideration, and in the event that such business includes a proposal to amend these Bylaws, the language of the proposed amendment). In connection with any special meeting of the shareholders called in accordance with the provisions of this Section 3, upon written request in proper form sent pursuant to Section 601(c) of the California Corporations Code (or any successor provision) by the person or persons (other than the Board) calling such meeting, it shall be the duty of the Corporate Secretary, subject to the immediately succeeding sentence, to cause notice of such meeting to be given in accordance with Article I, Section 2, Paragraph 3 of these Bylaws as promptly as reasonably practicable and, in connection therewith, to establish the place and, subject to Section 601(c) of the California Corporations Code (or any successor provision), the date and hour of such meeting.

(d) To be in proper form, any Record Date Request or Special Meeting Request submitted by or on behalf of a shareholder or shareholders shall include the information required in Article I, Section 2 of these Bylaws. Within five business days after receiving such a shareholder request, the Board shall determine whether such shareholder or shareholders have satisfied the requirements for requesting a record date or calling a special meeting of the shareholders in accordance with the provisions of this Section 4, and shall notify the requesting party or parties of its finding.

4. **Determination of Proper Business.** Each of the Board, the Chairperson of the Board, the lead director, and the presiding officer of any annual or special meeting of shareholders shall have the power to determine whether business was properly and timely proposed in accordance with the provisions of this Article I, and if any of them should determine that such business is not in compliance with Article I, the presiding officer of the annual or special meeting of shareholders shall have the authority to declare at the meeting that any such business was not properly and timely brought before the meeting and shall not be transacted. Notwithstanding the foregoing provisions of this Article I, unless otherwise required by law, if the shareholder (or a qualified representative of the shareholder) does not appear at the annual or special meeting of shareholders to present a nomination or other proposed business (including any proposal included in the Utility's proxy materials pursuant to and in compliance with Rule 14a-8 under the Exchange Act), such nomination shall be disregarded or such proposed business shall not be transacted, as the case may be, notwithstanding that proxies in respect of such vote may have been received by the Utility.

5. **Voting at Meetings.** At any meeting of the shareholders, each holder of record of stock shall be entitled to vote in person or by proxy (as defined in Section 178 of the California Corporations Code).

6. **No Cumulative Voting.** No shareholder of the Utility shall be entitled to cumulate his or her voting power.

7. **Qualified Representatives.** For purposes of this Article I, to be a “qualified representative” of the shareholder, a person must be a duly authorized officer, manager, or partner of such shareholder or must be authorized by a writing executed by such shareholder or an electronic transmission delivered by such shareholder to act for such shareholder as proxy at the applicable annual or special meeting of shareholders and such person must produce such writing or electronic transmission, or a reliable reproduction of the writing or electronic transmission, along with personal identification demonstrating the representative’s identity, and in a format acceptable to the Utility, at the applicable annual or special meeting.

ARTICLE II DIRECTORS.

1. Number and Composition.

(a) The Board shall consist of such number of directors, not fewer than twelve (12) nor more than fifteen (15); provided that from and after the Effective Date until December 31, 2020, such minimum number of directors shall be nine (9). The exact number of directors shall be within the limits specified above, fixed from time to time by a resolution duly adopted by the Board.

(b) In accordance with Section 301.5 of the California Corporations Code, the Board of this Utility shall be divided into two classes, designated Class A and Class B (each, a “Class”). The composition of the Classes shall be as follows:

(i) At the Effective Date, the directors in Class A shall be composed of a number of directors that is half of the Board, as fixed by the Board at the Effective Date (or, if such number of directors is fixed at an odd number, half of such fixed number, rounded down to the nearest whole number) (the “Class A Directors”) who shall serve as directors for an initial term that will expire upon the annual meeting of shareholders that occurs in 2021 (the “2021 Meeting”). Successors to the Class A Directors who are elected to the Board at the 2021 Meeting shall be elected as Class A Directors for a term that will expire upon the annual meeting of shareholders in 2023 (the “2023 Meeting”). Any successors to Class A Directors whose term expires at the 2023 Meeting shall be elected for one year terms.

(ii) At the Effective Date, the directors in Class B shall be composed of a number of directors that is half of the Board, as fixed by the Board at the Effective Date (or, if such number of directors is fixed at an odd number, half of such fixed number, rounded up to the nearest whole number) (the “Class B Directors”) who shall serve as directors for an initial term that will expire upon the annual meeting of shareholders that occurs in 2022 (the “2022 Meeting”). Successors to the Class B Directors who are elected to the Board at the 2022 Meeting shall be elected as Class B Directors for a term that will expire upon the

annual meeting of shareholders in 2024 (the “2024 Meeting”). Any successors to Class B Directors whose term expires at the 2024 Meeting shall be elected for one year terms.

(iii) Any director appointed to the Board prior to the 2024 Meeting to fill a vacancy caused by the death or resignation of a director will be in the same Class as the director whose death or resignation created such vacancy.

(iv) In accordance with Section 301.5(b) of the California Corporations Code, if, prior to the 2024 Meeting, the Board increases the number of directors, the directors appointed or elected to fill the vacancies thereby created shall be allocated by the Board to a Class so as to keep the two Classes as close to equal in number as possible.

After the 2024 meeting, the Board will no longer be so divided into classes and all directors will serve approximately one year terms that shall expire upon the following annual meeting of shareholders in accordance with Section 301 of the California Corporations Code.

2. **Powers.** Subject to the provisions of the California General Corporation Law and any limitations in the Articles of Incorporation relating to action required to be approved by the shareholders or by the outstanding shares, or by a less than majority vote of a class or series of preferred shares, the business and affairs of the Utility will be managed and all corporate powers will be exercised by or under the direction of the Board.

3. **Committees.** The Board may, by resolution adopted by a majority of the authorized number of directors, designate and appoint one or more committees as the Board deems appropriate, each consisting of two or more directors, to serve at the pleasure of the Board; provided, however, that, as required by this Utility’s Articles of Incorporation, the members of the Executive Committee (should the Board designate an Executive Committee) must be appointed by the affirmative vote of two-thirds of the authorized number of directors. Any such committee, including the Executive Committee, shall have the authority to act in the manner and to the extent provided in the resolution of the Board designating such committee and may have all the authority of the Board, except with respect to the matters set forth in Section 311 of the California Corporations Code.

4. **Time and Place of Directors’ Meetings.** Regular meetings of the Board shall be held on such days and at such times and at such locations as shall be fixed by resolution of the Board, or designated by the Chairperson of the Board or, in his absence, the Vice Chairperson, the Chief Executive Officer, or the President of the Utility and contained in the notice of any such meeting. Notice of meetings shall be delivered personally or sent by mail or electronic transmission at least seven days in advance unless otherwise authorized.

5. **Special Meetings.** The Chairperson of the Board, the Vice Chairperson, the Chairperson of the Executive Committee, the Chief Executive Officer, the President, or any five directors may call a special meeting of the Board at any time. Notice of the time and place of special meetings shall be given to each director by the Corporate Secretary. Such notice shall be delivered personally or by telephone (or other system or technology designed to record and

communicate messages, including facsimile, electronic mail, or other such means) to each director at least forty-eight hours in advance of such meeting, or sent by first-class mail or electronic transmission, postage prepaid, at least four days in advance of such meeting.

6. **Quorum.** A quorum for the transaction of business at any meeting of the Board or any committee thereof shall consist of one-third of the authorized number of directors or committee members, or two, whichever is larger.

7. **Action by Consent.** Any action required or permitted to be taken by the Board may be taken without a meeting if all directors individually or collectively consent in writing to such action and if the number of members of the Board serving at the time constitutes a quorum. Such written consent or consents shall be filed with the minutes of the proceedings of the Board.

8. **Meetings by Conference Telephone.** Any meeting, regular or special, of the Board or of any committee of the Board, may be held by conference telephone, electronic video screen communication, or electronic transmission by or to the corporation. Participation in a meeting through the use of conference telephone or electronic video screen communication constitutes presence in person at that meeting as long as all members participating in the meeting are able to hear one another. Participation in a meeting through electronic transmission by and to the Utility (other than conference telephone and electronic video screen communication) constitutes presence in person at that meeting if both of the following apply: (a) each member participating in the meeting can communicate with all of the other members concurrently; and (b) each member is provided the means of participating in all matters before the board, including, without limitation, the capacity to propose, or to interpose an objection to, a specific action to be taken by the Corporation.

9. **Majority Voting.** In any uncontested election, nominees receiving the affirmative vote of a majority of the shares represented and voting at a duly held meeting at which a quorum is present (which shares voting affirmatively also constitute at least a majority of the required quorum) shall be elected. In any election that is not an uncontested election, the nominees receiving the highest number of affirmative votes of the shares entitled to be voted for them, up to the number of directors to be elected by those shares, shall be elected; votes against a director and votes withheld shall have no legal effect.

For purposes of these Bylaws, "uncontested election" means an election of directors of the Utility in which, at the expiration of the times fixed under Article I, Section 2 of these Bylaws requiring advance notification of director nominees, or for special meetings, at the time notice is given of the meeting at which the election is to occur, the number of nominees for election does not exceed the number of directors to be elected by the shareholders at that election.

If an incumbent director fails, in an uncontested election, to receive the vote required to be elected in accordance with this Article II, Section 9, then, unless the incumbent director has earlier resigned, the term of such incumbent director shall end on the date that is the earlier of (a) ninety (90) days after the date on which the voting results are determined pursuant to Section 707 of the California Corporations Code, or (b) the date on which the Board selects a person to fill

the office held by that director in accordance with the procedures set forth in these Bylaws and Section 305 of the California Corporations Code.

10. **Certain Powers Reserved to the Shareholders.** So long as PG&E Corporation shall hold the majority of the outstanding shares of the Utility, PG&E Corporation may require the written consent of the PG&E Corporation Chairperson of the Board or the PG&E Corporation Chief Executive Officer to enter into and execute any transaction or type of transaction identified by the Board of PG&E Corporation as a “Designated Transaction.” For purposes of this Section 10, a Designated Transaction shall be any transaction or type of transaction identified in a duly adopted resolution of the Board of PG&E Corporation as requiring the written consent of the PG&E Corporation Chairperson of the Board or the PG&E Corporation Chief Executive Officer pursuant to this Section 10.
